#### DEPARTMENT OF LAW

July 31, 1931.

Council of the City of Pittsburgh.

Gentlemen:—

In re Bill No. 4165, An Ordinance authorizing and directing the Mayor and the Director of the Department of Public Welfare to enter into a contract with Morris Knowles, Incorporated, for supervision and laying out of roads and walkways at the Pittsburgh City Home and Hospitals, Mayview, Pa., and authorizing the setting aside of the sum of \$1250.00 from Bond Fund 281—1, "Professional Services", which, at a meeting of the Committee on Public Welfare held Tuesday, July 28, 1931, was read and ordered returned to you with an affirmative recommendation, subject to an opinion and report from the Department of Law for confirmation of the statements in the Director's communication and that of Morris Knowles, Incorporated, and for an opinion as to whether the City is obligated to have the work done by this corporation, and if not whether it is legal for the Department of Public Works with its own forces to do the

work contemplated, I advise you as follows:

A contract was entered into between the City and this Company for a sum not to exceed \$15,000.00. This, of course, was the maximum amount fixed in the contract. Instead of the work being completed within the period estimated, it took longer and there was extra work. On the limitation of the amount they could not go beyond the amount which was fixed in their contract, being \$15,000.00. If Council in its judgment believes the work was not completed during or within the period called for in the original contract, due to delay over which this Company had no control, it can authorize the execution of a contract, as above referred to.

Council has the power to transfer one of the engineers or such of the engineers as it deems necessary from the Department of Public Works to the Department of Public Welfare to oversee this work. However, there is a question in my mind as to whether the City could do the work as cheaply as this Company, the Company having all the information, plans and knowing just what is to be done.

This is purely a matter for Council to decide—whether or not to authorize the extra payment to Morris Knowles, Incorporated.

Respectfully yours,

CHAS. A. WALDSCHMIDT,  
City Solicitor.

Which was read, received and filed.

And the bill, as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Alderdice	Little
Anderson	Muldowney
Connelley	Phillips
Garland	Herron (Pres't.)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

The Chair took up

Bill No. 3812. An Ordinance entitled, "An Ordinance authorizing the proper of-

ficers of the City of Pittsburgh to purchase from C. Bai Lihme certain property situate in the Nineteenth ward for playground and swimming pool purposes."

In Council, July 27, 1931, Bill read, rule suspended, and laid over.

In Council, same day, Bill called up, read a second time and amended in Section 2, as shown in red, and as amended agreed to, and laid over for reprinting.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

July 24, 1931.

President and Members of Council,  
City of Pittsburgh.

Gentlemen:—

WHEREAS, A fire in an abandoned coal mine or mines in the vicinity of Somers street is not only a menace and a nuisance, but is endangering buildings in the immediate vicinity; and,

WHEREAS, Prompt action for the extinguishing of said fire is necessary; and,

WHEREAS, The undersigned consider the situation to constitute a serious public emergency; Now, therefore,

PURSUANT to the terms and provisions of Section 13 of the Act of May 31, 1911, relating to appropriations, we, the undersigned, the Mayor and the Controller of the City of Pittsburgh, hereby certify the existence of an emergency requiring a special appropriation of Twenty-five Thousand (\$25,-

000.00) Dollars, or so much thereof as may be necessary, to meet the same.

CHARLES H. KLINE,  
Mayor.

JAMES P. KERR,  
Controller.

Which was read, received and filed.

Also

No. 4257. An Ordinance making an emergency appropriation in the sum of Twenty-five Thousand (\$25,000.00) Dollars, for the purpose of extinguishing or confining a fire in an abandoned coal mine in the vicinity of Somers street and Wylie avenue, and authorizing the letting of an emergency contract or contracts therefor.

Which was read.

Mr. Muldowney moved

A suspension of Rule VIII, providing for the mailing of printed copies of all ordinances and resolutions to each member of Council at least 48 hours previous to the passage of such papers by Council.

Which motion prevailed.

Mr. Muldowney moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Alderdice	Little
Anderson	Muldowney
Connelley	Phillips
Garland	Herron (Pres't.)

Ayes 8. Noes none.

And all the votes of the members present being in the affirmative, the bill passed finally, as provided by Section 12 of the Act of May 31, 1911, relative to the passage of bills in case of public emergency.

#### MOTIONS AND RESOLUTIONS.

Mr. Alderdice moved

That when Council adjourns, it shall adjourn to meet at the call of the Chair.

Which motion prevailed.

Mr. Phillips presented

No. 4258.

WHEREAS, There appears to be great need for an additional thoroughfare connecting Nobles Lane with Becks Run road via Brownsville avenue and Laughlin avenue; and,

WHEREAS, The Department of City Planning has a complete topographical survey of the City of Pittsburgh and other data pertaining to proposed new traffic thoroughfare; Therefore, be it

RESOLVED, That the Department of Public Works be and it is hereby requested to instruct the Bureau of Engineering, in conjunction with the Department of City Planning, to furnish to Council at the earliest possible date, with complete plans and an estimate of the cost of providing a thoroughfare connecting Nobles Lane across Brownsville road via Laughlin avenue to Becks Run road.

Which was read.

Mr. Phillips moved

The adoption of the resolution.

Which motion prevailed.

Also

No. 4259.

WHEREAS, Many complaints have been received that at various public playgrounds there are no comfort facilities, particularly at the Arlington and Burgwin playgrounds; Therefore, be it

RESOLVED, That the Director of the Department of Public Works be requested to prepare and submit to Council necessary legislation for the construction of suitable comfort facilities at the Arlington and Burgwin playgrounds, as well as at such other playgrounds as in the judgment of the Department these facilities are recommended.

Which was read.

Mr. Phillips moved

The adoption of the resolution.

Which motion prevailed.

Mr. Alderdice moved

That the proper officers be asked to pay the expenses of the Police Revolver Team, amounting to \$550.00, and that Council pledges itself to pass the resolution authorizing the issuing of a warrant for the amount.

Which motion prevailed.

The Chair stated

That Dr. Lewin was present and had

asked Council to take care of the purchase of milk for children of an age not provided for by the Department of Public Health at the milk stations, and if there were no objections, Dr. Lewin would be heard.

Dr. Lewin stated

That since making his last request for \$15,000.00, the Welfare Committee had taken care of the proposition, but wished to be relieved, and that it would require \$5,000.00 to carry on until September, and he would ask Council for that amount, as the Board had no authority to purchase this milk during the school vacation period.

Dr. Maits, Director of the Department of Public Welfare, being present, advised Council that he could not take care of this, as his department would require an additional \$15,000.00 to take care of their milk stations for the balance of the year.

Mr. Garland moved

That the proper departments be asked to bring in either an emergency appropriation or a transfer resolution providing \$15,000.00 for the Department of Public Welfare and \$5,000.00 for the Board of Public Education.

Which motion prevailed.

Dr. J. P. Kerr, City Controller, was asked by the Chair if he could find the money, and replied that he could.

The Chair presented

No. 4260.

August 3rd, 1931.

#### NOBLESTOWN ROAD

Committee on Public Works,  
Council, City of Pittsburgh.

Gentlemen:—

In carrying out the improvement of Nobles-town road, from Obey avenue to a point near Baldwin road, in which the State participates in the cost of the work, the grading operations have uncovered an old abandoned coal mine on the easterly side of the thoroughfare a few hundred feet north of Poplar street where the old road is being widened. This is a condition which was unforeseen previous to letting the contract and the proper treatment of same will require exploratory test holes or trenches and the filling of the old mine in order to provide proper foundation for the road.

The work involved will possibly require 1,500 cubic yards of exploratory trench and 1,500 yards of proper back-filling.

We estimate that the work will cost about Twenty-five Hundred (\$2,500.00) Dollars and as we have no prices in the contract to cover such an emergency, it is requested that permission be granted the Department to do this as extra work at cost, plus 15% for profit.

Please advise us if this meets with your approval in order to avoid delay on the work.

Yours very truly,

EDWARD G. LANG,  
Director.

Recommended by:

TOM M. REED,  
Chief Engineer, B. of E.

CHAS. M. REPPERT,  
Chief Engineer, D. P. W.

Which was read, received and filed, and on motion of Mr. Alderdice, the Department was authorized to proceed with the work.

Also

No. 4261.

President and Members of Council,  
City of Pittsburgh.

Gentlemen:—

Replying to your motion, "That the Director be requested for report to be submitted at the next meeting of Council as to the cost of grading and improving property for recreational purposes now contemplated to be purchased by the City of Pittsburgh from C. Bai Lihme, situated in the 19th Ward, for playground and swimming pool purposes", beg to advise that an estimate as to the cost of the same would depend greatly on the wishes of Council whether we should include at this time the construction of a swimming pool, comfort stations, athletic fields, parking, playground equipment, etc., to meet the needs of the people of this community. However, the land is such that it can be used temporarily for recreational purposes.

If Council will express their desires as to the extent of the improvements they desire to make immediately, we shall be very glad to furnish an estimate at a very early date.

Yours very truly,

EDWARD G. LANG,  
Director.

Which was read, and on motion of Mr. Alderdice, received and filed.

Subject:

One Hundredth Anniversary Celebration  
"DUQUESNE GREYS"

To: Mr. Robert Clark,  
City Clerk,  
City-County Building,  
Pittsburgh, Pa.

Dear Mr. Clark:

The "Duquesne Greys" of the City of Pittsburgh will have been organized exactly 100 years this coming September and plans are being made to fittingly celebrate the history of this military organization. The plans include a military display, as well as a parade and review.

We feel that the entire City of Pittsburgh has been, and continues to be, interested in this organization which bears a proud military record, and for that reason we would request that the Council of the City of Pittsburgh pass a resolution on this occasion, asking the citizens of Pittsburgh to display the National Flag on the dates of September 18th and 19th.

At this writing the Regiment, now known as the 176th Field Artillery, is on military duty at Tobyhanna, Pa., but upon its return to Pittsburgh the writer will be glad to get in touch with you for further discussion of this matter.

Yours very truly,

(Signed) NICHOLAS J. SEPP,

Major, 176th Field Artillery,

Vice-Chairman of Committee.

Which was read, received and filed, and on motion of Mr. Garland, the suggestion that the citizens of Pittsburgh be asked to display the National Flag on September 18th and 19th, was adopted.

Also

No. 4263. Communication from Earl F. Reed, Attorney-at-Law, requesting that Council issue certain subpoenas in connection with the hearing relative to award of contracts for garbage and rubbish removal.

Which was read.

Mr. Garland moved

That Council follow the suggestion contained in the communication and issue the subpoenas.

The Chair stated

That he had a communication from the City Solicitor, and presented

No. 4264.

CITY OF PITTSBURGH  
PENNSYLVANIA

August 3, 1931.

Hon. John S. Herron,  
President of Council.

Dear Sir:—

In reference to your inquiry as to whether or not Council has the right to subpoena witnesses upon an application made for a hearing by a citizen, I beg to advise you as follows:

The Act of 1903, P. L. 31, provides that Council has the power to compel the attendance of witnesses, etc. in any pending case of inquiry, investigation or impeachment. The hearing now before a Committee of Council, as I understand it, is upon the letter of a citizen asking for a hearing to give Council such information as he may have in reference to rubbish and garbage contracts.

This is not an inquiry, investigation or impeachment on the part of Council, and I, therefore, advise you that under this proceeding you have no right to issue subpoenas for witnesses.

Respectfully yours,  
CHAS. A. WALDSCHMIDT,  
City Solicitor.

Which was read, received and filed.

Mr. Garland said

I do not take my law from the City Solicitor, and I renew my motion.

The Chair said

We will take up the matter at the hearing tomorrow and let the attorneys fight it out.

Mr. Little moved

That the Minutes of Council, at a Meeting held on Monday, July 27th, 1931, be approved.

Which motion prevailed.

The Chair stated

That there would be a hearing on the rubbish and garbage contract tomorrow morning at 10 o'clock.

And there being no more business before the meeting, the Chair declared

Council adjourned.

#### DEPARTMENT OF PUBLIC WORKS

Bureau of Highways and Sewers

September 22, 1931.

Subject—SECOND AVENUE

Mr. Charles A. Waldschmidt,  
City Solicitor,  
City of Pittsburgh.

Dear Sir:—

I have before me a letter dated September 17th, written to you by John Schillp, Jr., Clerk of the Finance Committee, which I return herewith and which has to do with Bill No. 4225, the same being a resolution authorizing you to satisfy a record of a lien filed in here against the property of B. Lebow and C. Marcus, 4930 Second avenue, in the amount of \$40.19.

In explanation thereof, be advised that it is another one of those errors which occur from time to time and in this particular instance, the Street Lien Clerk of this Bureau was making up his data for the filing of liens on all property owners who had not paid their assessment for the laying of their walk, and in the batch of thirty-five he made this error in filing it against their property instead of the property owned by Sophie Miller. He discovered the error and accordingly liened Sophie Miller's property, therefore, as the record now stands, lien is filed against both properties, whereas the one we are requesting you to release should not have been filed.

With this explanation I presume you will make the necessary arrangements to release the lien in question.

Yours very truly,

T. C. PILLOW,  
Superintendent.

DEPARTMENT OF LAW

September 28, 1931.

Finance Committee of Council.

Gentlemen:—

President and Members of Council,

City of Pittsburgh.

Gentlemen:—

By letter dated October 6th, 1930 and by letter dated June 15th, 1931, the Mayor and the City Controller certified the existence of an emergency and the necessity for an appropriation to meet same, as follows:—

"WHEREAS, A fire in what is apparently an abandoned coal mine near Baldwin road, 28th Ward, in the vicinity of property owned by F. L. McShane, et. al., has reached a serious condition; and,

"WHEREAS, The Fire Department has on several occasions recently been required to make hurried calls to attempt to prevent said fire affecting buildings in the vicinity; and,

"WHEREAS, Prompt action to extinguish or control this fire is necessary; and,

"WHEREAS, The undersigned consider the situation to constitute a serious public emergency; Now, therefore,

"Pursuant to the terms and provisions of Section 13 of the Act of May 31st, 1911, relating to appropriations, we the undersigned, the Mayor and the Controller of the City of Pittsburgh, hereby certify the existence of an emergency requiring special appropriations of Ten Thousand (\$10,000.00) Dollars

and an additional Sixteen Thousand (\$16,000.00) Dollars or so much thereof as may be necessary to meet the same."

Pursuant to the terms and provisions of Section 13 of the Act of May 31st, 1911, relating to appropriations, we the undersigned, the Mayor and the Controller of the City of Pittsburgh, hereby certify the existence of an emergency requiring a special appropriation of an additional sum of Fifteen Thousand (\$15,000.00) Dollars or so much thereof as may be necessary to meet the same.

#### DEPARTMENT OF LAW

September 25, 1931.

Finance Committee of Council.

Gentlemen:—

On Bill No. 4288, being a Resolution authorizing and directing the use of the sum of \$1,000.00 to be used for the celebration of the Centennial Anniversary of the Duquesne Greys on September 18, 19 and 20, I beg to advise you as follows:

The resolution as drawn authorized the Mayor and the City Controller to pay moneys out of the Contingent Fund in payment of the cost of such celebration not exceeding

\$1,000.00. It appears that the Duquesne Greys was originally organized here as a company and through various mutations has finally become the 176th Regiment of Field Artillery located in the City of Pittsburgh.

The centenary of its foundation having arrived, the celebration was had accordingly. On June 2, 1931, an opinion was written to the Committee on Public Works relative to a request for moneys for certain conventions. Generally speaking, the moneys cannot be appropriated to conventions, but the Duquesne Greys' centenary celebration is in a different category. It is a local military organization of which the City is justly proud. No moneys were appropriated directly to it, but the City officials are authorized under the Ordinance to pay moneys which they believed justified.

I therefore advise you that the appropriation can be made if Council desires to do so.

Yours truly,

THOMAS M. BRENNER,  
First Assistant City Solicitor.

Which was read, received and filed.

And the resolution was read a third time, and upon final passage the ayes and noes were taken, and being taken were:

#### REPORTS OF COMMITTEES

Mr. English presented

No. 4547. Report of the Committee

on Finance for October 6, 1931, transmitting several ordinances and sundry resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation.

Bill No. 4490. An Ordinance entitled, "An Ordinance amending Section 18, Department of Supplies, of an Ordinance entitled, 'An Ordinance fixing the number of officers and employees of all departments of the City of Pittsburgh, and the rate of compensation thereof,' which was approved January 5, 1931, and the several amendments thereof and supplements thereto."

Which was read.

Mr. English moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Alderdice

Connelley

English

Muldowney

Phillips

Herron (Pres't.)

Noes:—Mr. Garland

Ayes 6. Noes 1.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 4507. An Ordinance entitled, "An Ordinance abolishing the Bureau of Bridges and Structures in the Department of Public Works as set forth in Sections 61-62-63-64 of Ordinance 696, approved January 5, 1931, entitled, 'An Ordinance fixing the number of officers and employees of all departments of the City of Pittsburgh, and the rate of compensation thereof.'"

Which was read.

Mr. English moved

A suspension of the rule to allow the

second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. English arose and said:

Mr. President, I want to have recorded that I am voting Aye on Bill Nos. 4506, 4507 and 4508, the re-organization and transfer of money from the Bureau of Bridges and Structures to the Division of Bridges, for this reason. I am pleased that the present Director of the Department of Public Works has at last kept some of the many promises that have been made not only by this Director of the Department of Public Works, but by various other directors of that Department. In past years when new bond work was authorized they would promise Council that when the work is completed for which the extra employees were engaged, the Directors would reduce the force of employees, and only keep in service the number of employees required to maintain that division or bureau. Such is being done in the matter of the Bureau of Bridges.

I think it is the dawning of a new day, and I hope we can get the Directors of all departments to see the light in this manner; and while we haven't had time to check them to see what the saving will be, I feel we should support the Director, and I congratulate him in initiating such a program, and am pleased to cooperate with him and vote Yes on this proposal.

However, on bills transferring moneys, I wish to be recorded as voting No on Bill Nos. 4298, 4482, 4484, 4486, 4487 and 4488. It might be that I am doing an injustice to some of the divisions or city work by voting No on these transfers, but I cannot see why I should give my vote of approval in using up all the money provided for in these bills when it might be possible to save this money.

I think the Council should adopt a policy in this matter and scrutinize the balance in every code account so as to guard against the using up of any surplus funds. The general practice for years has been for the departments to spend every dollar appropriated. The only way we can stop them is to refuse to pass these transfer resolutions.

And the bill, as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Alderdice

Connelley

English

Garland

Muldowney

Phillips

Herron (Pres't.)

Ayes 7. Noes none.

#### MOTIONS AND RESOLUTIONS

Mr. English moved

That the City Solicitor be requested to appear before the Public Service Commission of Pennsylvania in the matter of the Pennsylvania Railroad Company improvements relating to Penn avenue and Liberty avenue and urge the Commission to expedite its decision with respect to the division of the costs of changing the public utilities affected by said improvements; so that immediate employment for laborers could be provided. If the Commission is not ready to render its decision then the City urges that either the Pennsylvania Railroad Company or the other utility corporations be requested to furnish bond to cover the costs involved to the end that the Pennsylvania Railroad Company would be able to start the improvements and help the unemployed of Pittsburgh. As the City and the Pennsylvania Railroad Company originally agreed to the improvements in March, 1925, the City is of the opinion that something should be started at once.

Which motion prevailed.

Mr. Muldowney (for Mr. Phillips) obtained leave and presented

No. 4673. Report of the Department of Public Health showing the amount of rubbish and garbage removed during the third week of October, 1931.

Which was read and referred to the Committee on Health and Sanitation.

Mr. Little moved

That the Minutes of Council, at a meeting held on Monday, October 26, 1931, be approved.

Which motion prevailed.

And on motion of Mr. Muldowney

Council adjourned.

#### TO THE PRESIDENT AND MEMBERS OF COUNCIL

Gentlemen:—

Answering your letter of the 2nd inst., being motion to request the City Solicitor to appear before the Public Service Commission in the matter of Pennsylvania Railroad Co. improvements relating to Penn Ave. and Liberty Ave., and urge the Commission to expedite its decision, I have to say that final argument of this case was had before the Public Service Commission at Harrisburg on October 26th and 27th last, all parties including the City of Pittsburgh being represented by counsel. After argument the Commission promised to decide the matter promptly.

As to the other part of the motion, I have to say that the City has no legal right to request a bond from either the Pennsylvania Railroad Co. or any one of the protesting utility companies.

Respectfully yours,

Chas. A. Waldschmidt,  
City Solicitor.

Which was read,

Mr. English moved

That the report be received and

filed, and that the President of Council be requested to take up the matter with the Public Service Commission of Pennsylvania.

Which motion prevailed.

## CITY OF PITTSBURGH

Department of Law

Pittsburgh, November 9, 1931.

## COUNCIL OF THE CITY OF PITTSBURGH

Gentlemen:--

On Bill No. 4645, being a Resolution for the purchase by the Bureau of Traffic Planning of four Master Controls for the sum of \$1560, I beg to advise you that the procedure endeavored to be followed in this case is not the correct procedure under the City Charter Act, which says:--

"No contract shall be let until Councils have passed an ordinance providing for the letting of the same by the Mayor and the head of the proper department."

The mere fact that the thing to be purchased can only be bought from one person or a company, etc., does not relieve from following the statute, if it can be followed. It is therefore necessary that an ordinance be introduced authorizing a contract to purchase these materials.

Yours truly,

Thomas M. Benner,  
First Assistant City Solicitor.

Which was read, received and filed.

Mr. English moved

That the resolution be recommitted to the Committee on Finance and the Department of Supplies notified to prepare the ordinance as recommended by the Law Department.

#### MOTIONS AND RESOLUTIONS

Mr. English stated

That he would like to report briefly on the Mississippi Valley Association Convention, which he attended at St. Louis last Monday; that the Governors of twenty-three States, with forty-six United States Senators, and a majority of the lower branch of Congress, are enlisted for the promotion and consummation of the work; that nearly every speaker emphasized the fact that the canalization of the Monongahela and Ohio rivers had helped their district, for which reason the Board of Directors of the Association, the members of which are from at least twenty-three States, passed a resolution asking the United States Government to issue bonds in the sum of \$500,000,000 to commence and complete this waterways improvement work within the generation of those active in the movement, which was adopted by a vote of three to one; that it behooves Pittsburgh to get busy with the Ohio River-Lake Erie canal project; and if it so happens that Congress issue bonds, it might be wise for Council to petition the Congress of the United States to adopt this bond issue, and when it does, this district will probably receive its share.

Mr. Muldowney moved

That the report be received and filed, and that Mr. English be tendered a vote of thanks for the efficient manner in which he performed the duty assigned him.

Which motion prevailed.

And on motion of Mr. Garland

Council adjourned.

#### CITY OF PITTSBURGH

Office of the Mayor

Charles H. Kline, Mayor

November 30, 1931.

To the President and

Members of Council,

City of Pittsburgh.

Gentlemen:

I transmit herewith the tentative budget estimates for the year 1932.

These figures will require a tax levy on land of twenty-five (25) mills, which is a reduction of one-half ( $\frac{1}{2}$ ) mill from the 1931 rate.

It is possible to make further reductions but due to the depression, it is a matter of importance as to just what these reductions should be. I refer to,

1. Curtailment of public service.
2. Reduction in the number of City Employees.
3. Reduction of salaries of City employees.

It is a serious matter, with so much unemployment due to the world-wide business depression, as to how far the City should go at this time in these three matters.

The City has endeavored, through the furlough system, to stagger the employment of the City employees as an experiment which might guide us for the year 1932. The experiment has not been in effect long enough for me to give you any definite suggestion at this time.

I invite the co-operation of Council and all the civic bodies, and I will be glad to confer with you at any and all times in this very important matter.

Respectfully submitted,

CHARLES H. KLINE,  
Mayor.

Also

No. 4798. Departmental Estimates for Budget of City of Pittsburgh for the year 1932.

Which were read and referred to the Committee on Finance.

Also

No. 4799. Communication from W. R. Bray, 1052 Steuben street, requesting repairs to and widening of Berdella street.

Which was read and referred to the Committee on Public Works.

Mr. Little presented

No. 4800. An Ordinance accepting the dedication of certain property in the 14th Ward of the City of Pittsburgh for public use for highway purposes, opening and naming the same Guarino road, fixing the width and position of the sidewalks and roadway thereof, and establishing the grade thereof.

Which was read and referred to the Committee on Public Works.

Mr. Phillips presented

No. 4801. Report of the Department of Public Health, showing the amount of rubbish and garbage removed during the fourth week of October, 1931.

Also

No. 4802. Report of the Department

of Public Health, showing the amount of rubbish and garbage removed during the third week of November, 1931.

Which were read and referred to the Committee on Health and Sanitation.

The Chair presented

Also

No. 4810. Report of the Department of Law on request of the National Hunger March Committee for an appropriation to provide meals and shelter for 500 unemployed marchers who will parade through Pittsburgh on December 4th and 5th to Washington, D. C., and on their return, December 9th and 10th.

Which were read and referred to the Committee on Finance.

Mr. English presented

No. 4811. Communication from the Pittsburgh Real Estate Board relative to the leasing of the cigar-stand on the first floor of the City-County building.

Which was read and referred to the Committee on Finance.

The Chair stated

That the matter would be given further consideration at the Committee meeting tomorrow.

P. Chapa, representing a committee from the Unemployed, obtained privilege of the floor and stated

That their committee renewed their request for shelter for the five hundred men on their way to and from Washington, D. C., also four meals for each man and gas and oil for the trucks.

The Chair stated

That Council was unable to make any direct provision, but would take up the matter with the Department of Public Welfare and the other welfare organizations.

Rev. Alexander Gibson, of the Helping Hand Society, appeared at this time and stated that his organization would be able to feed these men during their stay in Pittsburgh; that the society did not have sufficient beds, but would at least see that the marchers would be in out of the weather and a blanket provided for each. That they would try to work out something to provide gas and oil.

No. 4815.

DEPARTMENT OF LAW

Pittsburgh, November 30, 1931.

Council of the City of Pittsburgh.

Gentlemen:—

On Bill No. 4432, being an ordinance amending an ordinance regulating the construction, etc., of buildings for the storage of automobiles, known as Classification No. 7, this Bill I think is inartificially drawn.

The particular Sub-paragraph (a) of Section 8 has been amended and no reference to that amendment is contained in the Bill before you. The last sentence of the proposed amendment is as follows:—

"Such gas units may be placed anywhere in garage buildings when vented, so as to comply with the rules of the Bureau of Building Inspection."

I do not understand that the Bureau of Building Inspection makes rules, within the meaning of the above language. There are numerous ordinances of Council, as well as statutes of the State regulating in minute detail the construction of all kinds of buildings, and providing for their heating, etc. Whatever was in the mind of the draftsman of the amendment, it does not accomplish the purpose he intended.

The Bill should be amended in the following particulars:—

In the title, which reads in part, "An Ordinance amending sub-paragraph (a) of Section 8," the word "further" should be inserted between the words "Ordinance" and "amending". At the end of the title should be added the words, "as amended by Ordinance approved July 31, 1921."

The last part of Section 1, first paragraph, should be changed to read as follows:—

"Approved April 4, 1921, as amended by Ordinance approved July 31, 1929, shall be and the same is hereby amended by adding the following:

"The last sentence of the proposed amendment, which reads as follows:—

"Such gas units may be placed anywhere in garage building when vented, so as to comply with the rules of the Bureau of Building Inspection." should be changed to read as follows:—

"Such gas units shall be vented, as provided by Ordinance of Council."

Very truly yours,

THOS. M. BENNER,

First Asst. City Solicitor.

Which was read.

Mr. Garland moved

That the bill be recommitted, and the report be referred, to the Committee on Public Safety.

Which motion prevailed.

Mr. Alderdice moved

That the Minutes of Council, at meeting held on Monday, November 23rd, and on Tuesday, November 24th, 1931, be approved.

Which motion prevailed.

Mr. English stated

That as Council had the printed budget, he would ask that the Committee on Finance meet as the Budget Committee on Tuesday morning, December 1st, 1931, at 10 o'clock, if satisfactory to the members.

And on motion of Mr. Garland

Council adjourned.

Mr. Muldowney moved

That the minutes of Council, at a meeting held on Wednesday, November 25, 1931, and on Monday, November 30, 1931, be approved.

Which motion prevailed.

Mr. English arose and said

"Mr. Chairman: Two weeks ago I presented a resolution, which was adopted, asking that the Council send certain questions to the Director of the Department of Public

Safety with reference to turning off the traffic lights on the day of the Army-Pitt football game.

"I think it is only fair to say that they kept the lights on last Saturday, and in my opinion the traffic was handled so much more efficiently, and there was no stoppage on the boulevard.

"When I have just criticism to make, I think the Department should know it, and if they are entitled to a compliment, I think they should be complimented."

Mr. Little presented

No. 4851.

WHEREAS, Due to the unprecedented unemployment situation in the City of Pittsburgh at the present time, and the fact that in some instances, it has been established that both husband and wife in the same families are employed, this to the detriment of families badly in need of work for their support; and,

WHEREAS, By eliminating from the payroll of the City of Pittsburgh, such employees who also derive additional income through their husband or wife (as the case may be) also being wage-earners, much relief could be afforded needy families; Now, therefore, be it

RESOLVED, That the Mayor be and he is hereby requested to determine, through proper survey, any person on the payroll of the City of Pittsburgh, whose income is augmented by that of an employed husband or wife, and that such person be requested to resign his position with the City of Pittsburgh until such time as normal employment conditions are restored; and that failing to thus voluntarily resign, the Mayor be and he is hereby requested to indefinitely suspend, without pay, such employee.

Which was read.

Mr. Little moved

The adoption of the resolution.

Mr. English stated

That he believed Council had no right to pry into the personal business of City employees.

And the question recurring on the adoption of the resolution, Mr. English demanded a call of the ayes and noes, and the demand having been sustained, the ayes and noes were ordered taken, and being taken were:

Ayes:—Messrs.

Alderdice	Little

Mr. Connelley presented

No. 4914.

#### PITTSBURGH REAL ESTATE BOARD

Pittsburgh, December 21, 1931.

To the President and Members of  
City Council,

City of Pittsburgh,  
City-County Building,  
Pittsburgh, Pa.

Gentlemen:

We wish to express to you our appreciation of your action this morning in Budget Committee in reducing the millage for next year to 23 mills on land and 11½ mills on buildings.

We are cognizant of the fact that Pittsburgh is one of the most expensive cities in the world to maintain, with our topography, our rivers, hills, ravines, and the natural obstacles that must be overcome, it

is bound to cost more than cities of comparable size having a different type of topography. We also fully appreciate that you gentlemen have been importuned from time to time for improvements which have meant a material increase in taxation, and without referring at all to the necessity of these past improvements, or their cost, it is only natural to assume that they must be paid for.

Your action this morning, which is in keeping with the present times, will have a far-reaching and psychological effect on the commodity of real estate which bears the majority of the burden of taxation. We feel that the reduction in taxes for next year will create confidence in the minds of property owners and will help to restore some of the lost values which are as essential to the taxing authorities as they are to the owner.

When it is taken into consideration that our National Government, many States, and a great number of large cities are facing increased taxes, Pittsburgh is to be congratulated on a reduction at this time, and we sincerely feel that our newspapers should broadcast to the Nation that Pittsburgh, "The Industrial Center of the World", has been able to reduce the tax millage for next year and through its example it may be possible for other taxing bodies to do likewise.

We wish to thank you gentlemen for your courtesy in considering the many suggestions we have made to you in the past, and, while it is true that we had hoped for a 3-mill reduction at this time, we feel that for economical reasons your action is justified. Council has shown its evidence of good faith in fixing the millage for next year and there is no doubt but what, if proper budgetary control is exercised during 1932, and if receipts from taxes as estimated will be received, a further reduction in the millage can be made in 1933.

Again thanking you for the splendid cooperation on your part, and assuring you of our willingness to serve you in the future, as we have in the past, we are

Respectfully yours,

Pittsburgh Real Estate Board,  
Community Research Bureau.

R. L. McCallip,

Chairman.

Which was read.

Mr. English moved

That the communication be received and filed, and the President of Council be directed to send a letter of appreciation to the Pittsburgh Real Estate Board.

Which motion prevailed.

Mr. Muldowney moved

That a vote of thanks be tendered to Mr. J. R. Brady, of the Real Estate Board, for his interest and support during the Budget Sessions.

Which motion prevailed.

Mr. English arose to a question of personal privilege and asked that the following be printed in the Record:

#### UNJUST CRITICISM

The following article was sent to the Pittsburgh Press for publication, but to date has not been published, and the Weekly News takes this opportunity, in fairness to Mr. W. Y. English, in bringing it before the public:

Pittsburgh, Pa., December 12, 1931.

The Editor, Pittsburgh Press,  
Pittsburgh, Pa.

Dear Sir:

In your issue of the 10th there appeared an article under the heading "English Attacked at Pleasant Hill", in which the Pleasant Hill Civic Association (Sheraden) pictured Mr. English as "a man of many promises" because of delay in the improvement of Ladoga street from Middletown road to Windgap avenue, Ingram.

This criticism, whether made by an individual or by the Civic Association as a whole, is unjust, unfair and without knowledge of the facts concerning the matter, and in a spirit of fairness to Mr. English I cannot refrain from replying thereto.

To begin with, I do not believe that Mr. English ever made a definite promise to the residents of the Pleasant Hill Plan, or their Civic Association, that this section of Ladoga street would be improved at any certain time. I base my doubt upon the fact that

I have acted as Chairman of the Civic Committee of the Sheraden Board of Trade for the past four years, and have been constantly in touch with Mr. English for the past year or more in reference to this improvement.

In my four years' experience as Chairman of our Civic Committee, there has not been a single request of major importance to our community made to Mr. English, on which he has promised his support, that has not been fulfilled. Requested improvements may not have been made at once, but they were kept in mind by Mr. English, and when the opportune time came, his promises were fulfilled.

It should not be necessary for the writer to go into detail as to the history of Ladoga street, the cause for the delay in its improvement, obstacles to be overcome, etc., as all these should be known to the Pleasant Hill Civic Association, but I will just state one primary reason for part of this delay.

Half of Berry street from the intersection of Ladoga street and Windgap avenue is in the Borough of Ingram and has been in equally as bad condition as Ladoga street. It was Mr. English's idea to have both these sections improved at the same time, thus making a complete improved thoroughfare between Sheraden and Ingram. To do this it was necessary to get Ingram to join with the city in the work. Almost eighteen months' effort by the writer was required before definite advice was received from the Borough of Ingram that they would join the city. This advice was received March 7, 1931. The causes of non-action on the part of City Council since then are well known to everyone reading the daily papers.

Very truly yours,

C. F. Hunter, Chairman,

Civic Committee, Sheraden  
Board of Trade.

The Editor of the Weekly News wishes to add that the Pleasant Hill Association owes Mr. English an apology for its untrue and unjust criticism. As President of the Sheraden Board of Trade, I wish to verify everything Mr. Hunter has stated in the above article. The Sheraden Board of Trade has had this matter up for the past eighteen months, and Mr. English has done everything in his power to have this improvement made, and will if given a little time, but

it is impossible for him to accomplish everything at once. There are improvements in other sections of the city which must also be taken care of.

If the Pleasant Hill Association would co-operate with the Sheraden Board of Trade, and do less criticising, more could be accomplished. Mr. English has always co-operated with our Board, and every major improvement we have asked for has been granted. In fact, the Pleasant Hill Association has been treated remarkably well in the way of improvements for the short time they have been in existence. Again I repeat, the way to get improvements is to co-operate, not criticise.

Mr. Alderdice moved

That the following members be excused for absence from council and committee meetings:

Mr. Alderdice on July 7, 8, 18, 28; October 7, 1931.

Mr. Anderson on June 30; July 1, 14, 15; September 17, 29; October 5, 6, 7, 13, 14, 19, 20, 28; November 2, 4, 12, 23, 30; December 7, 1931.

Mr. Connelley on June 23, 24, 29; September 28; November 4, 16, 17, 18; December 8, 9, 1931.

Mr. English on July 13, 14, 15, 20, 21, 22, 27, 28; August 3, 4; September 22; November 10, 12, 23, 24, 1931.

Mr. Garland on September 17, 21, 22, 23; October 28; November 23, 24, 25; December 14, 15, 16, 1931.

Mr. Little on June 29; October 7; November 4, 24; December 2, 1931.

Mr. Muldowney on June 23, 30; July 1, 7, 15, 22; August 4; September 17, 21, 22, 23, 28, 29; October 5, 6, 7; November 4, 17, 30; December 1, 2, 17, 18, 1931.

Mr. Phillips on July 21; October 14; December 15, 1931.

Which motion prevailed.

Mr. Little moved

That the Minutes of Council, at the meeting held on Monday, December 14, 1931, be approved.

Which motion prevailed.

Mr. English stated

That there would be a meeting of the Finance Committee immediately upon adjournment of Council.

Mr. Connelley stated

That he would be ready at an early date with a report of his visit to Washington, D. C., attending the meeting of the Rivers and Harbors Committee.

The Chair stated

That there would be a special meeting of Council on Wednesday, December 23, 1931, at 1:30 o'clock, P. M., and on Thursday, December 24, 1931, at 10:30 o'clock, A. M., to consider business from the Finance Committee.

And on motion of Mr. English

Council adjourned.

No. 4949.

December 28th, 1931.

President and Members,  
City Council.

SUBJECT: Bill No. 4858.

Gentlemen:

Your letter of the 22nd inst. received.

The above bill is a Resolution for a war-

rant in favor of the Western Sound Products Company for \$542.38 covering balance due for the month of November, 1931, for inspecting, adjusting, repairing and replacing all defective parts and inspecting, adjusting and maintaining all parts of the Police Radio Station, which Resolution was ordered returned to Council with an affirmative recommendation and that Council be furnished with a report, when the Resolution comes up for final action, as to whether or not a reduction cannot be affected in the handling and billing costs in the parts used in the repair of the radio system or any part thereof.

Replying thereto, please be advised that, if the City through the Department of Supplies, were to undertake the purchase of the necessary parts incident to the proper maintenance of the Radio Station and the Receiving sets in the 30 automobiles now in operation, it would be necessary to maintain a supply of tubes, batteries, spare receiving sets, loud speakers and miscellaneous parts in an indeterminate quantity and by reason of having an inventory of this kind, the City would have stock losses which it is impossible to estimate but over a period of one year, the amount can be a substantial sum.

The frequent exchange of batteries in each of the radio-equipped cars caused by the constant 24-hour drain, is running up the cost of maintenance but we have now under consideration, an arrangement whereby there will be considerable saving in this item by modifying our present sets and having our cars on intermittent operation, thus lengthening the useful life of batteries.

We have considered the matter of maintenance cost from every angle and believe that under the present arrangement, the in-

terests of the City are being served to the best advantage. Although there is a charge of 20% for handling and billing materials used, yet, we must consider the advantage to the City in securing this material at current wholesale prices and the saving affected in not having to contend with breakages in handling and stock losses by depreciation.

Yours very truly,

JAS. M. CLARK,  
Director.

Which was read, received and filed.

And the resolution was read a third time, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Alderdice	Garland
Anderson	Little
Connelley	Muldowney
English	Phillips
	Herron (Pres't.)

Ayes 9. Noes none.

And there being two-thirds of the votes of Council in the affirmative, the resolution passed finally.

Mr. Muldowney moved

That the Minutes of Council, at meetings held on Monday, December 21, 1931, and on Wednesday, December 23, 1931, be approved.

Which motion prevailed.

Mr. English moved

That Council meet in Budget Session immediately upon adjournment.

Which motion prevailed.

And there being no further business before the meeting, the Chair declared

Council adjourned.

#### REPORTS OF COMMITTEES.

Mr. English presented

No. 4950. Report of the Committee on Finance for December 28, 1931, transmitting an ordinance to council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 4928. An Ordinance entitled, "An Ordinance amending and supplementing an ordinance entitled, 'An Ordinance fixing the number of officers and employees of all departments of the City of Pittsburgh and the rate of compensation thereof,' approved January 5, 1931, and the several amendments and supplements thereto."

Which was read.

Mr. English moved

A suspension of Rule VIII, providing for mailing of printed copies of all ordinances and resolutions to each member of council, after the return of such papers from committee, at least 48 hours previous to their consideration by council.

Which motion prevailed.

Mr. English moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

Mr. Garland asked if the bill was in accordance with the action of the Finance Committee.

The Clerk stated that Mr. Breitenstein was present, and Mr. Breitenstein being interrogated stated that he would certify the bill was in accordance with the action of the Finance Committee.

And the bill was read a second time.

Mr. Garland arose and said:

Mr. President, I would like to make

a few remarks. I would like to make two motions, to correct inequities which I consider are in this bill. As you gentlemen know, I didn't have an opportunity of analyzing these changes until they came before the committee at the last hour. I intend to vote for the bill, but there are two places where I think it should be amended, and by amending the bill it is merely laid over until tomorrow, when it can be finally passed.

I don't believe it is right to reduce one man's salary 25 per cent, when others are only reduced 10 per cent. I have reference to the Chief Engineer in the Department of Public Works. I have too high a regard for the engineering profession to make such a drastic cut. The County paid \$15,000 to an engineer in a similar position. I think we are going too far when we cut this man's salary 25 per cent. I want to make a motion that we cut it 10 per cent, or to \$9,000.00 a year.

Mr. English said:

Mr. President, I don't want to be discourteous by not seconding Mr. Garland's motion, but I want to inform him that this was fully considered by me in framing the reduction, and I took the matter up with Mr. Reppert. Mr. Reppert fully realized as well as the members of Council that he was appointed in 1926 when we had a large group of bond projects under construction, which projects are all completed, and he is satisfied with the cut that has been made in his salary.

Mr. Garland said:

I am satisfied. Now, I want to make a motion, and I want to say a few words before making the motion. I think this council will look better in the eyes of the people themselves if we will take a little dose of the same medicine, and I move therefore that the councilmen's salary be cut 10 per cent.

Mr. English arose and said:

Mr. President, I want to say a word in regard to that. You will recall just as the session opened, I made a motion that Messrs. McArdle and Soost, newly-elected members of Council, be furnished a copy of the budget and invited to attend our meetings, and notwithstanding the fact that we invited them to sit with us, we never heard anything from them. They are not here and I think it best to allow this to go

over until they are sworn in as members, when they can decide for themselves as to whether they will vote for such a cut.

Mr. Phillips arose and said:

Mr. President, I brought that question up some time ago, and the action was that Council give up two weeks of their salary, amounting to \$333.00, and according to our present situation a reduction in the way of a furlough will be taken this year amounting to \$666.00, or about eight per cent. I refrain from voting on the motion for a 10 per cent reduction because I am retiring from Council this week.

Mr. Garland arose and said:

Mr. President, May I say that remarks are not in order because the motion was not seconded. However, two members have spoken, and I would like to say to Mr. Phillips that the cut of eight per cent which he refers to applies to practically all city employees. They all did that this year, and some of them are being cut beyond that. That does not signify very much. I want to point out that it is within the province of Council in making the appropriation ordinance to fix the salary of Council. The law provides that very distinctly. It is not like the heads of departments whose salary is fixed at so much per annum. It is obligatory; it cannot be increased or reduced, but in the case of a councilman's compensation it is different. The law says that Council can fix its salary at not less than \$2,500.00 nor more than \$8,000.00. I will admit this is one case where I belong to a union. I believe all city employees should be treated alike, and we should not reduce some salaries ten per cent, especially those city employees who are sending their children to school, inflicting hardships upon them; and as I said before, Council should take the same dose of medicine. If it fails here, I will bring the matter up again in the new Council.

Mr. Little arose and said:

Mr. President, This was brought up before the budget session and it was taken up with the Mayor and we decided that we would not do this, but would put in effect during the year the staggered system. We did that this year and gave two weeks of our salary. I have only had the benefit of the increase in Council's compensation for the past two years, of \$8,000.00, and prior to that four members of Council had the

benefit of the increased pay while five of us received \$6,500.00. If the majority of Council think such a reduction should be made, I can get along with the ten per cent cut. I think it is a rather late date to bring up this subject when we are voting for this budget. The proposal should have been submitted when we started consideration of the budget. However, Mr. Garland said he is going to bring it up in the next session of Council. We should wait until that time.

Mr. Phillips arose and said:

Mr. President, Council has given up five per cent of its salary. I suggested the 10 per cent and was overruled, and perhaps the staggered system is better for the time being. I don't believe Council should act hastily on this matter.

Mr. Anderson said:

Mr. President, Speaking on the bill, there are a number of items in here that I am opposed to. I don't feel that this Council has done right in eliminating jobs in certain places and keeping others in the same jobs doing identically the same work.

In regard to the Superintendent of City Property, this Council thought so much of that bureau that this year they created a job of Assistant Superintendent at \$4,000.00 a year. Now, they are doing away with both jobs. If you don't need a superintendent there you don't need them in any other bureau. The same with the Chief Clerk in the Health Department. If you don't need a chief clerk in the Health Department, you don't need a chief clerk in any in any department. I agree with the Council in regard to the cuts.

During last year there were hundreds of jobs created by this Council. I don't know how many were eliminated. I haven't had time to go through it. I thought the meeting would be on Friday, because of the inability of the printer to get it ready for today's meeting.

During the year I had the clerks go through the budget and make up a list of jobs created and the salaries created by the jobs and the amount of moneys spent for the creation of these jobs. Now in eliminating jobs in this bill, you have eliminated jobs that men had perhaps 10 or 15 years, or maybe longer. Here are jobs created this year by this Council. I didn't know before, but I venture very few of them were taken

out, but the old men giving faithful service to the City of Pittsburgh, their jobs are eliminated. All of these new jobs, but quite a few of them, I guess 80 per cent are still in this bill. I don't think the right thing has been done, and for that reason I am going to vote against it.

According to the reports I have from the City Clerks there has been granted a total increase from March, 1930 of \$435,161.00 in creating new jobs, and therefore making an expenditure of that amount of money. I don't think that is the right thing to do. If you are going to eliminate jobs you should do it the same way as a man in business. You should reward the faithful workers in the city service. In nearly every instance the creation of these jobs I opposed during the year. The reason for their creation was temporary employment, and now they are permanent, and it would take dynamite to remove them.

It has been truly said that this is one of the most drastic cuts that has ever been made. I realized this when the tax rate was fixed. However, I have no quarrel with any member of Council. I am only giving my reason for voting against this bill. It is not necessary to go into every item of the bill. There are many items in this bill that I don't agree with. I think this question should be given a lot of consideration. You still have it before you to do as you please as far as I am concerned.

Mr. English arose and said:

Mr. President, I would like to ask the gentleman one question. You related, Mr. Anderson, about \$435,000.00. I want you to answer if this amount is for new positions.

Mr. Anderson arose and said:

Mr. President, It is the increased amount of salaries and wages allowed in the several departments of the City of Pittsburgh since March 1, 1930.

Mr. English arose and said:

If you have read it, you ought to know whether it is increases in salaries or for the creation of new positions. I want to know whether it is all new jobs. Is the \$435,000.00 for the creation of new jobs?

The Chair said:

Mr. Anderson, can you answer the gentleman?

Mr. Anderson said:

Mr. President, I have answered the gentleman.

Mr. English arose and said:

Mr. President, He said they were all new jobs created in 1930. Now, I want to know if it is possible for him to differentiate between new jobs and the amount of increases allowed.

Mr. Anderson arose and said:

Mr. President, He can take these jobs and juggle them around from one department to another. This report I have from the City Clerks is a "statement showing comparative increases and decreases in number of employes and amount of salary and wages in the several departments of the City of Pittsburgh from March 1, 1930 to date." I didn't say they were all new jobs.

Mr. English arose and said:

If you don't know whether they are all new jobs or increases in salaries, I suggest that you amend your original statement and say they are both new jobs and increases in salaries since that time. You said there was created \$435,000 worth of new jobs in 1930. I cannot recall such action by Council. Do you mean an additional \$435,000.00 was appropriated and that included the creation of new jobs and increases of wages and salaries?

Mr. Anderson arose and said:

Mr. President, That is what I meant.

Mr. English arose and said:

Mr. President, It is apparent that some people are disappointed. The members of Council, however, had the courage to rise to the occasion and reduce the tax rate  $2\frac{1}{2}$  mills on land, which, of course, carried the reduction on buildings, of  $1\frac{1}{4}$  mills. I don't know whether there are many people in Pittsburgh who want to take advantage of depressed conditions to continue agitation and stir up strife and turmoil in the City Government. I hope if there are any of that type, they either diminish or come forward with a definite attack on this budget and appropriation bill. It is too bad that the whole world is suffering from depression, and perhaps it is unfortunate that the public's attention is not attracted to an item like this \$435,000.00. I venture this prediction that if the list of \$435,000.00 is carefully analyzed you will find in all, probably about \$300,000.00 of it is for increases in salary to a great rank and file of perhaps thousands of city employes, and perhaps

the other \$135,000.00 would be for increases in the number of city employes. If one would analyze that number of new employes, perhaps you will find 50 or more policemen and perhaps 30 or 40 firemen, and if you go further and look back in 1929, you will find the cause for this \$435,000.00. You will find it was the result of the increase of the pay of the uniformed members of the police and fire departments, because 117,000 people, aroused by the propaganda of the Chamber of Commerce and other civic organizations, and aroused by editorials in the newspapers and aroused by public advertisement by department stores, to vote on the referendum, and they voted favorably for increasing the salaries of the policemen and firemen. That was carried by a vote of 117,000 at the primaries in September, 1929, when some of the members of Council were candidates for renomination. I cannot recall of a single letter in any newspaper protesting against the approval of the referendum of the increase in the pay of the policemen and the firemen, which totalled \$921,000.00. I cannot recall of a single mass meeting of any kind at any place, large or small, in the City of Pittsburgh where a single voice was raised in protest, asking anybody to vote against that proposed increase in the cost of government of \$921,000.00. Now, the referendum which the people voted on in September, 1929, was merely advisory to the Council. It was not mandatory. The policemen and the firemen had obtained from the Legislature a bill which was signed by the Governor of the State, making it a law permitting the City of Pittsburgh to place that question on the ballot for the people's consideration. Nobody protested at Harrisburg; nobody protested in the September primary election when it was approved by a vote of 117,000.

Mr. Phillips asked:

How much millage was that?  $1\frac{1}{4}$  mills?

Mr. English continued:

Yes. When it came time for Council to authorize those salaries and as a consequence the levying of a tax rate and making the appropriation to meet it, what do we find? We find the Council was banded together in two groups, six men on one side, classed as anti-administration, and three on the other side, classed as favorable to the administration and everybody knows that in this Council, a majority vote rules.

A motion was made and the tax levy was increased one mill. One mill would bring in, at that time, \$760,000 or \$750,000. While the people had approved this increase of \$921,000.00 the members of Council approved it, and six votes in Council fixed that tax levy at one mill increase. Some of them retired from Council. They left the rest of us to devise ways and means to obtain the \$921,000, when they only gave us a tax rate to bring in \$750,000. This Council met that situation. We talked frankly to the policemen and firemen and advised them that we could not give them the money for the entire year as the taxes were only increased one mill. They realized the difficulty and they patiently waited two months. We had to pass a salary bill for two months at the old pay and then we passed another bill for the balance of the ten months of 1930, giving them the increased pay which the voters had approved.

There may be a question of opinion as to whether the Council was wise in granting pay increases to other employees now that the 2,000 uniformed men in the Police and Fire Bureaus had obtained a favorable vote at the polls. This voters' referendum was unprecedented in the City of Pittsburgh. It had never happened before. In the face of this situation, what could the Council do with the other 4,000 city employees? Could we afford to have a disgruntled and dissatisfied group of 4,000 employees feeling that they were without consideration because they did not go to Harrisburg and have a law passed to put an increase on the ballot for them. Therefore, it was necessary that we do something for this group of city employees. I submit that any man in business could not afford to have a divided house. No divided organization can exist. This was true in the Civil War between the North and the South when the Union was nearly disrupted. The same is true of the World War when the Allied Countries were being separated by the Entente and it was not until the United States joined the Allies and furnished the balance of power which won the war. The Allies were saved from disintegration as the Entente who was taking them off one by one, did not stand together. We practiced that same kind of management in city government and spread an increase among great groups of city employees of \$10.00 a month, and every member of Council was glad to do such a thing because it was the right thing

to do. We did not do it to help us politically, because some of us had nothing to gain politically, for we had just been re-elected, and therefore there was no benefit to be gained by taking such a step. That was done at the same time the policemen and firemen received their increase, and it was done at a time when the country was prosperous and everybody was getting along financially, and the World was on an even keel. We did not feel any World tremble then as we do now, and God grant that it does not grow any greater, and that this Nation and every nation on the globe will get back on an even keel. There is a vast difference between the times when these increases were granted and the conditions of 1931.

For months, this Council was called a "Controlled Council." I never thought this was so, and any time any question came before the Council which I thought was right I voted for it, and when I thought it was wrong, I voted against it, and this can be said honestly about every man sitting in Council. We have had political friends for years. One time we might be with one group and another time with another group. Sometimes the vote in Council would be five to four. At this point, I want to say that when I came in Council, it was always five to four, and for the minority to get recognition from the majority nearly created a riot. This is true and the records of Council will bear out this statement. Refer to the records and read the things I said about the budget in 1914, which created a deficit of \$1,200,000 and which was spread over a period of the following three years. Look at the deficits and see if Mr. English ever voted for a bill that carried a deficit.

You gentlemen will recall that during the budget session, I called your attention on more than one occasion, to the depression which has gone around the world. I said to you men in the Finance Committee what I had read about the world depression; I found that every country in South America had been overturned either in election or by blood revolutions. The only place that has not been disturbed by a revolution in this southern hemisphere is Cuba. The other countries, Brazil, Ecuador, Peru, Bolivia, Argentine and Chile—all of these states have been turned upside down by revolutions physically and politically, because of the world depression. Anybody with intelligence knows that the greatest thing produced in

Brazil is coffee, and when the depression hit America, the best customer that Brazil had, it affected the finances of Brazil. Our people were laying close and not buying stocks of coffee, and Brazil, notwithstanding the fact that it had borrowed \$125,000,000, collapsed. Also, Great Britain and Belgium with the rubber industry in Africa has felt the depression.

Our own people, among them Henry Ford, Edison and Firestone, attempted to get out a synthetic rubber and start rubber plantations in this country to beat the British who were holding up America with high prices for rubber. Great Britain, as a result of the depression, had to cut the price of rubber. The same thing is true all over this world.

We had our own trouble in Pittsburgh. The great Bank of Pittsburgh needed a little help—a few million dollars. England went off the gold standard. The Bank of Pittsburgh could not be saved. This is not the only case of a bank failure. We have had quite a number close in Pittsburgh and about 2,700 banks in the United States have closed their doors. The country is all right, but conditions have arisen over which we do not have any control. What are we going to do in trying circumstances like these?

Let me refer to the matter of "Controlled Council" again. I am going to refer to one incident as a matter of fact. We had the City Planning Commission submit a request for \$25,000.00 for a topographic survey and when the item came up for consideration, a report was furnished the committee by the Controller wherein he said that \$273,000 had been spent in the City and \$165,000 in the County over a period of nine years, from 1923 to 1931, inclusive. In all that time, the County has paid only \$35,000 to the City for the work done by the City for the County for the years of 1924 and 1925. It was reported to us that the County had been asked to pay its share and it refused, and the Chairman of the Board, Mr. Armstrong, said that they would not pay anything. Mr. Brown, then Director of the County Public Works Department, said that such a survey would not be of any assistance or aid to the County in their work. We knew this for the past two years, and yet our records in the Controller's office show that something like \$60,000 was spent on this work in the years 1930 and 1931 for the County. Mr. Monteverde appeared here

to plead with us to allow the item of \$25,000.00 for the topographic surveys and maps, etc. I said publicly to him, "Mr. Monteverde, if Mayor Kline had done a thing like that, they would call it criminal—to continue to spend city money for surveys in the County and not get a cent from the County for this work." That is just one item, and yet you do not find any publication given that matter.

We find the newspapers, the Civic Club, the Chamber of Commerce, the Allied Boards of Trade, and kindred organizations on all sides, asking that we lower the cost of government. I hope, Mr. President, there are none so mean; I hope there are none so small in Pittsburgh, that would let their politics interfere with their decency as citizens and residents, to think that Council would not act for the best interest of all concerned. We arose to the occasion, and I am frank to say that the cut we made is too big in the face of a possible 82 per cent collection of taxes. For years, we have been estimating on a collection of 86 to 88½ per cent of taxes. However, this year, the money did not come in. Take the bare difference between 82% and 88%, or 6% taken off the tax estimate of \$16,000,000 and you find the figure of \$960,000. That is the amount that is not in the City Treasury today because the people have not paid their taxes. It might be that there are some taxpayers who had not paid their taxes for fear of future financial trouble. Let us hope they are few. There might be many who possibly cannot pay their taxes, because of the great list of unemployed, and this is true of cities all over the world, not alone in Pittsburgh. I predict that if the people do not pay the taxes any better in 1932 than they paid in 1931, we are going to face another cut and another furlough. We will have to keep on meeting it. This Council has bravely met this serious situation, and we are ready for the future. We have placed in this bill something never done before and I call your attention to this new clause "That the Mayor and the heads of the several departments and offices of the City of Pittsburgh are hereby authorized, empowered and directed to prescribe furloughs without pay, from time to time, in order to restrict expenditures for salaries and wages within the amounts appropriated for such purpose, or to restrict expenditures within actual or estimated cash receipts of the City of Pittsburgh for the fiscal year",

and mark this one, Mr. President, "provided, further, that no compensation shall be allowed any employe for time absent from duty, except in cases of sickness vouched for by a physician's certificate, or by proper legislative act of Council."

That is absolutely necessary, Mr. President, to protect this Council from unfair dealings from anybody in or out of this administration.

Now my earnest hope is that everybody on the city payroll will cooperate with this desperate effort that the Council has made to bring peace, comfort and happiness, as far as we can, without injuring our beloved city. We have cut the tax rate; we have burned the bridge behind us. Now, we must complete it. Somebody has to do this and defend our acts, but I say if everyone will treat this bill and the companion bill—the appropriation bill—fairly, like we try to treat the taxpayers and the employes, and if all will do their work with a smile, everything will turn out all right. Thank God, we are not in the position Philadelphia finds itself, calling upon the Legislature to furnish aid; nor are we in the position Chicago and Detroit find themselves. According to the statements appearing in the papers of yesterday, a ten per cent reduction is to be made on all employes of Detroit and a further cut of 10 per cent on all salaries of \$4,000.00 and more. We have no city employes trying to get their pay when the city is unable to pay them. The City of Pittsburgh is able to pay, and the credit of the City of Pittsburgh has not been impaired. Notwithstanding all the talk about scandal and without prejudice to anything that has been said or printed, I want to say that the Members of this Council and the Mayor who signed the bill, will some day get credit for requiring security for deposits of city money. It is something that should have been done 18 years ago. During all of those 18 years, I have fought for its adoption and I am glad it was worth while. I believe all are now familiar with the former mistake in policy of the City putting up \$500,000 of City money to secure the deeds or misdeeds of some bank we did not know might get the contract to handle City deposits. I want to thank the Members of Council who voted for this ordinance and Mayor Kline who signed it. None of us ever thought so many banks would be closed in Pittsburgh in 1931. By grace of that

ordinance, today the City has been saved \$4,000,000 because of our ability to stick to that job. I hope everybody will cooperate with us in what we have done in this Budget until we finally accomplish what we set out to do today.

There is one other thing that ought to be said, Mr. President. It is idle for anyone to just simply criticize. It does not get you anywhere. Take for instance, the abolition of the positions of Superintendent and Assistant Superintendent of the Bureau of City Property to which objection has just been made. As explained in Committee, these positions were eliminated because we propose to rent the Diamond Market House for a period of five years for \$10,000 a year, and there will be no expense or no cost to the City for that activity. It will bring in new revenue. We also have decided to close the South Side Market House, thereby cutting down the activities of this Bureau. Therefore, it is not necessary to pay such high prices for overhead office expense.

During our discussion of these salary changes, Mr. Garland asked the question, "Are there any increases in this bill?" and I replied, stating "There are none." This is the first time in my experience in this Council, and I think in the experience of any member, that an appropriation or salary bill has been put through that did not carry a single increase in salary. There might be some deserving city employes who perhaps have been overlooked in the past, but who would dare, in the face of the world depression and what is going on in the World and in the City, to propose such a move and have the nerve to face the people of Pittsburgh? The duty developed on Council to cut and we have met the situation. By the language of this Bill, we have pledged ourselves, that if, by reason of insufficient revenue, if further cuts are necessary, we will make such cuts. We have no alternative.

Mr. Phillips arose and said:

Mr. President, I just want to say a word too. I came into this Council as an independent and have been independent. I didn't find much here that the Council was divided on. You all worked for the good of the City of Pittsburgh.

As a property owner I am very much interested in the reduction of taxes, and

you gentlemen have gone to the extreme in reducing taxes; there is no doubt about that. You almost bankrupted this city. As I said the other day no businessman would take all his money out of the bank and borrow money to operate his plant. You have done everything possible to help the taxpayers.

Mr. English, as Chairman of the Finance Committee, figured this out and cut wherever possible, and I am only afraid you have cut it a little too much, but I am hopeful you will be able to work it out next year.

I want to say to you gentlemen that my association in Council has been very pleasant and I have enjoyed my association with you, and you have all treated me kindly and courteously, and any argument we might have had in Council was forgotten when the meeting adjourned, and we would go out as friends. You have worked hard for the interests of the people of Pittsburgh.

Our National Government is practically bankrupt; so are some of the larger cities of the country, like Philadelphia, Detroit and Chicago, and all of these cities have raised their taxes, while Pittsburgh is the only city which reduced taxes in the face of this depression; and you gentlemen will have to work hard next year or the city will be bankrupt.

Mr. Garland arose and said:

Mr. President, it is my intention, as I said all along, to vote for this ordinance. It is a good ordinance. I would like to ask one question. The Budget Controller will not be subject to Civil Service?

Mr. English arose and said:

No, sir; it is up to Council to make the appointment.

Mr. Garland arose and said:

Mr. President, I want to say that a well qualified, equipped man would be very desirable there, and I am very glad to vote for it and the whole ordinance.

Mr. Connelley arose and said:

Mr. President, I am very glad to hear Mr. Garland say that. If we had such a man this year we would not have had half the trouble we had in adjusting salaries and positions. The trouble is that the newer members in Council never know what is going on. You must be in Council at least two years to know what has been going on. I believe Council is wise in setting up such a position, and so far as I am concerned

in the next two years I shall know at the end of each month where we stand in the several departments by report.

And the bill, as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Alderdice	Little
Connelley	Muldowney
English	Phillips
Garland	Herron (Pres't.)

Noes: Mr. Anderson.

Ayes 8. Noes 1.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

The Chair stated

That Council would meet in special session tomorrow at the usual time to consider the appropriation bill.

Mr. English, at this time obtained leave, and presented

No. 4951.

CARNEGIE LIBRARY OF PITTSBURGH

Office of the Director

December 24, 1931.

Colonel S. H. Church, President,

Carnegie Institute,

Pittsburgh, Pa.

My dear Colonel Church:

We will close the year 1931 with a balance of about \$6,875 in our city funds, distributed approximately as follows:

Salaries .....	\$4,385.00
Miscellaneous Services.....	690.00
Supplies .....	1,800.00

The balance in the salaries fund is due largely to the reorganization of the Bindery under a more efficient plan. The budget for 1932 calls for a reduction of \$4,620.00 in bindery salaries.

The surplus in the supplies fund is due chiefly to the fact that for many years the Library has purchased a year's supply of bindery materials in November. This year

1932. We will then be buying for the current year from that year's funds.

Under ordinary circumstances the entire balance would revert to the city without any question from us. In view, however, of the drastic cut which we have had to make in our book fund for 1932, I am wondering if it is feasible to request that City Council reappropriate this balance to us, allocating it to our book fund, Code Number F15. We have, just apportioned our 1932 book fund, and are greatly concerned over the \$30,000 decrease in this fund which comes just at the time when unemployed Pittsburghers are making unprecedented demands upon us.

Very sincerely yours,

RALPH MUNN,

Director.

Which was read, received and filed

Mr. English moved

That Col. Church be notified that Council would prefer the unencumbered balance in the Carnegie Free Library appropriation for 1931 remain as free cash in the city treasury, and that Council pledge itself to take care of any emergency that may arise during 1932.

Which motion prevailed.

And there being no further business before the meeting, the Chair declared

Council adjourned.

#### MOTIONS AND RESOLUTIONS

Mr. English presented

No. 4957.

Whereas, The many changes in positions and salaries by reason of the action of Council in passing the Tax Levy for 1932, with the accompanying salary and appropriation bills, will require considerable thought on the part of the administrative officers under the executive to carry into effect; and,

Whereas, It will be impossible to put all of these changes into effect on January 1st; and,

Whereas, The Council of the City of Pittsburgh wishes to effect these changes without impairing the service of the city employees or working undue hardship on any employe or group of employes; Therefore, be it

Resolved, That the Mayor and the executive officers under him are hereby empowered to use their best judgment in furloughing such employees as they deem necessary to furlough and for such reasonable time as they deem necessary in order to promptly and properly carry out the requirements of the salary and appropriation bills.

Which was read.

Mr. English moved

The adoption of the resolution.

Which motion prevailed.

Mr. Connelley moved

That the following members be excused for absence from council and committee meetings:

Mr. Anderson on December 31, 1931;

Mr. Garland on December 29, 1931;

Mr. Little on December 29, 1931;

Mr. Phillips on December 22, 1931.

Which motion prevailed.

The Chair presented

No. 4958.

Fidelity Trust Company,  
Pittsburgh, Pa.,

December 28, 1931.

The Honorable John S. Herron,  
President of Council,  
City of Pittsburgh, Penna.

My dear Mr. Herron:

It has been with a great deal of interest that we have watched the preparation of the budget and the fixing of the tax millage for 1932. Representing as we do property owners from all walks of life, many of whom are dependent upon the return from real estate, the net income from which has been showing a steady depreciation, we can appreciate more readily than the layman just what this reduction in the millage will mean.

We wish to take this opportunity to express to you and your colleagues our appreciation of the attention you gave to this matter and your final action in reducing the millage.

Yours very truly,

MALCOLM McGIFFIN,  
President.

Which was read, received and filed.

Mr. English moved

That the Minutes of Council at meetings held on Monday, December 28, and Wednesday, December 30, 1931, be approved.

Which motion prevailed.

Mr. Alderdice arose and said:

Mr. President, Inasmuch as this is the last meeting of Council and my membership terminates with this meeting, I desire to express to you and the other members of Council my sincere thanks for the many courtesies extended me by each and every one of you and for the friendships which have grown up between us.

To tell you that I am sorry to leave this body is putting it mildly. I have never been associated with a body of men whom I believe were more considerate of each other than this Council, and a body of men who were as capable of filling their positions with credit.

I have formed a friendship for each and every one of you, and I am glad to know

that I am leaving with the good wishes of all of you. One of my greatest and most pleasant duties was to serve with Mr. Phillips since his membership in Council. I, too, am sorry that he is leaving, and I hope at some time in the near future he will come back.

The Chair:

Mr. Alderdice, I am sure that we are all very sorry to see you passing from this Council, and hope at some future time you will again be a member of this body. You have been a very fine gentleman, kind and courteous, and have taken your duty seriously. In these trying days a man with less courage would have faltered, and as the presiding officer of this body, I want to say that you have been a credit to this Council and the City of Pittsburgh, and I wish you nothing but success.

Mr. Connelley arose and said:

Mr. President: I appreciate very much what you said regarding Mr. Alderdice, and doubly appreciate what he said about John Phillips. I have known "Bob" Alderdice, perhaps, for 25 years, but never knew him real well until I became a member of Council, and I am sure that the Council and the City of Pittsburgh will miss him much because he always had the courage of his convictions.

Of course, nobody in public life could please everybody, and had we not had this condition in the country—in fact in the world, if the work of Council had not been centered through the newspapers, as it has been, it might be a different story; and I question whether we will be able to get a man more sincerely active and more honest in his efforts to do his full duty than Mr. Alderdice.

And as for Mr. Phillips, I think the City of Pittsburgh is losing a valuable servant, and I doubt whether this body will ever be able to duplicate another man of the caliber of Mr. Phillips—Mr. Phillips, a manufacturer; Mr. Phillips, a philanthropist; Mr. Phillips, a man with a soul for young people; Mr. Phillips, a builder; one whom I have known for 35 years, working with him, and his action in Council has shown all of us his courageous stand and what he believed was right he stood for. If it is not possible for him to return to Council as a member, I hope he will be with us as an advisor and co-operate with us for the well-

being of the City of Pittsburgh. I know of no man who could give more to the position than he did, I trust finally that as he has known us and known the work here and known exactly what is expected of a city official and councilman, he will give due credit to us. I have heard him express himself that way, and I regret that he is not to remain here to guide the ship. I know Mr. Phillips, with his wonderful influence, will know what is going on.

Mr. English arose and said:

Mr. President: I presume that a lot of people of Pittsburgh, indeed many people, who had occasion to come to our council or committee sessions, do not understand the bonds of friendship which are formed by being a member of the Council of the City of Pittsburgh.

Perhaps, there are many citizens who feel because we have engaged in a heated argument at some time or other, believe that we hated one another; that we had a personal feeling or grudge against one another. We do not hate one another.

I am very happy in having the privilege of placing in this record that throughout my entire membership in this Council, although I have had heated arguments and disputes with not only one member of Council, but every member of Council, and even the President, that notwithstanding these differences and quarrels we were and we are friends; and when we come to sit down and discuss and decide on city business, every member of Council approaches the subject in the same manner that I do. We vote for a motion, resolution or ordinance, when in our opinion it would be for the best interests of the City of Pittsburgh.

Today is the last meeting for Mr. Alderdice. We have watched his career for many years when he was a member of the police force. We have seen him rise from the ranks and receive various promotions; when his name was presented to Council for confirmation as Director of the Department of Public Safety, I, as one member of Council opposed to the then city administration, voted for his confirmation. I did this in the face of many requests made of me by my friends to vote against his confirmation.

I had never had any political affiliations with Mr. Alderdice nor any personal connection with his administration of the police

department. Therefore, I now repeat what I said years ago that inasmuch as Mr. Alderdice had served many years in the police department and had come up from the ranks, and as nothing had been presented to Council criticizing his administration as Superintendent of Police, they would have to give me some good reason to vote against his nomination.

Later on, he became a member of Council, and by the will of the people he cannot continue. It is with regret that I see the passing of Mr. Alderdice. Throughout his career and mine as city officials, we have formed friendships and I believe we will have a lasting admiration and respect for each other.

I hope next week we will be able to elect Mr. Alderdice as our Budget Controller.

As for John Phillips, I don't know of anything in my entire lifetime that gives me so much pleasure as to stand up before the people of Pittsburgh and have it recorded for the coming generation that when we had to select a man to fill the vacancy in Council created by the death of our good friend, George Kambach, we importuned, and we had to importune Mr. Phillips, to accept this position. The newspapers had been filled with all sorts of stories of scandals and the members of Council realized that something had to be done to meet such a situation. The Council rose to the occasion and selected a man whom we thought would be a credit to the Council and the City of Pittsburgh because he already was a real asset to this great city of Pittsburgh and this entire State of Pennsylvania, and I believe reached out through many States owing to his activities in the Game Commission. Mr. Phillips has been a credit to the city of Pittsburgh as a councilman.

I want to have it said that I have had a personal feeling of satisfaction in his selection which I will carry to my grave and I wish future generations to know. When I talked to Mr. Phillips, I told him that there was no control over this Council, that he would be free and independent. If he came into this office he would find each and every member of Council trying to do the right thing under trying circumstances and that he would find many opportunities to express himself and give his idea of what ought to be done in city business. I am proud that we kept that promise, and

at no time was there any pressure or influence exerted upon him as a matter of politics or expediency, and if he did not agree with a motion or an ordinance that was proposed, it was his duty to vote against it; and, on the other hand, if he thought it was right, it was his duty to support it, as he had his own mind as I have mine.

We have been associated with Mr. Phillips and regret his passing, as I do that of Mr. Alderdice, and I assure Mr. Phillips that he takes with him the gratitude of every member of Council. I am sorry Mr. Anderson is absent, because I believe Mr. Anderson feels the same way as I do because by bringing Mr. Phillips into Council, we did this body a favor and the City of Pittsburgh, a favor, and I think above all we did ourselves, individually and personally, a favor.

I hope Mr. Phillips will not regret his service in Council and that at some time in the future we will get him back. I want to say to him and assure him that we hope we can help hasten the construction of his proposed traffic route, tunnel and by-pass.

Mr. Garland arose and said:

Mr. President: My part in this ceremony is the most difficult to play at the present moment. As far as John Phillips is concerned, I need not say anything eulogistic of him, because we worked at the same desk for many years. I have known John Phillips, perhaps, longer than any other member of Council and through these years we have developed a personal friendship for each other which has never been disturbed.

As for "Bob" Alderdice I always voted for him for appointments in the city administration. I remember the time when he was Captain, Inspector and Superintendent of Police, and when he was named as Director of the Department of Public Safety, I had the pleasure to vote for his confirmation. I told him that friendship would continue as it was and undisturbed for all time. I have a high regard for Mr. Alderdice.

I am not going to say anything eulogistic outside of these men going out of office.

I feel very keenly some things that have occurred in Council recently and especially when the budget came before us at the eleventh hour with all those changes, which were not done in committee but on the outside; and I simply want to say, with the Christmas spirit in my mind, that we are

going into a new year and I hope this will not happen again. When a matter of cutting out bureaus and positions and reducing pay and everything of that kind is concerned, under the law, as well as courtesy due to a brother member of Council, it is very evident and is patent to every man here, that those matters should be discussed in committee as the law provides and not in a huddle. You men know that this was not done in committee and not done with all the members of Council present, and I was left out. I have no regrets. It is hard work. I say you deserve credit for what you did. Maybe my time was occupied better somewhere else, and with the Christmas spirit still prevailing, I hope it will not occur again.

We have developed friendships here which are lasting and as for the two members, who are retiring, it is their swan song, and I have nothing but the highest regards for both of them.

Mr. Little arose and said:

Mr. President: I am sorry Mr. Garland takes the attitude—

The Chair said:

Gentlemen, let us not get into an argument on the last day of our meeting. The gentleman said that he agreed with what we did, and that we did a good job and let us drop the subject.

Mr. Garland said:

But, gentlemen, don't do it again.

Mr. Little said:

Mr. President, I am very sorry to see these two gentlemen leave us.

Mr. Alderdice I have known for many years. I had the pleasure of running with Mr. Alderdice for Council eight years ago; I was defeated and he was elected.

At that time I found out what kind and caliber of man "Bob" Alderdice was. I knew him in the police department, but never knew him intimately. We were candidates against the administration and generally it is a tough game, because the administration is so entrenched, but I found "Bob" was so liberal that every time he solicited a vote for himself, he always asked his friends to vote for Harry Little. This was especially true around the police and fire stations where he was so well known. I have always appreciated that.

When I became a member of Council two

years later, I saw a man who worked so hard and conscientious and faithful, and I then appreciated his friendship more than ever.

I am sorry that the voters of the City of Pittsburgh did not know Mr. Alderdice and Mr. Phillips as we in Council knew them. There would have been a different result.

I hope that Mr. Alderdice will continue with us at least a few more years as the Budget Controller. I think in that line he can help Council to a considerable extent. I think Council needed such a man in the past and if it had, it probably would not have been so bad off; and so far as this Council is concerned as to what is going on inside this building and on the outside, I know from now on that Mr. Alderdice, at the head of that department, will keep Council informed, and it is up to them to protect the city's interests.

I wish "Bob" a happy and prosperous New Year.

As for Mr. Phillips, I have known him for many years and sat with him in the Isaac Walton League; as one of the originators and workers in the Boy Scout movement, I think Mr. Phillips has done more for the rising generation than any man in Allegheny County; and when he quit the Game Commission because the Governor asked him to do something he thought was not right, he showed at that time he was his own man. He was always independent in Council and voted for those things he thought were right and against those which he thought were wrong.

I have always respected Mr. Phillips as a business man, a man of integrity and one who knew what he was doing, and I hope Mr. Phillips will often come to Council; and might I add, that Mrs. Phillips also will come before us, as she is one of the greatest civic workers in the City of Pittsburgh. With a combination of Mr. and Mrs. Phillips, they are going to do a great deal of good for the City of Pittsburgh.

Mr. Muldowney arose and said:

Mr. President: It is impossible for me to add anything to what has already been said. To try to do so in my mind would be a repetition.

I don't know Mr. Alderdice and Mr. Phillips as long as my colleagues, but I

believe that I have come to know them as well, and I have formed a friendship with them which I know will continue through a lifetime.

During my experience in Council, I have always found them to be honest, intelligent, square and always ready to meet the needs of the people and see them at any time, and I know both these gentlemen will be sadly missed by this Councilmanic body.

I wish at this time to extend to Mr. Alderdice and his wife and family and to Mr. Phillips and his wife and family a Happy and Prosperous New Year.

The Chair said:

Gentlemen, That certainly was fine. Mr. Phillips and Mr. Alderdice, you know now what the members of Council think of you. I could add very little to what has been said. I have admired you, Mr. Phillips, for years. You are a man of courage and vision, a man who has spread sunshine from one part of Allegheny County to the other. I can also testify to the fact that you reluctantly accepted the seat in Council because it was reported that this was a factional-ridden council and had very little regard for the public and was opposed to most everything which was good for the City of Pittsburgh. You have been a member of this body, and as you go out, this Council will not have a better friend than you. I get the biggest kick out of Robert Garland. Can you imagine what I would say if I were in the same position as Mr. Garland? Mr. Garland, we are very fond of you, too, and Charley Anderson, and I know if he were here he would wish them well. Gentlemen, I have hastily drawn a resolution, which I will ask the clerk to read.

Mr. English arose and said:

Mr. President: I want inserted after Mr. Garland's remark that I am sorry that he spoiled a beautiful afternoon. When the appropriation bill was before Council that was the time he should have made his remarks, not when something else is before Council and especially the final day of the year when parting felicitations are being passed around. I think his remarks about budget work are very much out of order. I want to remind him, for the matter of the record, that in the year 1914, when he was Chairman of the Finance Committee, the vote was always five to four. They worked at night and they did not grant any courtesies to

the minority at all. Read the record of 1914. The minority had to nearly create a riot in order to get recognition from his President, John M. Goehring.

Mr. Garland said:

That might be or might not be the truth.

Mr. English said:

It is the truth and you should not throw stones if you live in a glass house.

The Chair said:

The answer is that you see things differently from a different position. This is a happy ending of a trying year. We had some strenuous times. Most of all, the best test of courage is our ability to meet the situation.

The Chair presented

No. 4959.

WHEREAS, The present Council will soon be dissolved in accordance with law; and,

WHEREAS, With this dissolution, the City of Pittsburgh will be deprived of the services of a most useful, conscientious and capable public officer, in the retirement of John M. Phillips; and,

WHEREAS, The members of Council have enjoyed the pleasure of meeting with Mr. Phillips during his short tenure of office, and have been aided most considerably by his business acumen and his ready grasp of the many intricate problems that have come before this Body: Now, therefore, be it

RESOLVED, That Council does hereby extend to John M. Phillips its most hearty wish that he shall continue in private life with the same success that has attended him in the past, and that Council expresses to him its gratitude for his help and assistance in the consideration of the important legislation which has been passed during his membership in this Body.

Which was read.

Mr. English moved

The adoption of the resolution.

Which motion prevailed by an unanimous rising vote.

Also

No. 4960.

Whereas, In the retirement of Robert J. Alderdice as a member of Council, the City of Pittsburgh will be deprived of the services

of one who was capable and conscientious, and whose experience in civic affairs, especially as a former Director of the Department of Public Safety, has been a great help to this body and made his services of inestimable value; and,

Whereas, Robert J. Alderdice, by his courage and courtesy in the discharge of his duties and through his affability towards his fellow members, has become endeared to his colleagues in Council, and it is with regret they view his retirement; Therefore, be it

Resolved, That Council does hereby extend to Robert J. Alderdice its most hearty and sincere wishes for continued success in whatever line of endeavor he may follow in the future, and expresses its thanks for his co-operation and valuable assistance while a member of this body; and, be it further

Resolved, That a suitably engrossed copy of these resolutions be presented to Robert J. Alderdice.

Which was read.

Mr. English moved

The adoption of the resolution.

Which motion prevailed by an unanimous rising vote.

Mr. English moved

That engrossed copies of these resolutions be sent to Mr. Phillips and Mr. Alderdice.

Which motion prevailed.

Mr. Phillips arose and said:

Mr. President and Members of Council: As our President told you I did come into Council reluctantly. I refused my friend, Dr. Kerr, for two months, and he came to my home and finally he came to my wife and said that Council and the City of Pittsburgh needed me to look after the affairs of the city. I then consented to allow my name to be presented to Council to fill the unexpired term of our deceased friend, George J. Kambach.

I had some friends, old friends, old gentlemen like myself, fifteen officers sitting around the table, and they said, "Don't do it; you have your own business to attend to." On the other hand, a friend of mine came down to the table, called me aside and said, "We want you in Council. We know it is a sacrifice, but it is your duty," and he said to me, "These are old friends of yours and hope your selection will be unanimous." He said they were all true friends,

which I know you are, and that is the reason I came to Council. Mr. English and Mr. Herron came to me and said I would be independent.

I have tried to be independent and voted with my old friend "Bob" Garland when I thought he was right, and voted against him when I was right and thought he was wrong, and he didn't say anything. I always voted for those things which I thought would be to the best interests of the people of Pittsburgh.

You all said many fine things about me today, and I am glad my wife is not here to hear them, because I would have to live up to them the rest of my life.

I thought Council simply came here and passed ordinances and resolutions, I had the wrong conception of the duties of a councilman. They are unlike the duties of a councilman such as I was when I served in the old Borough of Carrick, I voted for the first street to be paved in Carrick, and also voted for the construction of the first sanitary sewer and the first outdoor swimming pool there. I had some experience in the borough council, where we received no compensation, but I have had that experience, and gentlemen, it is entirely different than the duties of a councilman of this great City of Pittsburgh.

You are spending \$28,000,000.00 of the city's money. Soon after my election to Council, a little fellow, about seven or eight years of age, came to my home and said: "Mr. Phillips, you are a councilman. The big boys at the pool are ducking us little fellows." And that was my first job, stopping the ducking of the smaller boys by the larger boys.

You gentlemen have many and varied duties to perform and at times it is enough to make you crazy. I believe Mr. English is a wonderful accountant. He showed me figures on this budget and tried to drill them into me, and I said to him that I was afraid the city was going into bankruptcy, and when it came to fix the millage I thought we ought to reserve a large fund for unemployment; that people

were appearing before us complaining about rents and half their houses were vacant and those houses which were rented, the people could not pay the rent. The solution to that, to my mind, is this: that you have to put those tenants to work. First allow them to earn enough money to feed themselves and families and the next thing is to pay the rent. You have to get out the wheel barrow and put them out in the districts where the people want the boardwalks fixed and make it worth while to live in those districts of the city.

Now, gentlemen, I have been with you here and I have studied all of you. I know you and I don't think there is a better body of men anywhere in the United States. You have done something here which no other city in the country has done—reduced taxes. As Mr. English said yesterday, your government is practically bankrupt; your state, and many large cities, like Chicago, Detroit and Philadelphia, are increasing the taxes and the people have rebelled. Right here in the City of Pittsburgh, we have reduced them, and sacrificed the employees of the city. I hope you will not get into trouble this year. You will have to make other sacrifices. Council has given two weeks of their pay. Gentlemen, you are up against a terrible proposition, and one way, I am glad to get out because I see the trouble coming. Although I regret the loss of association with you gentlemen.

Mr. English moved

That Council accepts the suggestion of the two committees from the Bureaus of Police and Fire to act in the matter of salary appropriations and Council hereby requests the Director of the Department of Public Safety to meet in conference with these committees and endeavor to work out a satisfactory solution, and if they are unable to arrive at a satisfactory solution, to report back to council at the earliest possible moment.

Which motion prevailed.

And on motion of Mr. Garland

Council adjourned Sine Die.

## No. 1

**AN ORDINANCE** — Widening Nobletown road in the 28th Ward of the City of Pittsburgh, from a point 236.70 feet east of the easterly line of Obey avenue to Baldwin road and providing that the costs, damages and expenses occasioned thereby be assessed against and collected from properties benefited thereby.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That Nobletown road in the 28th Ward of the City of Pittsburgh, from a point 236.70 feet east of the easterly line of Obey avenue to Baldwin road be and the same is hereby widened to a variable width so that the street as widened shall lie between the following described lines, to-wit:*

The southerly and easterly line shall begin on the present southerly line of Nobletown road, 50.0 feet in width, at a point of curve distant south  $78^{\circ} 46' 40''$  east 236.70 feet along the present southerly line of Nobletown road produced from the intersection of the said present southerly line of Nobletown road produced and the easterly line of Obey avenue produced; thence extending westwardly by the arc of a circle deflecting to the left with a radius of 500.0 feet and a central angle of  $38^{\circ} 08' 00''$  for an arc distance of 332.78 feet to a point of tangent; thence by the tangent south  $63^{\circ} 05' 20''$  west 200.93 feet to a point of curve; thence westwardly by the arc of a circle deflecting to the right with a radius of 450.0 feet and a central angle of  $35^{\circ} 52' 20''$  for an arc distance of 281.74 feet to a point of tangent, said point of tangent being at a perpendicular distance of 15.0 feet north of the center line of the right of way of the Pittsburgh, Carnegie and Mansfield Street Railways Com-

pany; thence parallel to and at a perpendicular distance of 15.0 feet north of the center line of the said right of way north  $81^{\circ} 02' 20''$  west 190.39 feet to a point of curve; thence westwardly continuing parallel to the center line of the said right of way by the arc of a circle deflecting to the right with a radius of 1131.28 feet and a central angle of  $9^{\circ} 02' 00''$  for an arc distance of 178.36 feet to a point of tangent on the dividing line between the said right of way and Nobletown road Extension as opened by Ordinance No. 40 of the Borough of Westwood approved November 12, 1919; thence continuing along the said dividing line north  $72^{\circ} 00' 20''$  west 312.24 feet to a point; thence southwardly by the arc of a circle deflecting to the left with a radius of 90.0 feet, a central angle of  $75^{\circ} 39' 10''$  and a chord bearing south  $2^{\circ} 46' 45''$  east for an arc distance of 118.84 feet to a point of tangent; thence by the tangent, parallel to and at a perpendicular distance of 3.50 feet east of the present easterly line south  $40^{\circ} 36' 20''$  east 295.51 feet to the intersection of the westerly line of H. F. Wills Plan of Lots of record in the Recorder's Office of Allegheny County in Plan Book Volume 29, page 73 and the present easterly line of Nobletown road as shown on said plan; thence coinciding with the present easterly line to a point distant south  $4^{\circ} 17' 00''$  east 117.59 feet along the present easterly line from the southerly line of Denisonview street; thence southwardly parallel to and at a radial distance of 56.0 feet east of the hereinafter described northerly and westerly line, by the arc of a circle deflecting to the right with a radius of 556.0 feet, a central angle of  $18^{\circ} 43' 40''$  and a chord bearing south  $4^{\circ} 17' 00''$  east for an arc distance of 181.73 feet to an intersection with the present easterly line of Nobletown road at Cole-scott street; thence coinciding with the present easterly and southerly line to a point distant 245.0 feet more or less, southwestwardly along the same from the southerly

line of Altaview street; thence westwardly parallel to and at a radial distance of 56.0 feet south of the hereinafter described northerly and westerly line by the arc of a circle deflecting to the right with a radius of 556.0 feet and a central angle of  $9^{\circ} 43' 50''$  for an arc distance of 94.43 feet to a point of tangent; thence by the tangent, parallel to and at a perpendicular distance of 8.0 feet south of the present southerly line, south  $53^{\circ} 56' 00''$  west 258.82 feet to a point of curve; thence southwestwardly by the arc of a circle deflecting to the left with a radius of 1500.0 feet and a central angle of  $9^{\circ} 47' 40''$  for an arc distance of 256.42 feet to a point of tangent; thence by the tangent, parallel to and at a perpendicular distance of 23.0 feet southeast of the present southeasterly line, south  $44^{\circ} 08' 20''$  west 327.78 feet to a point of curve; thence southwestwardly by the arc of a circle deflecting to the left with a radius of 440.0 feet and a central angle of  $39^{\circ} 04' 00''$  for an arc distance of 300.01 feet to a point of tangent; thence by the tangent south  $5^{\circ} 04' 20''$  west 74.75 feet to an intersection with the present easterly line; thence southwardly along the present easterly line 485.0 feet more or less, to a point; thence, parallel to and at a perpendicular distance of 56.0 feet east of the hereinafter described northerly and westerly line, south  $5^{\circ} 04' 20''$  west 277.0 feet more or less, to a point of curve; thence southwardly, continuing parallel to the hereinafter described northerly and westerly line, by the arc of a circle deflecting to the right with a radius of 456.0 feet for an arc distance of 158.0 feet more or less to an intersection with the present easterly line at a point 105.0 feet more or less northwardly along the present easterly line from the center line of Poplar street; thence coinciding with the present easterly line to Poplar street.

The northerly and westerly line, from a point perpendicularly opposite the point of curve at the beginning of the above described southerly and easterly line to a point 222.0 feet more or less, west of the westerly line of Obey avenue as measured along the present northerly line, shall coincide with the present northerly line; thence, parallel to and at a perpendicular distance of 50.0 feet north of the above described southerly and easterly line, south  $63^{\circ} 05' 20''$  west 37.0 feet more or less to a point of curve, said point of curve being perpendicularly opposite a point on the above described southerly and easterly line north  $63^{\circ} 05' 20''$  east 32.37 feet along the above described

southerly and easterly line from the second point of curve in the same; thence westwardly by the arc of a circle deflecting to the right with a radius of 500.0 feet and a central angle of  $35^{\circ} 52' 20''$  for an arc distance of 313.04 feet to a point of tangent; thence by the tangent parallel to and at a perpendicular distance of 50.0 feet north of the above described southerly and easterly line, north  $81^{\circ} 02' 20''$  west 158.02 feet to a point of curve; thence westwardly by the arc of a circle deflecting to the right with a radius of 541.0 feet, and a central angle of  $24^{\circ} 19' 00''$  for an arc distance of 229.60 feet to a point of tangent; thence by the tangent north  $56^{\circ} 43' 20''$  west 188.50 feet more or less to an intersection with the present northerly line of Noblestown road; thence along the present northerly line of Noblestown road north  $49^{\circ} 26' 00''$  west 80.0 feet more or less to a point of curve in the same; thence continuing westwardly along the same by the arc of a circle deflecting to the left with a radius of 200.0 feet and a central angle of  $18^{\circ} 32' 00''$  for an arc distance of 64.79 feet to a point of compound curve in the same; thence continuing westwardly and southwardly along the same by the arc of a circle deflecting to the left with a radius of 67.0 feet and a central angle of  $90^{\circ} 00' 00''$  for an arc distance of 105.24 feet to a point of tangent in the same; thence continuing along the same south  $22^{\circ} 02' 00''$  west 57.76 feet to the northerly line of Noblestown road Extension as opened by Ordinance No. 40 of the Borough of Westwood approved November 12, 1919; thence southwardly by the arc of a circle deflecting to the left with a radius of 333.82 feet, a central angle of  $44^{\circ} 16' 40''$  and a chord bearing south  $18^{\circ} 28' 00''$  east for an arc distance of 257.97 feet to a point of tangent; thence, by the tangent, parallel to and at a perpendicular distance of 56.0 feet west of the above described southerly and easterly line and at a perpendicular distance of 19.5 feet west of the present westerly line south  $40^{\circ} 36' 20''$  east 464.15 feet to a point; thence, parallel to and at a perpendicular distance of 52.0 feet west of the above described southerly and easterly line and at a perpendicular distance of 12.0 feet west of the present westerly line south  $46^{\circ} 08' 00''$  east 588.50 feet to a point of curve; thence southwardly by the arc of a circle deflecting to the right with a radius of 500.0 feet and a central angle of  $100^{\circ} 04' 00''$  for an arc distance of 873.25 feet to a point of tangent; thence by the tangent, parallel to and at a perpendicular distance of 15.0 feet north of the present

northerly line and 56.0 feet north of the above described southerly and easterly line, south 53° 56' 00" west 258.82 feet to a point of curve; thence continuing, parallel to the above described southerly and easterly line, by the arc of a circle deflecting to the left with a radius of 1556.0 feet and a central angle of 9° 47' 40" for an arc distance of 265.99 feet to a point of tangent; thence by the tangent, continuing parallel to the above described southerly and easterly line and coinciding with the present northwesterly line, south 44° 08' 20" west 327.78 feet to a point of curve; thence southwardly continuing parallel to the above described southerly and easterly line, by the arc of a circle deflecting to the left with a radius of 496.0 feet and a central angle of 39° 04' 00" for an arc distance of 338.19 feet to a point of tangent; thence by the tangent south 5° 04' 20" west 813.29 feet to a point of curve; thence southwestwardly by the arc of a circle deflecting to the right with a radius of 400.0 feet and a central angle of 61° 20' 30" for an arc distance of 428.25 feet to a point of tangent; thence by the tangent, parallel to and at a perpendicular distance of 23.0 feet north of the present northerly line, south 66° 24' 50" west 745.08 feet to a point of curve; thence westwardly by the arc of a circle deflecting to the right with a radius of 100.0 feet and a central angle of 47° 28' 40" for an arc distance of 82.86 feet to a point of tangent on the northerly line of Baldwin road.

Section 2. The Department of Public Works is hereby authorized and directed to cause said Noblestown road in the 28th Ward of the City of Pittsburgh, from a point 236.70 feet east of the easterly line of Oley avenue to Baldwin road, to be widened in conformity with the provisions of Section 1 of this ordinance.

Section 3. The costs, damages and expenses occasioned thereby and the benefits to pay the same shall be assessed against and collected from properties benefited thereby in accordance with the provisions of the Acts of Assembly of the Commonwealth of Pennsylvania relating thereto and regulating the same.

**A**N ORDINANCE—Authorizing the Mayor and the Director of the Department of Public Works for and on behalf of the City of Pittsburgh to execute an Agreement with the Pennsylvania Railroad Company for relocating and reconstructing the present 36"

diameter Brick Sewer, extending from a point approximately 110 feet northwest of the north line of Bigelow boulevard, on, over, across and through the private property of the Pennsylvania Railroad Company to a connection with the existing Sewer at a point about 250 feet northwest of the northerly line of Bigelow boulevard.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Mayor and the Director of the Department of Public Works for and on behalf of the City of Pittsburgh are hereby authorized to execute and deliver an Agreement with the Pennsylvania Railroad Company for re-locating and reconstructing the present 36" diameter Brick Sewer, extending from a point approximately 110 feet northwest of the north line of Bigelow boulevard, on, over, across and through the private property of the Pennsylvania Railroad Company to a connection with the existing Sewer at a point about 250 feet northwest of the northerly line of Bigelow boulevard, said Agreement to be in the following language:

#### AGREEMENT

Made this.....day of.....  
between the City of Pittsburgh, a municipal corporation of the County of Allegheny, Pennsylvania, and a City of the second class, party of the first part, and hereinafter called the "City", and the Pennsylvania Railroad Company, party of the second part, hereinafter called the "Railroad Company."

Whereas, the Railroad Company has sold certain property to the United States Government for post office purposes, and

Whereas, the present 36" diameter Brick Sewer encroaches on a portion of this property and the Railroad Company desires to relocate and reconstruct a portion of said Sewer in a new location to the east of the present location of said Sewer, so that same will not interfere with the utilization of said property for post office purposes, and

Whereas, the City acquiesces in such a move, Now, Therefore, This Agreement

Witnesseth, that for the consideration and advantages moving from one to the other, the parties hereto mutually covenant and agree to and with each other, their successors and assigns forever, as follows:

1. The said Railroad Company agrees to relocate and reconstruct at its sole cost and expense a portion of the present 36" diameter

Brick Sewer from a point about 110 feet northwest of the northerly line of Bigelow boulevard, on, over, across and through the private property of the Pennsylvania Railroad Company to a connection with the present Sewer at a point about 250 feet northwest of the northerly line of Bigelow boulevard, all as shown on Plan No. 23620 of the Pennsylvania Railroad, Central Region, Pittsburgh Division, entitled, "Relocation of 36" Sewer at Washington Street," which is attached hereto, hereby made a part of this Ordinance.

2. The Railroad Company agrees that the detailed Plans and Specifications for the proposed work shall be approved by the Director of the Department of Public Works of the City before work is actually started in the field and further, that said work and materials entering into the construction thereof shall be satisfactory to, and approved by the Director of the Department of Public Works, City.

3. Both parties hereto agree that the interests, liabilities and responsibilities of both parties in the new or reconstructed Sewer shall be the same as pertains in regard to the present structure.

4. It is expressly understood and agreed that the terms of this Agreement will not be binding upon the parties hereto until and unless the same is approved by the Public Service Commission of the Commonwealth of Pennsylvania.

between the City of Pittsburgh, a municipal corporation of the County of Allegheny, Pennsylvania, and a City of the second class, party of the first part, and hereinafter called the "City", and the Pennsylvania Railroad Company, party of the second part, hereinafter called the "Railroad Company."

Whereas, the Railroad Company has sold certain property to the United States Government for post office purposes, and

Whereas, the Washington Place Footbridge encroaches on a portion of this property and the Railroad Company desires to move or reconstruct the footbridge in a new location to the east of the present site in order that it be beyond the property in question and beyond the stipulated lateral clearances provided in the sale, and

Whereas, the City acquiesces in such a move, Now, This Agreement

Witnesseth, that for the consideration and advantages moving from one to the other, the parties hereto mutually covenant and agree to and with each other, their successors and assigns forever, as follows:

1. The said Railroad Company agrees to move or reconstruct, at its sole cost and expense, the Washington Place Footbridge in a new location, not to exceed one hundred (100') feet east of the present location, and to provide ready access to the northerly end of the subway or tunnel leading under Bigelow boulevard at Washington place.

2. The Railroad Company agrees that the plans and specifications for the proposed work will be approved by the Director of the Department of Public Works of the City before work is actually started in the field.

3. The said City agrees to permit such a movement or reconstruction of the Washington Place Footbridge.

4. Both parties hereto agree that the interests, liabilities and responsibilities of both parties in the new or relocated structure shall be the same as pertains in regard to the present structure.

5. It is expressly understood and agreed that the terms of this agreement will not be binding upon the parties hereto until and unless the same is approved by the Public Service Commission of the Commonwealth of Pennsylvania.

**AN ORDINANCE**—Authorizing and directing the Mayor and the Director of the Department of Public Works for and on behalf of the City of Pittsburgh to enter into an Agreement with the Secretary of Highways, State of Pennsylvania, acting for and on behalf of the Commonwealth of Pennsylvania, relating to the reconstruction of Noblestown road, from the east curb line of Obey street to a point near the intersection with Baldwin road.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Mayor and the Director of the Department of Public Works for and on behalf of the City of Pittsburgh shall be and they are hereby authorized and directed to enter into an Agreement with the Secretary of Highways, acting for and on behalf of the Commonwealth of Pennsylvania, relating to the reconstruction of Noblestown road, from

the east curb line of Obey street to a point near the intersection with Baldwin road, said Agreement to be in the following form:

#### AGREEMENT.

THIS AGREEMENT, Made and entered into this.....day of....., 1931, by and between the Secretary of Highways, acting for and on behalf of the Commonwealth of Pennsylvania, hereinafter called the Commonwealth, of the first part, and the City of Pittsburgh, in Allegheny County, by its duly authorized officials, hereinafter called the City, of the second part.

WHEREAS, By Act of Assembly No. 409, approved May 1, 1929, certain moneys were appropriated to the Department of Highways to be allocated among the Cities of the Commonwealth for the improvement, construction, reconstruction and or maintenance of City Streets which are not on the plan of the State highway system, but which are continuations of State highways entering such Cities, or running through such Cities, or which furnish the shortest or most convenient route through such Cities for the traveling public, and

WHEREAS, The sum of \$217,473.96 has been allocated to the City from said appropriation by the Department of Highways for the purpose of reconstructing or improving said City Streets forming continuations of State highways through the City as provided in said Act, and

WHEREAS, The sum of \$111,231.11 has been set aside from the City's allocation from said appropriation for the purpose of reconstructing the following portions of streets which have been designated as the shortest or most convenient route for the traveling public through the City, and

WHEREAS, The Department of Highways has made a survey of existing conditions and as a result has designated Nobletown road as the shortest or most convenient route for the traveling public through said City forming a part or section of Route 108, the portion of which to be improved under the provisions of this agreement being more fully described as follows: Beginning at the east curb line of Obey street, on Nobletown road, thence over Nobletown road in a southerly direction, a distance of 6,000 feet to a point near the intersection with Baldwin road and,

WHEREAS, It is desired to reconstruct the said streets as hereinbefore designated for the purpose of safely and adequately

accommodating the traveling public in and through said City.

NOW, THEREFORE, THIS AGREEMENT WITNESSETH, That the parties hereto do agree as follows, viz:

First. That the Commonwealth through its Department of Highways shall prepare or approve plans and specifications in accordance with its adopted standard for the reconstruction of said streets to a width of 36 feet between curbs and that following the award of the contract the Department of Highways shall inspect and supervise the work of construction and shall assume the cost of all engineering and inspection services rendered by the Commonwealth in connection therewith.

Second. That the City shall advertise for bids in accordance with the plans and specifications, prepared and approved, or approved by the Department of Highways and shall award contract or contracts for the improvement of said streets to the lowest responsible bidder subject to the approval of the Department of Highways acting for and on behalf of the Commonwealth, and all work done under said contract shall be subject to inspection and approval of the Department of Highways.

Third. That the City agrees to give all notices necessary to fully advise all parties concerned of the proposed improvement and to compel all public utility companies to make any necessary replacements or renewals of any of their structures located within the lines of the improvement, as hereinbefore described, prior to the commencement of work under said contract.

Fourth. That prior to the commencement of the work the City agrees, if necessary, to establish and thereafter maintain at its own cost and expense an adequate detour sufficiently posted for the guidance of the traveling public for such length of time as may be necessary or until the improvement herein contemplated has been completed and accepted, and the streets opened and made available to public travel.

Fifth. It is further understood and agreed that the payment of the share of the Commonwealth shall be made on completion of the improvement, as herein designated, and its final acceptance by the Department of Highways, or from time to time as estimates become due and payable for work done and approved by the Department of Highways under said contract, on estimates furnished and approved by the Director of the De-

partment of Public Works, City of Pittsburgh. If payment of the City's allocation is requested from time to time the amount to be paid by the Commonwealth in such instance shall be the same percentage of the estimate as the amount of the allocation for this project is to the amount of the contract. Provided, however, in cases when the contract price is less than the allocation for the project, the Department of Highways pay the full amount of the current estimate, less the retained amount recommended by the Division Engineer, not to exceed the amount allocated to the particular project.

Sixth. That the City shall pay to the contractor the amount of all estimates approved by the Department of Highways and in addition thereto agrees to assume any and all costs and expense in connection with said improvement over and above the amount of the allocation for this project to the said City, exclusive of engineering and inspection expenses incurred by the Commonwealth.

Seventh. That the City, without any cost or expense to the State, shall widen and relocate and establish or re-establish grades of said Noblestown road, between the points hereinbefore designated, in order to obtain a thoroughfare with a roadway 36 feet in width and the necessary additional space for sidewalks or berms.

IN WITNESS WHEREOF, The Secretary of Highways, for and on behalf of the Commonwealth of Pennsylvania, has hereunto affixed his hand and seal of the Department of Highways and the city officials of the City of Pittsburgh, acting for and on behalf of said City have caused this agreement to be executed in the proper manner and fashion the day and year first above written.

## No. 43

**AN ORDINANCE**—Authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the sum of Three Hundred Thousand (\$300,000.00) Dollars, and providing for the issue of bonds of said City in said amount to provide funds (including engineering, architectural and other necessary expenses), for the acquisition of property for widening of Seventh avenue; making topographic maps; constructing a garage at the Asphalt Plant; improvement of Murdoch avenue entrance to Schenley Park; acquisition of property on Forward avenue; improvement, extension and replacement, Distribution Pipe Line System; home and furnishing for Superintendent of Tuberculosis Hospital; construction of a building for the Division of Shade Trees; remodeling and repairs to No. 7 Police Station and acquisition of property, improvement and equipment of Playground in 2300 block Fifth avenue, and providing for the redemption of said bonds and the payment of interest thereon.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the indebtedness of the City of Pittsburgh be increased by the amount of Three Hundred Thousand (\$300,000.00) Dollars, to provide funds (including engineering, architectural and other necessary expenses) for the acquisition of property for widening of Seventh avenue; making topographic maps; constructing a garage at the Asphalt Plant; improvement of Murdoch avenue entrance to Schenley Park; acquisition of property on Forward avenue; improvement, extension and replacement, Distribution Pipe Line System; home and furnishing for Superintend-

ent of Tuberculosis Hospital; construction of a building for the Division of Shade Trees; remodeling and repairs to No. 7 Police Station and acquisition of property, improvement and equipment of Playground in 2300 block Fifth avenue, and providing for the redemption of said bonds and the payment of interest thereon.

Section 2. That bonds of the City of Pittsburgh in the aggregate principal amount of Three Hundred Thousand (\$300,000.00) Dollars, be issued for the purposes aforesaid. Said bonds shall be in denominations of One Hundred (\$100.00) Dollars, or multiples thereof; shall be dated as of the first day of March, 1931; and shall be payable in fifteen (15) equal annual installments of Twenty Thousand (\$20,000.00) Dollars each, one of which shall mature on the first day of March in each of the years 1932 to 1946, inclusive. Said bonds shall bear interest at the rate of four and one-quarter per centum (4¼%) per annum, payable semi-annually on the first days of March and September in each year, without deduction for any taxes which may be levied thereon by the State of Pennsylvania pursuant to any present or future law, the payment of which is hereby assumed by the City of Pittsburgh. The principal and interest of said bonds shall be payable in lawful money of the United States of America at the office of the City Treasurer of said City. Said bonds shall be coupon bonds exchangeable at the option of the holder for a registered bond or bonds of the same maturity and of the denomination of One Hundred (\$100.00) Dollars, or a multiple thereof, not exceeding the aggregate principal amount of the coupon bonds surrendered in exchange therefor, by surrendering such coupon bond or bonds with all coupons not yet due, at the office of the City Controller, and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be engraved and to issue the same in the name of the City of Pittsburgh, the expense to be charged to Appropriation No. 42 (Contingent Fund). Registered bonds shall be registered with the City Treasurer, and shall be transferable only on the books of the said City Treasurer. Said bonds shall be signed by the Mayor, countersigned by the City Controller and sealed with the corporate seal of the City of Pittsburgh, and the coupons attached thereto shall be authenticated with fac simile signature of the City Controller. In case of the absence or disability of any of such officials, the bonds shall be signed by the

City official authorized by law or by resolution of Council to act in his place. Each of said bonds shall be known and designated as General Public Improvement Bond, 1931.

Section 3. That said bonds shall be sold by the Mayor and the City Controller, at not less than par and accrued interest, after giving such notice of sale as may be required by law.

Section 4. That until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed annually upon all subjects now by law liable, or hereafter to be made liable, to assessment, for taxation for City purposes, an annual tax, commencing the first year after said debt shall have been increased or incurred, namely the year 1932, sufficient to pay the interest on said bonds as the same shall accrue and become payable, and any tax on said interest which by the terms of said bonds is assumed by the City and also an annual tax commencing in said year equal to 6.66% of the total amount of said bonds hereby authorized, to be set apart as a sinking fund for the payment of the principal and redemption of said bonds as they become due and payable according to their terms, and the same is hereby appropriated out of the revenue of said City for the payment and redemption aforesaid.

Section 5. That all bonds issued by the authority of this ordinance and the Acts of Assembly authorizing the same shall be and become part of the funded debt of the City of Pittsburgh, and shall be entitled to all the rights, privileges and immunities thereof, and shall be free from taxation, as aforesaid, and for the payment of the principal of said bonds and the interest thereon semi-annually as the same shall become payable, the faith, honor, credit and property of said City are hereby pledged.

Section 6. That the form of coupon bonds issued in pursuance of this ordinance shall be substantially as follows:

**AN ORDINANCE**—Fixing and re-fixing the width and position of the roadway and sidewalks of Noblestown road, from the point of curve east of Obey avenue to Baldwin road, providing for slopes, parking, retaining walls and steps and establishing and re-establishing the grade thereof.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the width and position of the roadway and sidewalks of Noblestown road, from the point of curve east of Obey avenue to Baldwin road and the grade of the southerly and easterly curb line thereof, from the point of curve east of Obey avenue to the point of curve north of Denisonview street and the grade of the westerly and northerly curb line thereof, from the point of curve north of Denisonview street to Baldwin road, be and the same are hereby fixed and re-fixed, established and re-established as follows, to-wit:*

The following described survey line shall be used as a reference line for the purpose of this Ordinance:

Beginning on the present southerly 7.0 foot curb line of Noblestown road at a point of curve perpendicularly opposite and 7.0 feet north of the point of curve in the southerly line of Noblestown road, east of Obey avenue, said point of beginning to be known as Station 0+0.0; thence shall extend westwardly parallel to the southerly line of the street, as widened by Ordinance No. 1, approved January 15, 1931, by the arc of a circle deflecting to the left with a radius of 507.0 feet and a central angle of  $38^{\circ} 08' 00''$  to a point of tangent at Station 3+37.44; thence by the tangent, continuing parallel to the southerly street line, south  $63^{\circ} 05' 20''$  west to a point of curve at Station 5+38.37; thence westwardly, continuing parallel to the southerly street line, by the arc of a circle deflecting

to the right with a radius of 443.0 feet and a central angle of  $35^{\circ} 52' 20''$  to a point of tangent, at Station 8+15.73; thence by the tangent, continuing parallel to the southerly street line, north  $81^{\circ} 02' 20''$  west to a point of curve at Station 10+06.12; thence westerly by the arc of a circle deflecting to the right with a radius of 1124.28 feet and a central angle of  $2^{\circ} 40' 00''$  to a point of compound curve at Station 10+58.45; thence westwardly by the arc of a circle deflecting to the right with a radius of 444.85 feet and a central angle of  $21^{\circ} 39' 00''$  to a point of tangent at Station 12+26.54; thence by the tangent, north  $56^{\circ} 43' 20''$  west to a point of curve at Station 13+90.24; thence westwardly and southwardly by the arc of a circle deflecting to the left with a radius of 100.0 feet and a central angle of  $163^{\circ} 53' 00''$  to a point of tangent at Station 16+76.27; thence by the tangent, parallel to and at a perpendicular distance of 10.0 feet west of the easterly line of Noblestown road, as widened by the above mentioned Ordinance, south  $40^{\circ} 36' 20''$  east to a point of curve at Station 20+45.98; thence southwardly by the arc of a circle deflecting to the left with a radius of 2340.20 feet and a central angle of  $5^{\circ} 31' 40''$  to a point of tangent at Station 22+71.76; thence by the tangent, parallel to and at a perpendicular distance of 8.0 feet west of the easterly street line, south  $46^{\circ} 08' 00''$  east to a point at Station 27+24.39; thence westwardly by an off-set perpendicular to the preceding course for a distance of 36.0 feet to a point of curve, to be known also as Station 27+24.39, said point of curve being perpendicularly opposite and 8.0 feet east of the point of curve in the westerly line of Noblestown road north of Denisonview street; thence southwardly, parallel to the westerly street line, by the arc of a circle deflecting to the right with a radius of 508.0 feet and a central angle of  $79^{\circ} 04' 00''$  to a point of compound curve at Station 34+25.42; thence southwestwardly by the arc of a circle deflecting to the right with a radius of 538.11 feet and a central angle of  $21^{\circ} 0' 00''$  to a point of tangent at Station 36+22.65; thence by the tangent, parallel to and at a perpendicular distance of 10.0 feet east of the westerly street line, south  $53^{\circ} 56' 00''$  west to a point of curve at Station 38+70.68; thence southwestwardly, continuing parallel to the westerly street line, by the arc of a circle deflecting to the left with a radius of 1546.0 feet and a central angle of  $9^{\circ} 47' 40''$  to a point

of tangent at Station 41+34.96; thence by the tangent, continuing parallel to the westerly street line, south  $44^{\circ} 08' 20''$  west to a point of curve at Station 44+74.45; thence southwardly by the arc of a circle deflecting to the left with a radius of 453.0 feet and a central angle of  $39^{\circ} 04' 00''$  to a point of tangent at Station 47+83.32; thence by the tangent, parallel to and at a perpendicular distance of 10.0 feet east of the westerly street line, south  $5^{\circ} 04' 20''$  west to a point of curve at Station 56+08.32; thence southwestwardly, continuing parallel to the westerly street line, by the arc of a circle deflecting to the right with a radius of 410.0 feet and a central angle of  $61^{\circ} 20' 30''$  to a point of tangent at Station 60+47.27; thence by the tangent, parallel to the northerly street line, south  $66^{\circ} 24' 50''$  west to a point of curve at Station 67+87.93; thence westwardly by the arc of a circle deflecting to the right with a radius of 112.0 feet and a central angle of  $47^{\circ} 28' 40''$  to a point of tangent on the northerly 6.0 foot curb line of Baldwin road at Station 68+80.74, said point of tangent being radially opposite and 6.0 feet south of the point of tangent in the northerly street line.

The southerly and easterly curb line, from Station O+O.O on the above described survey line, to Station 27+24.39 on the same, shall coincide with the above described survey line; thence shall extend beyond the latter mentioned Station south  $46^{\circ} 08' 00''$  east 21.58 feet to a point of curve; thence southcastwardly by the arc of a circle deflecting to the right with a radius of 487.78 feet and a central angle of  $21^{\circ} 0' 00''$  for an arc distance of 178.78 feet to a point of compound curve; thence southwardly by the arc of a circle deflecting to the right with a radius of 548.0 feet and a central angle of  $58^{\circ} 04' 00''$  for an arc distance of 555.37 feet to a point of compound curve; thence southwestwardly by the arc of a circle deflecting to the right with a radius of 517.89 feet and a central angle of  $21^{\circ} 0' 00''$  for an arc distance of 189.82 feet to a point of tangent; thence by the tangent, parallel to and at a perpendicular distance of 10.0 feet west of the easterly street line, south  $53^{\circ} 56' 00''$  west 269.61 feet to a point of curve; thence southwestwardly, continuing parallel to the easterly street line, by the arc of a circle deflecting to the left with a radius of 1510.0 feet and a central angle of  $9^{\circ} 47' 40''$  for an arc distance of 258.13 feet to a point of tangent; thence by the tangent, continuing

parallel to the easterly street line, south  $44^{\circ} 08' 20''$  west 316.07 feet to a point of curve; thence southwardly by the arc of a circle deflecting to the left with a radius of 483.0 feet and a central angle of  $39^{\circ} 04' 00''$  for an arc distance of 329.33 feet to a point of tangent; thence by the tangent south  $5^{\circ} 04' 20''$  west 813.44 feet to a point of curve; thence southwardly by the arc of a circle deflecting to the right with a radius of 426.0 feet to the dividing line between the City of Pittsburgh and Greentree Borough at Poplar street.

The northerly and westerly curb line, from a point perpendicularly opposite Station O+O.O on the above described survey line, to a point of curve 32.14 feet westwardly therefrom shall coincide with the present northerly curb line of Noblestown road; thence shall extend westwardly by the arc of a circle deflecting to the left with a radius of 450.0 feet and a central angle of  $38^{\circ} 08' 00''$  for an arc distance of 299.50 feet to a point of tangent; thence by the tangent south  $63^{\circ} 05' 20''$  west 200.70 feet to a point of curve perpendicularly opposite and 7.0 feet south of a point of curve in the northerly line of Noblestown road, as widened by the above mentioned Ordinance; thence parallel to and at a perpendicular or radial distance south of the northerly street line to a point of curve perpendicularly opposite and 36.0 feet north of the point of curve in the above described survey line at Station 13+90.24; thence westwardly by the arc of a circle deflecting to the left with a radius of 261.0 feet and a central angle of  $36^{\circ} 27' 00''$  for an arc distance of 166.04 feet to a point of tangent; thence by the tangent, south  $86^{\circ} 49' 40''$  west 61.90 feet to a point of curve; thence westwardly by the arc of a circle deflecting to the left with a radius of 53.14 feet and a central angle of  $28^{\circ} 04' 00''$  for an arc distance of 26.03 feet to a point of reverse curve; thence westwardly by the arc of a circle deflecting to the right with a radius of 53.14 feet and a central angle of  $28^{\circ} 04' 00''$  for an arc distance of 26.03 feet to a point of reverse curve; thence westwardly by the arc of a circle deflecting to the right with a radius of 53.14 feet and a central angle of  $28^{\circ} 04' 00''$  for an arc distance of 26.03 feet to a point of tangent on the northerly curb line of Crafton boulevard; thence from the southerly line of the Right of Way of the Pittsburgh, Carnegie and Mansfield Street Railways Company, to the angle north of Bartow street, shall be parallel to and at a

perpendicular distance of 10.0 feet east of the westerly line; thence to the point of curve north of Denisonview street at Station 27+24.39 shall be parallel to and at a perpendicular distance of 8.0 feet east of the westerly street line; thence to Baldwin road shall coincide with the above described survey line.

The roadway from Station 0+0.0 to Station 13+90.24 shall have a general width of 36.0 feet; thence to Station 16+76.27 a variable width; thence to the dividing line between the City of Pittsburgh and Greentree Borough at Poplar street, a general width of 36.0 feet. The roadway from Station 0+0.0 to the dividing line between the City of Pittsburgh and Greentree Borough at Poplar street shall occupy that portion of the street lying between the above described curb lines; thence to Baldwin road shall have a variable width and occupy that portion of the street lying between the above described westerly and northerly curb line and the dividing line between the City of Pittsburgh and Greentree Borough.

The sidewalks from Station 0+0.0 to Crafton boulevard shall each have a uniform width of 7.0 feet and lie along and contiguous to their above described respective curb lines; thence to the curve and angle north of Bartow street shall each have a uniform width of 10.0 feet and occupy the portion of the street lying between their above described respective curb lines and street lines; thence to Station 34+25.42 shall each have a uniform width of 8.0 feet and lie along and contiguous to their above described respective curb lines; thence to Station 36+22.65 shall each have a variable width ranging from 8.0 feet to 10.0 feet and lie along and contiguous to their above described respective curb lines; thence to the dividing line between the City of Pittsburgh and Greentree Borough shall each have a general width of 10.0 feet and lie along and contiguous to their above described respective curb lines; thence to Baldwin road the westerly and northerly sidewalk shall have a general width of 10.0 feet, reducing by the curve at Baldwin road from 10.0 feet to 6.0 feet to meet the northerly sidewalk of Baldwin road, and shall occupy the portion of the street lying between the above described westerly and northerly curb line and the westerly and northerly street line.

The remaining portions of the street lying without the lines of the roadway and side-

**AN ORDINANCE**—Authorizing the Pittsburgh and Lake Erie Railroad Company to extend the switch track across Seventeenth street, in the 17th Ward of the City of Pittsburgh.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Pittsburgh and Lake Erie Railroad Company is hereby authorized to extend the most northerly switch track, as shown on a certain plan marked "P. & L. E. R. R. (P. & L. E. Div.) Location of side track*

for the Kissane Supply Company," dated December 30, 1930, and on file in the office of the Department of Public Works of the City of Pittsburgh, from its present terminus a short distance east of Seventeenth street to the southerly side of Seventeenth street, a total distance of approximately one hundred twenty (120) feet.

Section 2. The said company prior to the construction of switch track shall submit to the Director of the Department of Public Works of the City of Pittsburgh a complete set of plans showing location of all surface and sub-surface structures in detail for the construction of said switch track and the plans and construction of switch track shall be subject to the approval and supervision of the Director of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets, and to the ordinances of the City of Pittsburgh relating thereto and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of switch track on City Streets, and compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said switch track. All of the said work, including the repaving of the street damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said switch track upon giving six (6) months' notice through the proper officers pursuant to resolution or ordinance of Council to the said Pittsburgh and Lake Erie Railroad Company, their successors and assigns, to that effect; and that the said grantee shall, when so notified, at the expiration of the said six months, forthwith, remove the said switch track and replace the street to its original condition, at its own cost and expense.

Section 6. The said grantee shall assume

any liability of the City of Pittsburgh for damages to persons or property, including the street and sub-surface structures therein, by reason of the construction, maintenance and use of the said switch track, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to-wit: This ordinance shall become null and void unless within sixty (60) days after its passage and approval, the Pittsburgh and Lake Erie Railroad Company shall file with the City Controller its certificate of acceptance and the provisions thereof, said certificate to be executed by the President and Secretary of the Company, with its corporate seal attached.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

**AN ORDINANCE**—Authorizing the Mayor and the Director of the Department of Public Works, for and on behalf of the City of Pittsburgh, to execute an Agreement with the Pittsburgh and West Virginia Railway Company for the construction of a footbridge at or near Castor street, now vacated.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works, for and on behalf of the City of Pittsburgh, are hereby authorized to execute and deliver an Agreement with the Pittsburgh and West Virginia Railway Company for the construction of a footbridge at or near Castor street, now vacated, said Agreement to be in the following language:—*

### AGREEMENT

Made this ..... day of ..... between the City of Pittsburgh, a Municipal Corporation of the County of Allegheny, Pennsylvania, and a City of the second class, party of the first part, and hereinafter called the "City", and the Pittsburgh and West Virginia Railway Company, party of the second part, hereinafter called the "Railway Company".

WHEREAS, under the authority granted by Ordinance No. 349, approved February 4th, 1903, the Pittsburgh, Carnegie and Western Railroad Company constructed their tracks through a portion of the City of Pittsburgh; and,

WHEREAS, as required by said Ordinance No. 349, the Pittsburgh, Carnegie and Western Railroad Company constructed, or caused to be constructed, a bridge over their tracks at Castor street and thereupon maintained said structure; and,

WHEREAS, the said City by Ordinance No. 695, signed by the Mayor November 1st, 1929, vacated Castor street from Adolph street to Independence street, which limits included the Castor Street Bridge; and,

WHEREAS, following the passage of said Ordinance No. 695, the Railway Company removed the Castor Street Bridge to the great inconvenience of the residents at that district of the City known as "Chicken Hill"; and,

WHEREAS, the Pittsburgh and West Virginia Railway Company is successor to the

Pittsburgh, Carnegie and Western Railroad Company; and,

WHEREAS, the City is desirous of constructing and maintaining a footbridge over the tracks of, and on property owned by, the said Railway Company in the 20th Ward of said City, and the said Railway Company is willing to permit such construction by the City and access thereto by the public; Now, this Agreement

WITNESSETH, That for the consideration and advantages moving from one to the other, the parties hereto mutually covenant and agree to and with each other, their successors and assigns, forever, as follows:

1. The said City agrees at its sole cost and expense to furnish and erect a footbridge, together with foundations, supports and approach steps and walks on the property and over the tracks of the said Railway Company at or near Castor street, now vacated, in general accord with Bureau of Bridges (City) drawing No. F-4466, identified by the signatures of the Director of the Department of Public Works of the said City and the Chief Engineer of the Pittsburgh and West Virginia Railway Company and filed in the Bureau of Bridges of the said City, a copy of which plan is hereto annexed and made part hereof.

2. The said City agrees that the approval of the Chief Engineer of the said Railway Company will be secured to the contract plans before work is started in the field.

3. The said City agrees to maintain this bridge in proper repair, together with foundations, approach steps, walks, etc., including entire reconstruction when necessary. Should the City fail to properly maintain the structure and its condition become hazardous to said Railway Company, then the said Railway Company may, after sixty (60) days' written notice to said City, repair or remove the structure and charge the cost and expense of the same to said City.

4. The said City agrees to indemnify, protect and save harmless the said Railway Company from all loss and damage and from claims and demands for damages caused by or in any manner growing out of the construction and maintenance and use by the public of the said new footbridge, approach walks, steps, etc.

5. The said Railway Company agrees to permit the City to occupy the land necessary for the footbridge, foundations, supports and approach steps and walks where the

same are located on property of the said Railway Company and to provide the City with reasonable facilities for the construction, inspection, repair and reconstruction of said structures.

6. It is expressly agreed and understood by both parties hereto that all work in connection with the construction and the repair of said bridge, and all work incidental thereto, shall be performed by the City without cost to the said Railway Company, and in a manner to be approved by the Chief Engineer of the Railway Company.

7. It is expressly understood and agreed that the terms of this agreement will not be binding upon the parties hereto until and unless the same is approved by the Public Service Commission of the Commonwealth of Pennsylvania.

**AN ORDINANCE**—Granting unto the Harris Pump and Supply Company, its successors and assigns, the right to construct, maintain and use a switch siding across Sidney street at grade between the Lake Erie Railroad yards and the property of the Harris Pump and Supply Company, located approximately 62.50 lineal feet east of Brady street, 16th Ward, Pittsburgh, Pa., for the purpose of conveying materials, etc., to the property of the Harris Pump and Supply Company.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Harris Pump and Supply Company, its successors and assigns, be and they are hereby given the right and authority, at*

*their own cost and expense, to construct, maintain and use a switch siding across Sidney street at grade between the Lake Erie Railroad yards and the property of the Harris Pump and Supply Company, located approximately 62.50 lineal feet east of Brady street, 16th Ward, Pittsburgh, Pa., for the purpose of conveying materials, etc., to the property of the Harris Pump and Supply Company. The said track shall be constructed in accordance with the provisions of this ordinance and in accordance with the plans hereto attached and identified as Accession No. 375, Folder B, in the files of the Division of Public Utilities, Bureau of Highways and Sewers, Department of Public Works, entitled, "Proposed Switch Siding across Sidney street for the Harris Pump and Supply Company, 16th Ward, Pittsburgh, Pa."*

Section 2. The said Company prior to beginning the construction of the said track shall submit to the Director of the Department of Public Works of the said City a complete set of plans in triplicate, showing the location and all details for the construction of the said track, and said plans and the construction of the said track shall be subject to the approval and supervision of the said Director.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets, and to the Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general Ordinance which may hereafter be passed relating to the construction, maintenance and use of tracks on City streets and compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of the said track. All of the said work, including the repaving of the street damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh without liability reserves the right to cause the removal of the said track upon giving six (6) months' notice through the proper officers pursuant to resolution or ordinance

of Council to the said Harris Pump and Supply Company, its successors and assigns, to that effect; and that the said grantee, when so notified, shall at the expiration of said six months forthwith remove the said track and replace the street to its original condition at its own cost and expense.

Section 6. The said grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the street and sub-surface structures therein, by reason of the construction, that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to-wit:—This Ordinance shall become null and void unless within thirty (30) days after the passage and approval of this Ordinance the Harris Pump and Supply Company shall file with the City Controller its certificate of acceptance of this Ordinance, said certificate of acceptance to be executed by the President and Secretary of the Company with its corporate seal attached.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

**AN ORDINANCE**--Fixing the width and position of the northerly sidewalk and the roadways of Carson street West, from Musk way to a point 2124.88 feet westwardly therefrom, providing for slopes, parking, retaining walls and steps and re-establishing the grades thereof.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the width and position of the northerly sidewalk and the roadways and the grades of Carson street West, from Musk way to a point 2124.88 feet westwardly therefrom shall be and the same are hereby re-fixed and re-established as follows, to-wit:

The following described survey line shall be used as a reference line for the purpose of this Ordinance:

Beginning at the intersection of the westerly line of Musk way and the northerly 8.0 foot line of Carson street West, said point of beginning to be known as Station 0+11.12; thence shall extend westwardly, parallel to and at a perpendicular or radial distance of 8.0 feet south of the northerly line of the street as widened by Ordinance No. 56, approved February 7, 1931, to a point at Station 8+36.90; thence westwardly, parallel to and at a perpendicular distance of 15.0 feet south of the northerly street line, to a point at Station 10+46.90; thence westwardly, parallel to and at a perpendicular distance of 8.0 feet south of the northerly street line to a point at Station 14+99.97; thence continuing westwardly, along the last mentioned course produced, to a point of curve at Station 15+27.54; thence westwardly by the arc of a circle deflecting to the right with a radius of 400.0 feet and a central angle of 8° 21' 15" to a point of tangent on the northerly 10.0 foot line at Station 15+85.86, meeting at that point the present northerly curb line; thence westwardly coinciding with the present northerly curb line to a point at Station 21+36.0, the last mentioned point being 2124.88 feet west of the westerly line of Musk way as measured along the above described survey line.

The northerly curb line shall coincide with the above described survey line.

The southerly curb line shall begin at the intersection of the westerly line of

Musk way and the present southerly curb line; thence shall extend westwardly, parallel to and at a perpendicular distance of 2.0 feet north of the southerly street line, to a point of curve perpendicularly opposite Station 6+28.59 on the above described survey line; thence westwardly by the arc of a circle deflecting to the right with a radius of 379.11 feet and a central angle of 16° 43' 00" for an arc distance of 110.61 feet to a point of tangent; thence westwardly by the tangent 260.66 feet to a point of curve; thence westwardly by the arc of a circle deflecting to the left with a radius of 500.0 feet and a central angle of 5° 0' 00" for an arc distance of 43.63 feet to a point of tangent; thence westwardly by the tangent 151.37 feet to a point of curve; thence westwardly by the arc of a circle deflecting to the right with a radius of 500.0 feet and a central angle of 5° 0' 00" for an arc distance of 43.63 feet to a point of tangent; thence westwardly by the tangent, parallel to and at a perpendicular distance of 2.0 feet north of the southerly street line, for a distance of 348.03 feet to a point of curve; thence westwardly by the arc of a circle deflecting to the right with a radius of 67.53 feet and a central angle of 18° 20' 20" for an arc distance of 21.61 feet to a point of tangent; thence westwardly by the tangent 263.40 feet to a point of curve; thence westwardly by the arc of a circle deflecting to the left with a radius of 252.28 feet and a central angle of 9° 59' 20" for an arc distance of 43.98 feet to a point of tangent on the present southerly curb line at a point perpendicularly opposite to and 38.0 feet south of the above described survey line at Station 18+73.59 thereon; thence shall coincide with the present southerly curb line to a point perpendicularly opposite Station 21+36.0 on the above described survey line.

The northerly sidewalk, from Musk way to Station 14+99.97 on the above described survey line, shall have a uniform width of 8.0 feet and shall lie along the northerly side of and contiguous to the above described northerly curb line; thence to Station 15+85.86 a variable width ranging from 8.0 feet to 10.0 feet; thence to Station 21+36.0 shall coincide with the present northerly sidewalk.

The roadway from Musk way to a point about Station 2+09.0 on the above described survey line shall have a variable width ranging from 50.0 feet to 88.0 feet and

shall occupy the portion of the street lying between the above described curb lines; thence to about Station 15+77.50 a roadway for west bound traffic having a uniform width of 20.0 feet shall lie along the southerly side of and contiguous to the above described northerly curb line.

From about Station 2+09.0 to about Station 15+27.50 a roadway for east bound traffic having a uniform width of 20.0 feet shall lie along the northerly side of and contiguous to the above described southerly curb line.

A ramp and viaduct shall be constructed from about Station 2+09.0 to about Station 15+52.50, the roadway of which, from about Station 2+09.0 to Station 6+28.59 at the intersection of South Main street shall have a uniform width of 40.0 feet which roadway shall be parallel to and midway between the above described 20.0 foot roadways; thence to Station 12+13.94 at the intersection of Steuben street the roadway of the ramp and viaduct shall have a variable width and shall lie between the following described curb lines:

The northerly curb line thereof, from Station 6+28.59 to Station 8+30.90, shall be parallel to and at a radial distance of 24.0 feet south of the above described survey line; thence at a variable distance south of the above described survey line to a point perpendicularly opposite to and 20.23 feet south of the above described survey line at Station 10+25.52; thence parallel to the above described survey line, to Station 11+78.03; thence at a variable distance south of the above described survey line to a point perpendicularly opposite to and 24.0 feet south of the above described survey line at Station 12+13.94 thereon.

The southerly curb line thereof, from the intersection of South Main street to the intersection of Steuben street shall be parallel to and at a perpendicular or radial distance of 2.0 feet north of the southerly street line.

The roadway of the ramp and viaduct from Station 12+13.94 to about Station 15+52.50 shall have a general width of 40.0 feet, which roadway shall be parallel to and midway between the above described 20.0 foot roadways.

From about Station 15+52.50 to Station 18+73.59 the roadway shall have a variable width and shall lie between the above described curb lines; thence to Station 21+36.0 shall coincide with the present roadway.

The remaining portions of the street lying without the lines of the northerly sidewalk and the roadways, as above described, shall be used for slopes, parking, retaining walls and steps.

Section 2. The grade of the northerly curb line shall begin at the westerly line of Musk way at an elevation of 37.35 feet (curb as set); thence shall rise at the rate of 0.50% for a distance of 197.99 feet to a point of curve to an elevation of 38.34 feet; thence by a convex parabolic curve for a distance of 100.0 feet to a point of tangent to an elevation of 38.19 feet; thence shall fall at the rate of 0.80% for a distance of 560.04 feet to a point of curve to an elevation of 33.71 feet; thence by a concave parabolic curve for a distance of 50.0 feet to a point of tangent to an elevation of 33.73 feet; thence shall rise at the rate of 0.90% for a distance of 98.92 feet to a point of curve to an elevation of 34.62 feet; thence by a convex parabolic curve for a distance of 50.0 feet to a point of tangent to an elevation of 34.64 feet; thence shall fall at the rate of 0.85% for a distance of 409.47 feet to a point of curve to an elevation of 31.16 feet; thence by a concave parabolic curve for a distance of 100.0 feet to a point of tangent to an elevation of 31.12 feet; thence shall rise at the rate of 0.77% for a distance of 202.30 feet to a point of curve to an elevation of 32.67 feet; thence by a convex parabolic curve for a distance of 100.0 feet to a point of tangent to an elevation of 32.61 feet; thence shall fall at the rate of 0.92% for a distance of 256.16 feet to a point at Station 21+36.0 on the above described survey line to an elevation of 30.25 feet (curb as set).

Section 3. The grade of the northerly curb line of the ramp and viaduct shall begin at a point opposite Station 2+09.11 on the above described survey line at an elevation of 38.34 feet; thence shall rise by a concave parabolic curve for a distance of 100.0 feet to a point of tangent to an elevation of 41.09 feet; thence shall rise at the rate of 5.0% for a distance of 219.48 feet to a point of curve to an elevation of 52.06 feet; thence by a concave parabolic curve for a distance of 100.0 feet to a point of tangent to an elevation of 55.21 feet; thence shall rise at the rate of 1.30% for a distance of 209.31 feet to a point to an elevation of 57.93 feet; thence shall rise at the rate of 1.05% for a distance of 128.92 feet to a point to an elevation of

59.29 feet; thence shall fall at the rate of 1.57% for a distance of 65.70 feet to a point to an elevation of 58.26 feet; thence shall fall at the rate of 1.50% for a distance of 88.42 feet to a point of curve to an elevation of 56.93 feet; thence by a convex parabolic curve for a distance of 100.0 feet to a point of tangent to an elevation of 52.68 feet; thence shall fall at the rate of 7.0% for a distance of 263.60 feet to a point of curve to an elevation of 34.23 feet; thence by a concave parabolic curve for a distance of 100.0 feet to a point opposite Station 15+77.54 to an elevation of 31.12 feet.

Section 4. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

**AN ORDINANCE**—Authorizing the Mayor and the Director of the Department of Public Works to execute an Agreement with the Secretary of Highways, acting for and on behalf of the Commonwealth of Pennsylvania, for the improvement of Wilkins avenue, from Beechwood boulevard to South Dallas avenue.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works, for and on behalf of the City of Pittsburgh, are hereby authorized and directed to execute an Agreement with the Secretary of Highways, acting for the Commonwealth of Pennsylvania, for the improvement of Wilkins avenue, from Beechwood boulevard to South Dallas avenue, said Agreement to be in the following language:*

### THIS AGREEMENT

Made and entered into this.....day of ....., 1931, by and between the Secretary of Highways, acting for and on behalf of the Commonwealth of Pennsylvania, hereinafter called the Commonwealth, of the first part, and the City of Pittsburgh, in

Allegheny County, by its duly authorized officials, hereinafter called the City of the second part.

WHEREAS, By Act of Assembly No. 409, approved May 1, 1929, certain moneys were appropriated to the Department of Highways to be allocated among the Cities of the Commonwealth for the improvement, construction, reconstruction and/or maintenance of City streets which are not on the plan of the State Highway System, but which are continuations of State Highways entering such Cities, or running through such Cities, or which furnish the shortest or most convenient route through such Cities for the traveling public, and

WHEREAS, the sum of \$217,453.40 has been allocated to the City from said appropriation by the Department of Highways for the purpose of reconstructing or improving said streets forming continuations of State Highways through the City as provided in said Act, and

WHEREAS, the sum of \$34,267.71 has been set aside from the City's allocation from said appropriation for the purpose of reconstructing the following portion of street which has been designated as the shortest or most convenient route for the traveling public through the City, and

WHEREAS, the Department of Highways has made a survey of existing conditions and as a result designated Wilkins avenue as the shortest or most convenient route for the traveling public through said City forming a part or section of Routes 120 and 187, the portion of which to be improved under the provisions of this agreement being more fully described as follows: Beginning at the intersection of Beechwood boulevard and continuing in an easterly direction along Wilkins avenue to an intersection with S. Dallas avenue, a distance of approximately 2130 feet, and

WHEREAS, it is desired to reconstruct said Wilkins avenue as hereinbefore designated for the purpose of safely and adequately accommodating the traveling public in and through said City,

NOW, THEREFORE, THIS AGREEMENT WITNESSETH, That the parties hereto do agree as follows, viz:

First—That the Commonwealth through its Department of Highways shall prepare or approve plans and specifications in accordance with its adopted standard for the reconstruction of said street to a width of

48 feet between curbs and that following the award of the contract the Department of Highways shall inspect and supervise the work of construction and shall assume the cost of all engineering and inspection services rendered by the Commonwealth in connection therewith.

Second—That the City shall advertise for bids in accordance with the plans and specifications, prepared and approved, or approved by the Department of Highways and shall award contract or contracts for the improvement of said street to the lowest responsible bidder subject to the approval of the Department of Highways acting for and on behalf of the Commonwealth, and all work done under said contract shall be subject to inspection and approval of the Department of Highways.

Third—That the City agrees to give all notices necessary to fully advise all parties concerned of the proposed improvement and to compel all public utility companies to make any necessary replacements or renewals of any of their structures located within the lines of the improvement, as hereinbefore described, prior to the commencement of work under said contract.

Fourth—That prior to the commencement of the work the City agrees, if necessary, to establish and thereafter maintain at its own cost and expense an adequate detour sufficiently posted for the guidance of the traveling public for such length of time as may be necessary or until the improvement herein contemplated has been completed and accepted, and the streets opened and made available to public travel.

Fifth—It is further understood and agreed that the payment of the share of the Commonwealth shall be made on completion of the improvement, as herein designated, and its final acceptance by the Department of Highways, or from time to time as estimates become due and payable for work done and approved by the Department of Highways under said contract, on estimates furnished and approved by the Director of Public Works, City of Pittsburgh. If payment of the City's allocation is requested from time to time the amount to be paid by the Commonwealth in such instance shall be the same percentage of the estimate as the amount of the allocation for this project is to the amount of the contract. Provided, however, in cases when the contract price is less than the allocation for the project, the Department of Highways pay the full amount of the current estimate, less the

retained amount recommended by the Division Engineer, not to exceed the amount allocated to the particular project.

Sixth—That the City shall pay to the contractor the amount of all estimates approved by the Department of Highways and in addition thereto agrees to assume any and all costs and expenses in connection with said improvement over and above the amount of the allocation for this project to the said City, exclusive of engineering and inspection expenses incurred by the Commonwealth.

Seventh—That the City, without any cost or expense to the State, shall establish or re-establish the necessary lines and grades of said Wilkins avenue between the points hereinbefore designated in the customary manner as prescribed by law.

Eighth—This agreement is entered into by the City of Pittsburgh pursuant to Ordinance No. ...., approved....., and recorded in Ordinance Book Volume..... Page.....

IN WITNESS WHEREOF, The Secretary of Highways, for and on behalf of the Commonwealth of Pennsylvania, has hereunto affixed his hand and seal of the Department of Highways and the City Officials of the City of Pittsburgh, acting for and on behalf of said City have caused this agreement to be executed in the proper manner and fashion the day and year first above written.

## No. 161

**AN ORDINANCE**—Authorizing the Mayor and the Director of the Department of Public Works to execute a Supplementary Agreement with the Secretary of Highways acting for and on behalf of the Commonwealth of Pennsylvania, for the nullification of an Agreement entered into between the City of Pittsburgh and the Commonwealth of Pennsylvania pursuant to terms of Ordinance of Council No. 32, City of Pittsburgh, approved February 26, 1930, in connection with the improvement of State Highway Route No. 330, a portion of which is located within the City of Pittsburgh, formerly Overbrook Borough.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Mayor and the Director of the Department of Public Works, for and on behalf of the City of Pittsburgh, are hereby authorized and directed to execute a Supplementary Agreement with the Secretary of Highways, acting for and on behalf of the Commonwealth of Pennsylvania, for the nullification of an agreement entered into between the City of Pittsburgh and the Commonwealth of Pennsylvania pursuant to terms of Ordinance of Council No. 32, City of Pittsburgh, approved February 26, 1930, in connection with the improvement of State Highway Route No. 330, a portion of which is located within the City of Pittsburgh, formerly Overbrook Borough, said Supplementary Agreement to be in the following language:

**SUPPLEMENTARY AGREEMENT No. 1233**

Made and entered into this.....day of ....., 1931, by and between the Secretary of Highways, acting for and on behalf of the Commonwealth of Pennsylvania, hereinafter called the "Commonwealth", of the first part, and the City of

Pittsburgh in Allegheny County, by its Mayor and Director of the Department of Public Works, hereinafter called the "City", of the second part.

WHEREAS, Under date of March 3, 1930, Agreement No. 1233 was entered into by and between the Commonwealth and the City in accordance with Act No. 409, approved May 1, 1929 (P. L. 1054) and Ordinance of Council No. 32, City of Pittsburgh, approved February 26, 1930, recorded in Ordinance Book Volume....., Page....., and

WHEREAS, This Agreement set aside the sum of \$27,473.96 from the City's allocation of said appropriation amounting to \$217,453.40 for the purpose of constructing and reconstructing Stewart avenue, Fairhaven road and Library road from the Baldwin Township-Pittsburgh City Line, Station 578+75, to a point 24 feet north of the north curb line of Maine street, Station 604+50, on said Library road, being designated as the shortest or most convenient continuation of State Highway Route No. 330 for the travelling public through the City, and

WHEREAS, The Attorney General of the Commonwealth of Pennsylvania has ruled that said funds cannot legally be used on this particular improvement for the payment of the City's portion since the contract for same was originally executed by Overbrook Borough, which Borough subsequently became a part of the City of Pittsburgh, and

WHEREAS, By virtue of the foregoing, Council of the City of Pittsburgh ordained and enacted into a law the third day of July, 1930, Ordinance No. 361 recorded in Ordinance Book Volume 43, Page 3, amending Section One of the Agreement set forth in Ordinance No. 32, approved February 26, 1930, to read as follows:

"That the City of Pittsburgh hereby agrees to pay to the said S. J. Groves & Sons Company, contractor, the cost of said work that has been agreed to be paid by Overbrook Borough, said payments to be made in the following manner: Within 10 days after approval by the Director of the Department of Public Works of the City of items of work involved in the City's share of this improvement that are included in monthly estimates, or in the final estimate, submitted by the Secretary of Highways, State of Pennsylvania, the City agrees to draw warrants in favor of S. J. Groves & Sons Company, contractor, less 10% of the amount involved in current monthly esti-

mates, the remainder of the full contract price to be paid on the final estimate.

Said highways when completed and accepted by the State and the Department of Public Works of the City of Pittsburgh, shall be maintained to its full width by the City of Pittsburgh, the same as any other City street."

NOW, THEREFORE, THIS AGREEMENT WITNESSETH, That the parties hereto do agree as follows:

That Agreement No. 1233, approved March 3, 1930, for the contemplated construction and reconstruction of a continuation of State Highway Route No. 330 through the City of Pittsburgh, formerly Overbrook Borough, be hereby declared null and void and that the sum of \$27,473.96 as set aside, be released for reallocation to other streets forming continuations of the State Highway System through the City in accordance with Act of Assembly No. 409, approved May 1, 1929.

IN WITNESS WHEREOF, The Secretary of Highways, for and on behalf of the Commonwealth of Pennsylvania, has hereunto affixed his hand and seal of the Department of Highways, and the City of Pittsburgh, by its Mayor and the Director of Department of Public Works, by authority of Ordinance No....., approved....., 1931, has hereunto affixed their hands and seal all on the day and date first above written.

## No. 167

**A**N ORDINANCE—Authorizing the Mayor and the Director of the Department of Public Works to execute a contract of lease to the West Penn Sand and Gravel Wharf Company for use in conducting the business of a public wharf on a portion of River avenue (formerly Bank lane) west of the Sixteenth Street Bridge, and fixing the rental and other terms and conditions of said lease.

WHEREAS, the West Penn Sand and Gravel Wharf Company has made an application to the Governor for a charter as a corporation for the purpose of constructing and maintaining a public and private wharf on the north bank of the Allegheny River west of the Sixteenth Street Bridge; which application has been granted by the Public Service Commission; and

WHEREAS, it is for the best interests of the City of Pittsburgh and its citizens that the West Penn Sand and Gravel Wharf Company does erect, construct and maintain a public wharf on the property hereinafter described; therefore,

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Mayor and the Director of the Department of Public Works be and they are hereby authorized and empowered, on behalf of the City of Pittsburgh, to execute a contract of lease with the West Penn Sand and Gravel Wharf Company, for the purpose of erecting, constructing, maintaining and operating by the said Company of a public wharf on all those certain lots or pieces of ground situate in the City of Pittsburgh, County of Allegheny and State of Pennsylvania, being a portion of River

avenue (formerly Bank lane), and lying between the right-of-way of the Baltimore and Ohio Railroad Company and the Allegheny River, as shown on the accompanying survey, more particularly bounded and described as follows, to-wit:

(a) BEGINNING at a point on the south line of the right-of-way of the Baltimore and Ohio Railroad Company at a point distant two hundred and seventy (270) feet eastwardly from the easterly line of Warfield street produced; thence eastwardly along the right-of-way line of the Baltimore and Ohio Railroad Company, a distance of three hundred and seventy (370) feet to the west line of the Sixteenth Street Bridge, and extending a distance of forty (40) feet, more or less, southwardly from the said right-of-way line of the Baltimore and Ohio Railroad Company to the low water line of the Allegheny River, preserving the width of approximately three hundred and seventy (370) feet throughout.

(b) BEGINNING on the south curb line of River avenue at a point distant one hundred and thirty-seven (137) feet eastwardly from the east line of Warfield street produced; thence in an easterly direction along the south curb line of River avenue, a distance of one hundred (100) feet; thence extending southwardly therefrom, and preserving an even width of one hundred (100) feet throughout, a distance of sixteen (16) feet to the right-of-way of the Baltimore and Ohio Railroad Company.

Section 2. Said lease shall be for the term of ten (10) years and two (2) months, commencing March 1, 1931, and expiring April 30, 1941, and shall provide for the payment to the City Treasurer of the total rental of Thirty Thousand Five Hundred (\$30,500.00) Dollars, payable in the manner following: At the rate of Three Thousand (\$3,000.00) Dollars per annum, payable in monthly installments in advance during the term of this lease.

Section 3. The said West Penn Sand and Gravel Wharf Company shall have the right to use the land described in Section one of this Ordinance for the erection, construction, maintenance and operation of a public wharf, and shall have the right to erect, construct, maintain and operate the necessary hoists, derricks, bins, tracks, scales, scale house, approaches, driveways, and all other equipment and appurtenances as are or may be necessary to the maintenance and operation of such public wharf, and the

right to remove or cause to be removed from time to time, and upon the termination of this lease for any cause, any and all hoists, derricks, bins, scales, scale houses, tracks and other property which may be installed upon said premises under said lease, it being the intent and purpose of this Ordinance that the law of fixtures shall not apply to any such property so installed.

Section 4. The said lease, hereby authorized, shall also contain such other provisions, terms and conditions as the Mayor and the Director of the Department of Public Works may deem proper and necessary to protect the City's rights and to carry out the purposes of said lease.

Section 5. After the said lease shall have been in force for a period of five (5) years, the City of Pittsburgh shall have the right, upon Resolution of Council setting forth that the City requires the leased premises for any municipal or public use, to cancel the said lease upon six months' notice in writing to the Lessee, and at the end of the period mentioned in said notice the Lessee shall thereupon give up quiet and peaceable possession of the said leased premises to the City of Pittsburgh.

Section 6. This Ordinance shall be null and void unless the Public Service Commission shall issue a certificate of public convenience to the West Penn Sand and Gravel Wharf Company, for the purpose of conducting a public and private wharf and the Governor shall issue a charter for said corporation.

Section 7. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

## No. 174

**AN ORDINANCE**—Authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the sum of One Hundred Thousand (\$100,000.00) Dollars, and providing for the issue of bonds of said City in said amount to provide funds for furnishing supplies, materials, equipment, skilled labor and supervision for improvement generally of streets, parks, playgrounds, sewers, etc., the labor to be furnished by the Allegheny County Emergency Association, and providing for the redemption of said bonds and the payment of interest thereon.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the indebtedness of the City of Pittsburgh be increased by the amount of One Hundred Thousand (\$100,000.00) Dollars, to provide funds for furnishing supplies, materials, equipment, skilled labor and supervision for improvement generally of streets, parks, playgrounds, sewers, etc., the labor to be furnished by the Allegheny County Emergency Association and providing for the redemption of said bonds and the payment of interest thereon.

Section 2. That bonds of the City of Pittsburgh in the aggregate principal amount of One Hundred Thousand (\$100,000.00) Dollars, be issued for the purposes aforesaid. Said bonds shall be in denominations of One Hundred (\$100.00) Dollars or multiples thereof; shall be dated as of the first day of April, 1931; and shall be payable in ten (10) equal annual installments

of Ten Thousand (\$10,000.00) Dollars each, one of which shall mature on the first day of April in each of the years 1932 to 1941 inclusive. Said bonds shall bear interest at the rate of four and one-quarter per centum (4¼%) per annum, payable semi-annually on the first days of April and October in each year, without deduction for any taxes which may be levied thereon by the State of Pennsylvania pursuant to any present or future law, the payment of which is hereby assumed by the City of Pittsburgh. The principal and interest of said bonds shall be payable in lawful money of the United States of America at the office of the City Treasurer of said City. Said bonds shall be coupon bonds exchangeable at the option of the holder for a registered bond or bonds of the same maturity and of the denomination of One Hundred (\$100.00) Dollars or a multiple thereof, not exceeding the aggregate principal amount of the coupon bonds surrendered in exchange therefor, by surrendering such coupon bond or bonds with all coupons not yet due, at the office of the City Controller, and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be engraved and to issue the same in the name of the City of Pittsburgh, the expense to be charged to Appropriation No. 42, Contingent Fund. Registered bonds shall be registered with the City Treasurer, and shall be transferable only on the books of the said City Treasurer. Said bonds shall be signed by the Mayor, countersigned by the City Controller and sealed with the corporate seal of the City of Pittsburgh, and the coupons attached thereto shall be authenticated with facsimile signature of the City Controller. In case of the absence or disability of any of such officials, the bonds shall be signed by the City official authorized by law or by resolution of Council to act in his place. Each of said bonds shall be known and designated as General Improvement Bond, 1931.

Section 3. That said bonds shall be sold by the Mayor and the City Controller, at not less than par and accrued interest, after giving such notice of sale as may be required by law.

Section 4. That until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed annually upon all subjects now by law liable, or hereafter to be made liable, to assessment for taxation for City purposes, an annual tax, commencing the first year after said

AN ORDINANCE granting permission to the Monongahela Connecting Railroad Company to extend a switch across Jane street in the Seventeenth Ward of the City of Pittsburgh.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That permission is hereby granted The Monongahela Connecting Railroad Company to extend a switch, known as South 29th Street Team Siding, from its present terminus across Jane street, a distance of 107 feet, more or less, according to a plan marked "Proposed Extension to S-21 Track, D-253, Monongahela Connecting Railroad Co.", dated November 24, 1930, and on file in the office of the Department of Public Works; said siding shall be used in connection with the Highways and Sewers Bureau, Department of Public Works, and as long as it is to be used, no license fee shall be paid therefor, and as soon as the City of Pittsburgh shall discontinue using said extension of track, it shall be removed by the Railroad Company at its own cost and expense.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of switch on City streets and compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other

surface and subsurface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of the said switch. All of the said work, including the repaving of the street damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh without liability reserves the right to cause the removal of the said switch upon giving six (6) months' notice through the proper officers pursuant to resolution or ordinance of Council to the said Monongahela Connecting Railroad Company, its successors and assigns, to that effect; and that the said grantee, when so notified, shall at the expiration of said six months forthwith remove the said switch and replace the street to its original condition at its own cost and expense.

Section 6. The said grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the street and subsurface structures therein, by reason of the construction, maintenance and use of the said switch, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to-wit: This ordinance shall become null and void unless within thirty (30) days after the passage and approval of ordinance The Monongahela Connecting Railroad Company shall file with the City Controller its certificate of acceptance of this ordinance, said certificate of acceptance to be executed by the President and Secretary of the Company with its corporate seal attached.

## No. 195

**A**N ORDINANCE—To supplement an Ordinance entitled, "An Ordinance authorizing and directing the Mayor and the Director of the Department of Public Works, for and in behalf of the City of Pittsburgh, to enter into an Agreement with the County of Allegheny relating to the improvement of the Ohio River boulevard in the City of Pittsburgh, from the western property line of Superior avenue to the Traffic Circle near the intersection of Wortman and Florida streets, including the locating, relocating, opening and widening, establishing and re-establishing the grades, and fixing the lines of the said Ohio River boulevard, and providing for the payment of the City's share of the costs, damages and expenses thereof," approved November 12, 1929.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works, for and in behalf of the City, shall be and they are hereby authorized and directed to enter into an agreement with the County of Allegheny relating to the improvement of the Ohio River boulevard in the following form:*

### AGREEMENT.

MADE this.....day of.....  
1931, between the County of Allegheny, a quasi municipal corporation of Pennsylvania, hereinafter called "County", part of the

first part, and the City of Pittsburgh, a municipal corporation of the State of Pennsylvania, within the limits of said County, hereinafter called "the City", party of the second part.

WHEREAS, the City entered into the agreement provided for in an Ordinance No. 721, approved November 12, 1929, under date of January 6, 1930, and it is provided in Paragraph 7 thereof that "The County further agrees to reimburse the City of Pittsburgh for all damages assessed against the City. Payment for damages shall be made by the County to the City within ninety days after the report of the Viewers to the Court of Common Pleas has been filed, but appeal from any award of damages which seems excessive or unjust to the County, shall be taken by the City at the request of the County", and

WHEREAS, the direct payment by the County to the property owner of damages so assessed will prevent circuity of action and unnecessary delay;

NOW, This Agreement WITNESSETH, That for the purposes aforesaid the parties hereto agree to supplement the agreement set forth in the original Ordinance by adding thereto a new paragraph, designated as paragraph Seventeenth, as follows:

"SEVENTEENTH. Said County may pay directly to property owners abutting on the Ohio River boulevard the amount of money, with interest and costs, if any, awarded to them, or the amounts of judgments obtained for property taken, injured or destroyed in the following cases:

(a) Where the Board of Viewers appointed in the matter of the improvement of the Ohio River boulevard has awarded damages to any property owners and the report has been filed and confirmed absolutely and no appeal taken therefrom.

(b) Where appeal has been taken by the property owner or the City from any award made to any property owner and final judgment has been rendered in favor of the property owner for the amount of said verdict, interest and costs.

(c) Said County, upon the payment of any such amounts, shall procure proper receipts or satisfaction of the records, as the case may be, so that the City may be relieved as a matter of record from the payment of any other sums of money in respect to the particular claim, award, verdict or judgment.

(d) Upon payment to any property owner directly of any amount awarded by the Board of Viewers or on verdict on appeal therefrom said County shall be relieved from the payment of such sum or sums to the City of Pittsburgh as provided for under the original agreement.

(e) This Agreement shall not in any manner otherwise affect the original agreement between the parties hereto and it shall not in any way obligate said County to pay damages directly to the property owners, it being only intended to give to the County the option to do so, and to that extent to discharge its obligations to said City under the original agreement."

IN WITNESS WHEREOF, The County has caused its common and corporate seal to be affixed hereto, duly attested by the Chief Clerk of the County Commissioners, and this agreement to be signed by its County Commissioners, pursuant to a Resolution adopted....., 1931, and this agreement is signed and executed in the name of the City of Pittsburgh, and for the City of Pittsburgh, by the Mayor and the Director of the Department of Public Works, and the Seal of the City is by its proper officers hereto affixed, they being duly authorized so to do by Ordinance of said City approved....., 1931, all done this day and year aforesaid.

## No. 196

**AN ORDINANCE**—Authorizing an Agreement with the County of Allegheny for the improvement of Saw Mill Run Boulevard Extension, from the intersection of Saw Mill Run boulevard and Woodruff avenue to a point on the present Woodville avenue near Banksville avenue, and describing the terms of said agreement.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works, on behalf of the City of Pittsburgh, are hereby authorized and directed to enter into an agreement with the County of Allegheny in the following language:*

### AGREEMENT

Made this ..... day of ....., A. D. 1931, between the County of Allegheny, a political subdivision of the Commonwealth of Pennsylvania, hereinafter called "County", party of the first part, and the City of Pittsburgh, a municipal corporation of the State of Pennsylvania, within the limits of said County, hereinafter called the "City", party of the second part.

WHEREAS, The Saw Mill Run Boulevard Extension in the City of Pittsburgh, beginning at the intersection of Saw Mill Run boulevard and Woodruff avenue, and extending in a northwesterly direction to a point on the present Woodville avenue near Banksville avenue, is to be a principal thoroughfare and a part of the Saw Mill Run boulevard on the southerly side of the Monongahela and Ohio Rivers, extending from the West End to the former Borough of Overbrook; and,

WHEREAS, The County Commissioners of Allegheny County deem it advisable and necessary to improve said Saw Mill Run

Boulevard Extension in said City, between the points mentioned, and are of the opinion that the County should bear a portion of the cost, and the corporate authorities of the City believe it will be greatly to the interest and advantage of said City and a great saving of expense thereto, if said improvement of said boulevard within its corporate limits be made by the County and the cost and expense thereof be paid jointly by the City and County as hereinafter specified; Now, therefore, this Agreement

WITNESSETH: That for the considerations hereinafter mentioned, the parties hereto do covenant and agree to and with each other as follows:

FIRST: The parties hereto agree that Saw Mill Run Boulevard Extension within the limits of said City, for a distance of approximately 3,200 feet, shall be improved between the following terminal points:

Beginning at the end of the concrete paving approximately 25 feet southwestwardly from the portal of the Saw Mill Run Underpass under tracks of the Pittsburgh & West Virginia Railroad, and extending northwestwardly approximately 3,200 feet to Woodville avenue near Banksville avenue.

The consent of the City of Pittsburgh is hereby given to the County of Allegheny to carry out the provisions herein set forth.

SECOND: Said Saw Mill Run Boulevard Extension, between the terminal points shall be improved by the County to a width of forty (40) feet between curbs and graded to a width of sixty (60) feet, exclusive of slopes. The work shall be done to lines and grades established by the City and in conformity with plans prepared by the Department of Public Works of Allegheny County and approved by the Commissioners of said County and the Director of the Department of Public Works of the City of Pittsburgh, to the limits shown on said plan, which plan is identified as Saw Mill Run Boulevard Extension, Contract No. 2, Plan No. ...., Sheets Nos. 1 to ....., and made a part hereof by reference thereto and filed in the office of the Directors of the Department of Public Works of the City and County.

THIRD: The improvement of said Saw Mill Run Boulevard Extension as set forth in the first and second paragraphs under this agreement, shall be done by contract or contracts awarded therefor by the County of Allegheny, after approval of plans by the Director of the Department of Public

Works of the City of Pittsburgh, pursuant to Acts of Assembly relating to same. Said contract or contracts shall include the replacement of existing sidewalks where same are destroyed by reason of the relocation, widening or change of grade on existing streets necessitated by this improvement. The County shall have charge of the work and the City may, at its own cost and expense, furnish whatever engineering and inspection service it so desires. Any complaint which the City may have as to the manner of construction or the materials or methods used, shall be made in writing to the Director of the Department of Public Works of Allegheny County within three (3) days, otherwise all work and materials shall be considered by the County as being done and furnished, placed or erected, satisfactory to the City.

FOURTH: The City agrees, at its own cost and expense, to construct or reconstruct all sanitary and combined sewers, including house or other connections, required within the limits of this improvement, prior to or during the construction work to be done by the County under this agreement, exclusive, however, of the storm drains shown on the Boulevard plans as approved. The City also agrees to require the construction or reconstruction of any water lines with the necessary house or other connections, fire hydrants, gate boxes, etc., within the limits of this improvement, at the cost or expense of the City, individuals or public utility companies, prior to or during the construction work to be done by the County under this agreement. All work on sanitary and combined sewers and water lines shall be done by the City or utility company in such a manner that there shall be as little interference or delay as possible to the County's contractor on this work. The altering, resetting or reconstructing of existing manholes, catch basins or storm inlets within the limits of this improvement, shall be included in the construction work to be performed by the County under the terms of this agreement.

FIFTH: The City agrees to enact any ordinances which may be necessary to vacate, locate, relocate, open or widen, establish or re-establish the grade and curb lines of said Saw Mill Run Boulevard Extension, as shown on the plans as approved, as well as any existing streets or ways affected by this improvement, and to condemn or otherwise secure all private or public property necessary for this purpose.

SIXTH: The City agrees to assume and

pay all legal damages resulting from or occasioned by the vacation, opening, locating, relocating, widening, establishing or re-establishing of grades required for the aforesaid improvement of the Saw Mill Run Boulevard Extension and the existing streets and ways affected, as shown on the plans as approved. The City further agrees to assume and discharge any and every legal liability for damages to property, including surface and sub-surface structures, caused by said improvement, including damages to persons or property occasioned from any obstruction on said roadway or part thereof, not due to the negligence of the said County or its contractor or contractors.

SEVENTH: The City further agrees to petition for Viewers to award damages to property affected by this improvement, and to proceed before the Viewers the same as if the improvement was entirely a City project.

EIGHTH: The City agrees to have the tracks of the Pittsburgh Railways Company removed from such portions of Woodruff avenue where same would interfere with the construction of this project.

NINTH: The City shall have installed the necessary boulevard lighting system. Plans of the poles, fixtures, etc., for approval by the Director of the Department of Public Works of the City, shall be furnished by the Department of Public Works of Allegheny County. It is further agreed that after the completion of the improvement aforesaid, the City shall light the Saw Mill Run Boulevard Extension between the terminal points hereinbefore described, and the County shall be forever afterwards relieved of any responsibility for the maintenance or repair of the lighting system.

TENTH: It is agreed that after the completion of the improvement aforesaid, the City shall maintain and keep the Saw Mill Run Boulevard Extension, between the terminal points herein described, in good repair, except curb and sidewalks constructed by the County, City or others, on the boulevard. The County shall be forever afterwards relieved of any responsibility for the maintenance or repair of the boulevard, including curbs, sidewalks and lighting system.

ELEVENTH: The City agrees to give all notices necessary to fully advise all parties concerned of the proposed improvement and to require all service companies and private parties to make the necessary adjustments, repairs and connections to existing utilities and to install any new utilities with their

house of other connections to points outside the limits of this improvement, prior to or during the construction of the boulevard.

**TWELFTH:** In case the City constructs water lines, sanitary sewers or combined sewers within the lines of this improvement after the signing of this agreement, the City agrees, at its own cost and expense, to backfill the trench or trenches in a workmanlike manner and place any concrete over the same that may be required by the County, to reinforce the subgrade to insure the stability of the boulevard pavement. Where public service companies or individuals open such trenches, either at their own request or by order of the City, the City shall require said companies or individuals to backfill the trench or trenches in a workmanlike manner and place any concrete that may be required by the County to reinforce the subgrade and insure the stability of the boulevard pavement. The City may require said companies or individuals to pay for said backfill and concrete work. The City agrees to relieve the County of any responsibility for the failure of any part of the pavement of this improvement or any structures connected therewith, occasioned by the subsidence of any trenches opened by the City, public service companies or individuals, whether said trenches are opened before or after the improvements of this boulevard by a contract or contracts let by the County.

**THIRTEENTH:** The City agrees to pay to the County the additional cost of backfilling any trenches with slag and the cost of removing and replacing concrete slabs or pavement over said trenches, when trenches opened by either the City or others are found in such condition as to endanger the strength or stability of the work to be done by the County. In case such trenches are found, their condition shall be brought to the attention of the Director of Public Works of the City by letter, and if the condition is not corrected by the City within three (3) days after the delivery of such letter, the County shall correct the condition and bill the City for the actual construction cost of same.

**IN WITNESS WHEREOF,** The County has caused its common and corporate seal to be affixed hereto, duly attested by the Chief Clerk of the County Commissioners, and this agreement is signed by its County Commissioners, and this agreement is signed and executed in the name of the City of Pittsburgh and for the City of Pittsburgh, by the Mayor and the Director of the Department of Public Works, and the seal of the City

is by its proper officers hereto affixed, they being duly authorized so to do by ordinance of said City, all done this day and year aforesaid.

This agreement is entered into by and in pursuance and authority of Ordinance No. ...., approved ....., recorded in Ordinance Book, Volume ....., Page ....., and by resolution adopted at a meeting of County Commissioners of Allegheny County held ....., 1931.

## No. 213

**A**N ORDINANCE—Authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the sum of Seventy-five Thousand (\$75,000.00) Dollars, and providing for the issue of bonds of said City in said amount to provide funds (including engineering expenses) for the construction of bridges and repairs to present bridges crossing streets, highways and streams in the City of Pittsburgh and providing for the redemption of said bonds and the payment of interest thereon.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the indebtedness of the City of Pittsburgh be increased by the amount of Seventy-five Thousand (\$75,000.00) Dollars, to provide funds (including engineering expenses) for the construction of bridges and repairs to present bridges crossing streets, highways and streams in the City of Pittsburgh and providing for the redemption of said bonds and the payment of interest thereon.

Section 2. That bonds of the City of Pittsburgh in the aggregate principal amount of

SEVENTY-FIVE THOUSAND (\$75,000.00) DOLLARS

be issued for the purposes aforesaid. Said bonds shall be in denominations of

ONE HUNDRED (\$100.00) DOLLARS or multiples thereof; shall be dated as of the first day of May 1931; and shall be payable in fifteen (15) equal annual installments of

FIVE THOUSAND (\$5,000.00) DOLLARS EACH

one of which shall mature on the first day of May in each of the years 1932 to 1946, inclusive. Said bonds shall bear interest at the rate of four per centum (4%) per annum, payable semi-annually on the first days of May and November in each year, without deduction for any taxes which may be levied thereon by the State of Pennsylvania pursuant to any present or future law, the payment of which is hereby assumed by the City of Pittsburgh. The principal and interest of said bonds shall be payable in lawful money of the United States of America at the office of the City Treasurer of said City. Said bonds shall be coupon bonds, exchangeable at the option of the holder for a registered bond or bonds of the same maturity and of the denomination of

ONE HUNDRED (\$100.00) DOLLARS

or a multiple thereof, not exceeding the aggregate principal amount of the coupon bonds surrendered in exchange therefor, by surrendering such coupon bond or bonds with all coupons not yet due, at the office of the City Controller, and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be engraved and to issue the same in the name of the City of Pittsburgh, the expense to be charged to Appropriation No. 42 (Contingent Fund). Registered bonds shall be registered with the City Treasurer, and shall be transferable only on the books of the said City Treasurer. Said bonds shall be signed by the Mayor, countersigned by the City Controller and sealed with the corporate seal of the City of Pittsburgh, and the coupons attached thereto shall be authenticated with facsimile signature of the City Controller. In case of the absence or disability of any of such officials, the bonds shall be signed by the City official authorized by law or by resolution of Council to act in his place. Each of said bonds shall be known and designated as

BRIDGE BOND, 1931.

Section 3. That said bonds shall be sold by the Mayor and the City Controller, at not less than par and accrued interest, after giving such notice of sale as may be required by law.

Section 4. That until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed annually upon all subjects now by law liable, or hereafter to be made liable, to assessment for taxation for City purposes, an annual tax, commencing the first year after said debt shall have been increased or incurred, namely the year 1932, sufficient to pay the interest on said bonds as the same shall accrue and become payable, and any tax on said interest which by the terms of said bonds is assumed by the City and also an annual tax commencing in said year equal to 6.66% of the total amount of said bonds hereby authorized, to be set apart as a sinking fund for the payment of the principal and redemption of said bonds as they become due and payable according to their terms, and the same is hereby appropriated out of the revenue of said City for the payment and redemption aforesaid.

Section 5. That all bonds issued by the authority of this Ordinance and the Acts of Assembly authorizing the same shall be and become part of the funded debt of the City of Pittsburgh, and shall be entitled to all the rights, privileges and immunities thereof, and shall be free from taxation, as aforesaid, and for the payment of the principal of said bonds and the interest thereon semi-annually as the same shall become payable, the faith, honor, credit and property of said City are hereby pledged.

Section 6. That the form of coupon bonds issued in pursuance of this Ordinance shall be substantially as follows:

**AN ORDINANCE**—Authorizing a contract with the Duquesne Light Company, whereby the said company grants to the City of Pittsburgh the right and privilege of making attachments of equipment for the regulation and guidance of traffic, together with the necessary controls, conduit and cable to poles owned, maintained and operated by said Company.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the City of Pittsburgh, through the Mayor and the Director of the Department of Public Safety of the City, is hereby authorized and empowered to enter into a contract with the Duquesne Light Company, whereby the City will obtain the right and privilege of making attachments of equipment for the regulation and guidance of traffic, together with the necessary controls, conduit and cable, to poles owned, maintained and operated by the Duquesne Light Company, which contract shall be as follows:

### ARTICLES OF AGREEMENT

Made and entered into this ..... day of ....., 193....., by and between the Duquesne Light Company, a corporation organized and existing under the laws of the Commonwealth of Pennsylvania, (hereinafter called "Company"), party of the first part, and the City of Pittsburgh, a municipal corporation of the Commonwealth of Pennsylvania, (hereinafter called "City"), party of the second part.

WITNESSETH:

WHEREAS, The Company operates an elec-

tric light and power system in the City of Pittsburgh and surrounding municipalities, in connection with which it operates and maintains certain poles and other supports for the use of its transmission and distribution system; and

WHEREAS, The City does from time to time install certain equipment for the regulation and guidance of traffic; and

WHEREAS, The City is desirous of using certain of the poles belonging to the Company in connection with the installation of said equipment for the regulation and guidance of traffic; and

WHEREAS, The Company is willing to grant permission to the City to make such use of its poles under certain terms and conditions as hereinafter set forth.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS, That for and in consideration of the premises, and in further consideration of the mutual covenants and conditions contained herein, it is agreed by the parties hereto as follows:

1. POLE PRIVILEGE.

The company hereby grants to the City the right and privilege of making attachments of equipment for the regulation and guidance of traffic, together with the necessary controls, conduit or cables, to poles owned, maintained and operated by the Company for the period or term of five (5) years from the date of execution hereof, and from year to year thereafter until either of the parties shall have given to the other at least six months' written notice of its intention to terminate this agreement. Long continued use or occupancy of any or all of said poles of the Company by the City shall not create in the City any rights or title, other than as hereby granted.

2. PERMITS.

When the City desires to make an installation on Company poles it shall only do so after having made a written application, signed by the Director of the Department of Public Safety, or his duly authorized representative, the application to state the number of poles to be used, the location, description of pole and the nature of attachment, the application to be in form similar to the one attached hereto and marked Exhibit "A". The City may proceed with the installation or installations only after the application or applications have been received by the Company and permission granted under the signature of the General Superintendent of Distribution of the Company, or his duly

authorized representative. Permit applications shall be made by the City in duplicate.

3. DISCONTINUANCE OF USE OF POLES BY COMPANY.

In case the Company should discontinue the use of any pole or poles to which the said equipment of the City is attached, then the City shall, upon thirty (30) days' written notice from the Company, promptly remove all of the equipment on the poles affected, or the City may, at its option, which said option shall be exercised within the aforesaid thirty (30) day period, purchase the said pole or poles from the Company, and shall pay the Company the then depreciated value of the said pole or poles, to be determined by the General Superintendent of Distribution of the Company, or his duly authorized representative, and the Director of the Department of Public Safety of the City, or his duly authorized representative. If the representative of the City and the representative of the Company, as designated above, are unable to agree upon a depreciated value of the said pole or poles which will be acceptable to both, then a third person is to be selected by these two representatives, with which third person so selected they shall form an arbitration board on which the decision of any two members shall be binding upon the third.

4. COSTS AND EXPENSES.

The City shall pay all costs and expenses in connection with the attachment, maintenance, operation and removal of all such equipment on the poles of the Company, and it is further agreed that if, upon the decision of the General Superintendent of Distribution of the Company, or his duly authorized representative, and of the Director of the Department of Public Safety of the City, or his duly authorized representative, any pole to be so used by the City does not have sufficient safety clearance to conform with the Company's accepted standards, or is not of sufficient strength or height to properly support such equipment, then the Company shall remove any such pole or poles, and install new poles of sufficient clearance, strength and height in the place of the old ones, and the City shall reimburse the Company for all costs and expenses in connection with the removal of old poles, installation of new poles and transferring of attachments, the City, however, to be credited with the then depreciated value of the pole or poles removed.

5. RELOCATION OF POLES FOR CITY'S BENEFIT.

In the event that any pole or poles are not properly located for the use of any such equipment of the City, and the City desires to have such pole or poles relocated, then if such pole or poles can be conveniently relocated so as to meet with the approval of the Company, such pole or poles shall be relocated by the Company, and the City agrees to reimburse the Company for all costs and expenses incurred by the Company in the relocation of such pole or poles, including the cost and expense of any changes on the Company's system which may be brought about by reason of such relocation, provided, however, that before any relocation is decided upon the Company shall furnish the City with an estimate of the cost of the work to be done, and the expense to be incurred, and the cost and expense to the City shall not exceed said estimate. The City shall make, at its own cost and expense all changes in its own equipment to conform to the pole or poles as relocated.

#### 6. RENEWAL, REPLACEMENT OR RELOCATION OF POLES FOR BENEFIT OF COMPANY.

In event that the Company desires to renew, replace or relocate any pole or poles on which any such equipment of the City may have been placed, then, upon fifteen (15) days' written notice by the Company to the City, the City agrees to make all changes in its own equipment necessary to permit of the renewal, replacement or relocation of said pole or poles, the cost and expense of such changes on the part of the City to be borne by the City. If the City does not desire to continue the use of said pole or poles, which the Company desires to renew, replace or relocate, then the City shall at its own cost and expense remove any and all of its equipment within fifteen (15) days after written notice has been given to the City by the Company, and in case the City has failed to remove its equipment within the said fifteen (15) day period, the Company shall have the right to remove the City's equipment and the City agrees to reimburse the Company for all costs and expenses in connection therewith.

#### 7. METHOD OF ATTACHMENT.

It is agreed that the City shall attach and construct any and all of its equipment on Company owned poles in accord with the specifications of the Company, a copy of which is marked Exhibit "B" and is filed in the office of the Department of Public Safety, Bureau of Traffic Planning.

#### 8. SUPERVISION OF WORK.

It is hereby agreed that the Company shall not be liable or responsible for the direct supervision of the physical work of installing the equipment on Company poles, and it is further understood and agreed that all of the employees, agents or representatives used by the City in making such installations shall be competent and capable of performing the work, and shall be fully acquainted with the hazards involved, and the necessary safety precautions to be used and taken.

#### 9. LIABILITY.

The City hereby agrees to indemnify and save harmless the Company from and against any and all loss, damage, injury, cost, claim, charge and expense of every kind whatsoever, incident to or arising out of the attachment, maintenance, operation or removal of any of said equipment for the regulation and guidance of traffic, and the City further agrees to defend all suits and actions which may be brought against the Company or any of the Companies operated by it, and having title to said poles, which said suits or actions arise by reason of the attachment, maintenance, operation or removal of said equipment, and the City shall pay as well all costs and charges of any such suits, expenses thereof, and all verdicts, judgments, recoveries, or shall fulfill all decrees, and no charge whatsoever shall be made against the Company, or any of the Companies operated by it, provided, however, that the City shall not be liable for any loss, damage, injury, cost, claim, charge or expense which may be directly attributable to negligence on the part of the Company, or any of the Companies operated by it, or any of the employees thereof.

#### 10. APPROVAL OF PUBLIC SERVICE COMMISSION.

It is agreed that this Agreement is subject to the approval of the Public Service Commission of the Commonwealth of Pennsylvania, and in event the Commission should refuse to approve this Agreement, then the same shall become void and of no effect. If approved by the Public Service Commission then this Agreement shall be subject to any regulations or orders which the Commission may impose.

IN WITNESS WHEREOF the Duquesne Light Company has hereunto affixed its common and corporate seal, duly attested by the proper officers thereof, and this contract is signed and executed in the name of the City of Pittsburgh and for the City of

Pittsburgh by ..... Mayor,  
and ..... Director of the  
Department of Public Safety, pursuant to

**A**N ORDINANCE—Amending an Ordinance entitled, "An Ordinance authorizing an Agreement with The Pittsburgh and West Virginia Railway Company for the purchase by the City of Pittsburgh of certain lands owned by said Company to be used for the widening of West Carson Street," approved March 14, 1931, by inserting in the Agreement certain provisions relating to the overhead railroad of the Railway Company over the second described parcel of land.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained as enacted by the authority of the same, That*

the Ordinance entitled, "An Ordinance authorizing an Agreement with The Pittsburgh and West Virginia Railway Company for the purchase by the City of Pittsburgh of certain lands owned by said Company to be used for the widening of West Carson Street," approved March 14, 1931, be amended by inserting after the second described parcel of land the following exceptions and reservations:—

"EXCEPTING AND RESERVING, and subject to, the right and easement of said The Pittsburgh & West Virginia Railway Company, its successors and assigns, to maintain and operate its railroad as now constructed, or as the same may be hereafter constructed, over and across said last described parcel of land and West Carson street, as the same is now or may hereafter be located or widened, the nature and character of said easement so excepted and reserved and the uses and purposes for which and the conditions and limitations upon which it is excepted and reserved being as follows:

(a) The said easement is hereby reserved and shall hereafter be used for the purpose of maintaining and operating the railroad structure of said Railway Company as the same is now located and erected upon and over said tract of land and West Carson street, and for the purpose of repairing and reconstructing the same for the purpose of operating on and over said tract of land and West Carson street as the same now is or may hereafter be widened, by means of an overhead viaduct or bridge, a single track railroad, together with the necessary appurtenances.

(b) It is understood and agreed that the land above described is being acquired by the City for the purpose of widening West Carson street and constructing approaches to the new West End Bridge now being constructed over the Ohio River, and that it will be necessary, for the purpose of constructing said bridge, for the County of Allegheny, with the consent of the said City and The Pittsburgh & West Virginia Railway Company, to change and reconstruct the existing railroad viaduct and structures extending over West Carson street and the second parcel above described, and that the County of Allegheny shall have the right to reconstruct the existing railroad structures so far as may be necessary, under such terms and conditions and according to such plans as shall be agreed upon between said Railway Company and said County of Allegheny,

with the approval of the Director of Public Works of the said City.

(c) Said Railway Company shall have the right at all times to renew, repair, reinforce, reconstruct, change or alter the existing structures, including the bridge and its supports, piers, pedestals and abutments, crossing said land or any part or parts thereof, or the structures as the same may be hereafter changed, altered or reconstructed by agreement with the County of Allegheny, or otherwise, in any way or manner it sees fit, and shall continue to have that right, provided that the said structures when so renewed, repaired, reinforced, reconstructed, changed and shall afford a clearance over West Carson street and the land above described not less than fourteen feet and not less than that to be afforded by the said viaduct and structures as the same shall be reconstructed by the County under agreement with said Railway Company as aforesaid; provided further that the said overhead structure crossing Carson street West and the second parcel of ground above described shall be constructed with a closed or tight floor so as to prevent any dripping or seepage from the bridge, and shall be of such type as to prevent the falling of any materials either from the structure itself or from trains or rolling stock thereon to the street below, and provided further that the plans for the renewal, repairs, reinforcement, reconstruction, change or alteration of the said existing structure shall receive the approval of the Director of the Department of Public Works of said City before the necessary work is started.

(d) In case in the renewal, repair, reinforcement, reconstruction, change, alteration or inspection of the said railroad structures and the supports thereof, it shall hereafter become necessary for the Railway Company, its agents or employees, to enter upon the tracts of land above described and West Carson Street and upon any other land of the City immediately adjacent, together with equipment, materials and the like, the Railway Company shall have the right so to do but only upon the condition that the said right of entry shall be exercised in such reasonable manner, by such means and with such instruments as shall cause as little inconvenience to the said City and County of Allegheny, its or their successors or assigns, in the free use and enjoyment of its property and of the said street as is reasonably practicable and that the entry upon the said land and street of said City for the purposes aforesaid shall be subject to such reasonable

regulations, either as to the manner of performing the work or the time therefor as shall be prescribed by the Director of the Department of Public Works of the City of Pittsburgh, or his successors.

(e) Subject to the rights hereby reserved to the Railway Company, the said City, and its successors and assigns, shall have the right to the free use and enjoyment of the said tract of land over which said railroad is now or may hereafter be constructed, and every part thereof, for every lawful purpose, and to erect, construct and maintain thereon such streets, highways, buildings or other structures as may be convenient for said City; provided, however, that such right shall be exercised by the City, its successors and assigns, in such manner as not to injure the said structures and the supports thereof of the Railway Company as the same now are or may hereafter be constructed, or to interfere with the operation thereover of the trains of said Railway Company, its successors and assigns."

Section 2. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same.* That the Pittsburgh Smelting and Refining Company, their successors and assigns be and are hereby given the right and authority, at their own cost and expense, to attach and

maintain three (3) guy wires to the north concrete walls of the West Approach to the Elizabeth Street Bridge and to construct, maintain and use a wooden platform with steps over the north side of Elizabeth Street to connect their building with the north sidewalk of the said Approach. The platform and steps are to be for the use of pedestrians only and are to be built in accordance with plans, designs and specifications approved by the Director of the Department of Public Works.

Section 2. The said Pittsburgh Smelting and Refining Company shall, prior to the beginning of the construction of the said platform and steps, submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, together with specifications, in quadruplicate, showing location and all details of construction of said work and no work shall be commenced thereon until the said plans have been approved by the Director of the Department of Public Works, who shall have the right at all times to inspect the said construction, operation and maintenance and any and all orders issued by him shall be complied with.

Section 3. The said Pittsburgh Smelting and Refining Company shall, upon notice from the Director of the Department of Public Works, make such repairs to installation herein authorized, as the Director may order and shall further do such painting on said installation at the times and in the manner indicated by the Director.

Section 4. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets and to the ordinances of the City of Pittsburgh relating thereto and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of walks, steps, platforms or passageways across City streets or portions thereof and which may provide for compensation for the use thereof.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said platform and steps upon giving thirty (30) days notice thereof, through the proper officers of the City pursuant to Resolution or Ordinance of Council, and that the said grantee, when so notified, shall, at the expiration of the said thirty (30) days, forthwith remove the said platform

and steps and close the opening, left by such removal, in the manner ordered by the Director of the Department of Public Works.

Section 6. The said grantee shall be responsible and shall assume any liability whatsoever, either of the said grantees or of the City of Pittsburgh, for damages to persons or property by reason of the construction, maintenance and use of said platform and steps, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to all the foregoing conditions and to the further condition that this Ordinance shall become null and void unless within thirty (30) days after the passage and approval of this Ordinance, the Pittsburgh Smelting and Refining Company shall file with the City Controller, its certificate of acceptance of this Ordinance, duly executed.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

## No. 302

**AN ORDINANCE**—Authorizing and directing the issue and sale of Funding Bonds of the City of Pittsburgh in the aggregate principal amount of Two Million Three Hundred Fifty Thousand (\$2,350,000.00) Dollars for the purpose of funding existing unfunded indebtedness of the City, consisting of contractors' claims, claims for damages arising from the opening, widening and improving of streets and the construction of sewers, and other floating indebtedness, and providing for the redemption of said bonds and the payment of interest thereon.

WHEREAS, The City Controller has submitted to Council a detailed statement under date of May 25, 1931, of the floating indebtedness of the City, in the sum of Two Million Three Hundred Fifty Thousand (\$2,350,000.00) Dollars, over and above the funds on hand available for the liquidation thereof; and

WHEREAS, It is desirable to issue bonds for the purpose of funding this indebtedness, Now Therefore

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That bonds of the City of Pittsburgh be issued in the aggregate principal amount of Two Million Three Hundred Fifty Thousand (\$2,350,000.00) Dollars, for the purpose of funding the aforesaid unfunded indebtedness of the City, consisting of contractors' claims, claims for damages arising from the opening, widening and improving of streets and the construction of sewers, and other floating indebtedness.*

Section 2. That said bonds of the City of Pittsburgh in the aggregate principal amount of Two Million Three Hundred Fifty Thousand (\$2,350,000.00) Dollars, be issued for the purposes aforesaid, the proceeds arising from the sale of said bonds shall be applied to the discharge of the floating indebtedness of the City set forth in the report of the Controller above mentioned and to no other purpose whatsoever. Said bonds shall be in denominations of One Hundred (\$100.00) Dollars, or multiples thereof; shall be dated as of the first day of June, 1931 and shall be payable in Twenty equal annual installments of One

Hundred Seventeen Thousand Five Hundred (\$117,500.00) Dollars each, one of which shall mature on the first day of June in each of the years 1932 to 1951 inclusive. Said bonds shall bear interest at the rate of Three and three-quarter per centum (3¾%) per annum, payable semi-annually on the first days of June and December in each year, without deduction for any taxes which may be levied thereon by the Commonwealth of Pennsylvania pursuant to any present or future law, the payment of which is hereby assumed by the City of Pittsburgh. The principal and interest of said bonds shall be payable in lawful money of the United States of America at the office of the City Treasurer of said City. Said bonds shall be coupon bonds, exchangeable at the option of the holder for a registered bond or bonds of the same maturity and of the denomination of One Hundred (\$100.00) Dollars or a multiple thereof, not exceeding the aggregate principal amount of the coupon bond or bonds surrendered in exchange therefor, by surrendering such coupon bond or bonds, with all coupons not then due, at the office of the City Controller, and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be engraved and to issue the same in the name of the City of Pittsburgh, the expense thereof to be charged to Appropriation No. 42, Contingent Fund. Registered bonds shall be registered with the City Treasurer, and shall be transferable only on the books of the said City Treasurer. Said bonds shall be signed by the Mayor, countersigned by the City Controller and sealed with the corporate seal of the City of Pittsburgh, and the coupons attached thereto shall be authenticated with a facsimile signature of the City Controller.

In case of the absence or disability of any of such officials, the bonds shall be signed by the city official authorized by law or resolution of Council to act in his place. Each of said bonds shall be known and designated as

#### FUNDING BOND 1931

Section 3. That said bonds shall be sold by the Mayor and the City Controller, at not less than par and accrued interest, after giving such notice of sale as may be required by law.

Section 4. That until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed annually

upon all subjects now by law liable, or hereafter to be made liable, to assessment for taxation for City purposes, an annual tax, commencing the first year after said debt shall have been increased or incurred, namely the year 1932, sufficient to pay the interest on said bonds as the same shall accrue and become payable, and any tax on said interest which by the terms of said bonds is assumed by the City, and also an annual tax commencing in said year equal to Five per centum (5%) of the total amount of said bonds hereby authorized, to be set apart as a sinking fund for the payment of the principal and redemption of said bonds as they become due and payable according to their terms, and the same is hereby appropriated out of the revenue of said City for the payment and redemption aforesaid. There is also hereby appropriated out of the general revenue of said City an amount sufficient to meet the installment of interest due on said bonds during the current fiscal year.

Section 5. That all bonds issued by the authority of this ordinance and the Acts of Assembly authorizing the same shall be and become part of the funded debt of the City of Pittsburgh, and shall be entitled to all the rights, privileges and immunities thereof, and shall be free from taxation, as aforesaid and for the payment of the principal of said bonds and the interest thereon semi-annually as the same shall become payable, the faith, honor, credit and property of said City are hereby pledged.

Section 6. That the form of coupon bonds issued in pursuance of this Ordinance shall be substantially as follows:

## No. 303

**AN ORDINANCE**—Authorizing an Agreement with the Borough of Crafton for the extermination or confinement of a mine fire in the McShane property in the City of Pittsburgh, providing for the letting of

a contract to do the work and the division of the cost of the same.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works, by and on behalf of the City of Pittsburgh, are hereby authorized and directed to enter into a contract with the Borough of Crafton, in the following language:*

### THIS AGREEMENT

MADE this.....day of.....  
A. D. 1931, between the City of Pittsburgh and the Borough of Crafton, both municipal corporations of the Commonwealth of Pennsylvania, situate in the County of Allegheny, Witnesseth:

WHEREAS, for a long time past a mine fire has been burning in the McShane property in the southerly end of the City of Pittsburgh, near to the Borough of Crafton, which fire, unless exterminated or confined, will likely progress into the said Borough and cause great damage there due to the location of certain structures on land above the coal measure where the fire is burning; and,

WHEREAS, it has been the desire for some time past of both the City and the Borough that the fire be extinguished or so confined as to avoid unnecessary loss to both the City and the Borough and their inhabitants, and pursuant thereto the City and the Borough heretofore entered into an agreement for the expenditure of Ten Thousand (\$10,000.00) Dollars, for the purpose aforesaid, under which agreement the City let a contract and the said sum of money has been expended and the purpose has not been accomplished, of which sum of Ten Thousand (\$10,000.00) Dollars, the Borough was to contribute one-third ( $\frac{1}{3}$ ) or Thirty-three Hundred and Thirty-three and  $\frac{33}{100}$  (\$3,333.33) Dollars, the cost of the contract having been paid by the City; and,

WHEREAS, it is the desire of the parties hereto that another contract be let for the purpose aforesaid and the cost of same is estimated at Sixteen Thousand (\$16,000.00) Dollars;

NOW, therefore, it is agreed between the City and the Borough, as follows:

That the City of Pittsburgh shall enter into a contract, upon a cost-plus basis, in

a form to be approved by the City Solicitor of the City and the Borough Solicitor of the Borough, with a competent contractor, under the direction of the Chief Engineer of the Department of Public Works of the City of Pittsburgh and the Borough Engineer of the Borough of Crafton, in an endeavor to extinguish said fire or so confine it that it will in the course of time die out.

That the total cost of said work, including the prior work as well as that to be done in the future, shall be borne three-fourths ( $\frac{3}{4}$ ) by the City of Pittsburgh and one-fourth ( $\frac{1}{4}$ ) by the Borough of Crafton, and that the Borough of Crafton shall pay to the City of Pittsburgh the sum of Twenty-five Hundred (\$2,500.00) Dollars, on account of the work already done, within ten (10) days after the signing of this Agreement, and shall pay to the City of Pittsburgh one-fourth ( $\frac{1}{4}$ ) of the additional cost of said work, said share to be paid in monthly installments within ten (10) days after they are certified to the Borough by the proper officials of the City.

IN WITNESS WHEREOF, the parties to this Agreement have caused the same to be duly executed pursuant to an Ordinance of the City of Pittsburgh, approved by the Mayor....., 1931, and recorded in Ordinance Book, Vol....., Page....., and an Ordinance of the Borough of Crafton, approved by the Burgess....., 1931, and recorded in Ordinance Book, Vol....., Page.....

## No. 346

**A**N ORDINANCE—Granting unto the St. Anthony Society the right to construct, maintain and use a concrete platform over the North Side of Elizabeth street to connect their building with the North sidewalk of the West Approach to the Elizabeth Street Bridge, subject to the terms and conditions herein set forth.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the St. Anthony Society, their successors and assigns, be and are hereby given the right and authority, at their own cost and expense, to construct, maintain and use a concrete platform over the North side of Elizabeth street to connect their building with the North sidewalk of the West Approach to the Elizabeth Street Bridge. The platform is to be for the use of pedestrians only and is to be built in accordance with plans, designs and specifications approved by the Director of the Department of Public Works.*

Section 2. The said St. Anthony Society shall, prior to the beginning of the construction of said platform, submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, together with specifications, in quadruplicate, showing location and all de-

tails of construction of said work, and no work shall be commenced thereon until the said plans have been approved by the Director of the Department of Public Works, who shall have the right, at all times, to inspect the said construction, operation and maintenance and any and all orders issued by him shall be complied with.

Section 3. The said St. Anthony Society shall, upon notice from the Director of the Department of Public Works, make such repairs to platform herein authorized, as the Director may order and shall further do such painting on the railing of said platform at the times and in the manner indicated by the Director.

Section 4. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets and to the Ordinances of the City of Pittsburgh relating thereto and to the provisions of any general Ordinance which may hereafter be passed relating to the construction, maintenance and use of walks, platforms or passageways across City streets or portions thereof and which may provide for compensation for the use thereof.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said platform upon giving thirty (30) days notice thereof, through the proper officers of the City pursuant to Resolution or Ordinance of Council, and the said grantee, when so notified, shall, at the expiration of the said thirty (30) days, forthwith remove the said platform and close the opening, left by such removal, in the manner ordered by the Director of the Department of Public Works.

Section 6. The said grantee shall be responsible and shall assume any liability whatsoever, either of the said grantee or of the City of Pittsburgh, for damages to persons or property by reason of the construction, maintenance and use of said platform and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby

repealed, so far as the same affects this Ordinance.

Beginning at a point on the easterly line of Washington boulevard at Station 1+14.91, said point being distant 1787.42 feet north of the point of curve of the first curve north of Burpee street; thence along said center line south  $82^{\circ} 01' 00''$  east for a distance of 3032.57 feet to a point of curve to Station 31+47.48; thence in an easterly direction by the arc of a circle deflecting to the right with a radius of 2000.0 feet and a central angle of  $4^{\circ} 45' 00''$  for a distance of 165.81 feet to a point of tangent at Station 33+13.29; thence by the tangent south  $77^{\circ} 16' 00''$  east for a distance of 306.16 feet to a point of curve at Station 36+19.45; thence in an easterly direction by the arc of a circle deflecting to the left with a radius of 2000.0 feet and a central angle of  $4^{\circ} 15' 30''$  for a distance of 148.64 feet to a point of tangent at Station 37+68.09; thence by the tangent south  $81^{\circ} 31' 30''$  east for a distance of 2620.88 feet to a point of curve at Station 63+88.97; thence in an easterly direction by the arc of a circle deflecting to the left with a radius of 2000.0 feet and a central angle of  $5^{\circ} 02' 00''$  for a distance of 175.70 feet to a point of tangent at Station 65+64.67; thence by the tangent south  $86^{\circ} 33' 30''$  east for a distance of 156.44 feet to a point in the line dividing the City of Pittsburgh and Penn Township at Station 67+21.11.

The northerly line shall begin at a point on the easterly line of Washington boulevard

ward at a distance of 194.47 feet northwardly from the center line; thence in an easterly direction by the arc of a circle deflecting to the left with a radius of 386.77 feet and a central angle of  $49^{\circ} 46' 48''$  for a distance of 336.04 feet to a point of tangent, said point of tangent being distant 30.0 feet north and opposite Station 3+12.49 on the center line; thence continuing on to the City Line it shall be parallel with and at a perpendicular distance of 30.0 feet from the above described center line.

The southerly line shall begin at a point on the easterly line of Washington boulevard at a distance of 187.76 feet southwardly from the center line; thence in an easterly direction by the arc of a circle deflecting to the right with a radius of 150.38 feet and a central angle of  $91^{\circ} 13' 00''$  for a distance of 239.41 feet to a point of tangent, said point of tangent being distant 30.0 feet south and opposite Station 3+00.23 on the center line; thence continuing on to the City Line it shall be parallel with and at a perpendicular distance of 30.0 feet from the above described center line.

The roadway will have a uniform width of 30.0 feet and shall occupy the central portion of the street, 15.0 feet on either side of the above described center line.

The northerly sidewalk shall have a uniform width of 6.0 feet and shall lie along the northerly side of the roadway.

The southerly sidewalk shall have a uniform width of 6.0 feet and shall lie along the southerly side of the roadway.

The remaining portion of the boulevard lying without the lines of the above described roadway and sidewalks shall be used for slopes, parking, retaining walls and steps.

Section 2. The grade of the center line shall begin on the easterly line of Washington boulevard at station 1+14.91 at an elevation of 54.82 feet; thence level for a distance of 18.09 feet to a point of curve; thence by a concave parabolic curve for a distance of 150.0 feet to a point of tangent to an elevation of 57.82 feet; thence rising at the rate of 4% for a distance of 217.0 feet to a point of curve to an elevation of 66.50 feet; thence by a convex parabolic curve for a distance of 200.0 feet to a point of tangent to an elevation of 73.55

feet; thence rising at the rate of 3.05% for a distance of 700.0 feet to a point of curve to an elevation of 94.90 feet; thence by a convex parabolic curve for a distance of 400.0 feet to a point of tangent to an elevation of 99.0 feet; thence falling at the rate of 1.0% for a distance of 700.0 feet to a point of curve to an elevation of 92.0 feet; thence by a convex parabolic curve for a distance of 200.0 feet to a point of tangent to an elevation of 89.40 feet; thence falling at the rate of 1.60% for a distance of 1,300.0 feet to a point of curve to an elevation of 68.60 feet; thence by a concave parabolic curve for a distance of 200.0 feet to an elevation of 66.32 feet; thence falling at the rate of 0.68% for a distance of 1,375.0 feet to a point of curve to an elevation of 56.97 feet; thence by a concave parabolic curve for a distance of 150.0 feet to a point of tangent to an elevation of 58.77 feet; thence rising at the rate of 3.08% for a distance of 575.0 feet to a point of curve to an elevation of 76.48 feet; thence by a convex parabolic curve for a distance of 200.0 feet to a point of tangent to an elevation of 80.56 feet; thence rising at the rate of 1.0% for a distance of 221.11 feet to a point on the line dividing the City of Pittsburgh and Penn Township to an elevation of 82.77 feet at station 67+21.11

Section 3.—The Department of Public Works is hereby authorized and directed to cause said Allegheny River boulevard in the 12th Ward of the City of Pittsburgh, from Washington boulevard to the line dividing the City of Pittsburgh and Penn Township to be opened in conformity with the provisions of Section 1 of this Ordinance.

Section 4. The costs, damages and expenses occasioned thereby and the benefits to pay the same shall be assessed against and collected from properties benefited thereby in accordance with the provisions of the Acts of Assembly of the Commonwealth of Pennsylvania relating thereto and regulating the same.

**A**N ORDINANCE—Fixing the width and position of the roadway and sidewalks of Saw Mill Run boulevard, from the tunnel south of Woodruff street to Banksville avenue, providing for slopes, parking, retaining walls and steps and establishing the grade thereof.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* the width and position of the roadway and sidewalks and the grade of the center line of the roadway of Saw Mill Run boulevard, from the tunnel south of Woodruff street to Banksville avenue and Woodville avenue be and the same are hereby fixed and established as follows to-wit:

The roadway throughout including the roadway of the hereinafter described traffic circle shall have a general width of 40.0 feet, the center line of which shall be described as follows, to-wit:—

Beginning on the center line of the roadway of Saw Mill Run boulevard, as now constructed at the northerly terminus of the tunnel south of Woodruff street and more particularly at the northerly terminus of the existing paving thereof at a point 40.0 feet more or less southwardly along the center line of the roadway produced from the southerly line of Saw Mill Run boulevard (formerly Woodruff street) as widened by Ordinance No. 348 approved June 26th, 1931, said point of beginning to be known as station 0+0.0; thence extending northwardly along the center line of the existing roadway produced to a point of curve at station 0+17.13; thence northwestwardly by the arc of a circle deflecting to the left with a radius of 600.0 feet and a central angle of 21° 29' 30" to a point of tangent at station 2+42.19; thence by the tangent westwardly, parallel to and at a perpendicular distance of 40.0 feet south of the northerly line of Saw Mill Run boulevard (formerly Woodruff street) as widened by Ordinance No. 348 approved June 26, 1931 and Saw Mill Run boulevard as opened by Ordinance No. 353 approved June 26, 1931 to a point of curve at station 10+05.0; thence westwardly and northwardly by the arc of a circle deflecting to the right with a radius of 600.0 feet and a central angle of 41° 08' 30" to a point of tangent at

station 14+35.83, said point of tangent being perpendicularly opposite and 40.0 feet east of the first point of tangent in the westerly line of Saw Mill Run boulevard (formerly Lime street) north of Lewis street, as widened by Ordinance No. 350 approved June 26, 1931; thence by the tangent northwardly to a point curve at station 18+80.40; thence northwestwardly by the arc of a circle deflecting to the left with a radius of 680.0 feet and a central angle of 60° 56' 30" to a point of tangent at station 26+03.67; thence by the tangent westwardly to a point at station 28+75.92, said last mentioned point being station 0+0.0 on the stationing for the center line of the roadway of a traffic circle as hereinafter described.

The center of the traffic circle shall be at an intersection established by producing the last above mentioned tangent westwardly 135.0 feet from the above mentioned station 28+75.92 to meet the center line of that portion of Banksville avenue south of Woodville avenue produced north of Woodville avenue; from station 0+0.0 on the stationing for the center line of the roadway of the traffic circle, said center line shall extend southwardly and clockwise along the perimeter of the circle with the center as above described and radius of 135.0 feet intersecting the center line of Banksville avenue at station 2+69.06 and the center line of a connection to Woodville avenue at station 4+69.65 and completing the circle at a point at station 8+48.23.

The sidewalks from the tunnel south of Woodruff street to the above described traffic circle shall each have a uniform width of 10.0 feet and lie along and contiguous to the above described roadway. The sidewalk around the traffic circle shall have a general width of 10.0 feet and shall lie along and contiguous to the outer edge of the roadway thereof, as above described.

The remaining portions of the street lying without the lines of the roadway and sidewalks shall be used for slopes, parking, retaining walls and steps.

Section 2. The grade of the center line of the roadway shall begin at a point of curve at station 0+0.0 on the same at an elevation of 108.28 feet; thence shall fall by a convex parabolic curve to a point of tangent at station 0+50.0 to an elevation of 107.36 feet; thence shall fall at the rate of 2.70% to a point of curve at station 4+50.0 to an elevation of 96.56 feet; thence by a

concave parabolic curve to a point of tangent at station 6+50.0 to an elevation of 92.84 feet; thence shall fall at the rate of 1.02% to a point of curve at station 21+50.0 to an elevation of 77.54 feet; thence by a concave parabolic curve to a point of tangent at station 22+50.0 to an elevation of 76.63 feet; thence shall fall at the rate of 0.80% to a point at station 28+55.92 to an elevation of 71.78 feet; thence shall fall at the rate of 2.08% to the center line of the roadway of the traffic circle at station 28+75.92 to an elevation of 71.36 feet.

The grade of the center line of the roadway of the traffic circle shall begin at a point of curve at station 0+0.0 on the same at an elevation of 71.36 feet; thence by a convex parabolic curve to a point of tangent at station 1+0.0 to an elevation of 71.36 feet; thence shall fall at the rate of 1.0% to a point of curve at station 4+24.12 to an elevation of 68.12 feet; thence by a concave parabolic curve to a point of tangent at station 5+24.12 to an elevation of 68.12 feet; thence shall rise at the rate of 1.0% to a point of curve at station 8+48.23 to an elevation of 71.36 feet.

Section 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

**AN ORDINANCE**—Authorizing an additional Agreement between the City of Pittsburgh and County of Allegheny in connection with the construction by said County of a public highway bridge over the Ohio River, from a point in the West End of the City of Pittsburgh to a point on the North Side of said City near Manhattan street, said bridge to be known as the West End Bridge.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Mayor and the Director of the Department of Public Works be and they are hereby authorized and directed, in behalf of the City of Pittsburgh, to enter into a contract with the County of Allegheny in the following language:

### AGREEMENT

MADE this.....day of....., 1931, between the City of Pittsburgh, a municipal corporation of the Commonwealth of Pennsylvania, party of the first part, hereinafter called the City, and the County of Allegheny, a political subdivision of the Commonwealth of Pennsylvania, party of the second part, hereinafter called the County.

WHEREAS, By virtue of an agreement between the City and the County executed under the date of November 30, 1929, the City has given its consent to the construction by the County of a public highway bridge over the Ohio River from a point in the West End of the City to a point on the North Side of the City of Pittsburgh near Manhattan street, said bridge to be known as the West End Bridge; and

WHEREAS, Under the terms of the said agreement, the City is required to "curb, pave and lay the sidewalks of both the approach and the low level portions of Carson street West affected;" and

WHEREAS, It is necessary and desirable that a certain agreement between the City and the County, executed under date of April 22, 1930 be amended and supplemented in certain particulars.

WHEREAS, The City desires to construct a retaining wall and stairway on South Main street between Carson street West and the River; and

WHEREAS, By reason of the restricted area in which the construction of said curbing, paving, sidewalk and retaining wall is to be done and the fact that the County will let a contract for similar curbing, paving, sidewalk and retaining wall construction in the same or immediately adjacent areas; and

WHEREAS, The reconstruction by the County of the Bridge of the Pittsburgh and West Virginia Railway Company across Carson street West in connection with the general program of construction of the West End Bridge has obviated the contemplated reconstruction of this bridge by the City of Pittsburgh, in order to improve the traffic conditions on Carson street West, which reconstruction by the City it is estimated would have cost at present prices Twenty-five Thousand (\$25,000.00) Dollars; and

WHEREAS, Further study of this project by the City and the County has indicated the desirability of increasing the widths of Steuben and South Main streets at the bridge approaches, and the re-establishment of grades on Independence and Greenleaf streets; and

WHEREAS, It has become necessary by reason of the foregoing to relay certain water lines owned by the City of Pittsburgh as provided in said agreement dated April 22, 1930.

NOW, THEREFORE, IT IS MUTUALLY AGREED AS FOLLOWS:

1. The County will include in its contract the said retaining wall and stairway on South Main street and all curbing, paving and sidewalks for which the City is responsible under the said agreement of November 30, 1929, in conformity with County Plan No. 12969, identified by the signatures of Norman F. Brown, Director of the Department of Public Works, and of Edward G. Lang, Director of the Department of Public Works of the City, copies of which are on file in the offices of the

Departments of Public Works of both County and City. The said work shall be constructed in accordance with the County's specifications for such work and in accordance with such plans as may be prepared by the County and approved by the Director of the Department of Public Works of the City.

2. The City shall have the right to inspect the said work and the material entering into it at any time during the construction.

3. The City agrees to reimburse the County for the work so done paying for the actual quantities of said retaining wall and stairway construction and curbing, paving and sidewalks at the respective contract unit prices, estimated to amount to a total sum not to exceed One Hundred and Forty Thousand (\$140,000.00) Dollars, said reimbursement to be made by the City within Thirty (30) days after the actual completion of the said work and upon submission of a final estimate by the County to the City, but in no case shall said reimbursement be required to be made by the City before the first day of May, 1932.

4. The City agrees to pay to the County as a contribution to said reconstruction of the Pittsburgh and West Virginia Railway Bridge the sum of Twenty-five Thousand (\$25,000.00) Dollars, said payment to be made by the City not before the first day of May, 1932.

5. The County agrees to do, and the City agrees to reimburse the County for, the work of making such alterations as may be necessary in its water lines, the work to be done in conformity with plans and specifications furnished and approved by the Director of the Department of Public Works of the City at an estimated cost of not to exceed Thirty-five Thousand (\$35,000.00) Dollars, said reimbursement to be made by the City on or before the first day of May, 1932.

6. The City agrees to enact the necessary legislation for the widening and opening of all streets as affected by the bridge approach construction and for the establishment or re-establishment of the grades thereof in conformity with County Plan No. 12969 aforesaid.

7. The County agrees to pay all property damages arising out of all changes to streets occasioned by the bridge approach construction including damages arising from opening,

widening, establishment and re-establishment of grades, except for the widening of Carson Street West, as provided for in the agreement of April 22, 1930.

8. The County further agrees to bear the physical cost of all improvement work required to carry out the bridge approach construction as shown on County Plan No. 12969 as provided in the agreement of April 22, 1930, it being the true intent and meaning of this contract that the entire cost of the same shall be borne by the County except as specifically stipulated to the contrary to be borne by the City.

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be executed the date and year hereinbefore written, the County by its County Commissioners with the corporate seal affixed hereto duly attested by the Chief Clerk of the County Commissioners and the City by the Mayor and the Director of the Department of Public Works with the seal of the City affixed hereto and attested by the Mayor's Secretary and the Director's Chief Clerk, the City by authority of Ordinance \_\_\_\_\_, approved the \_\_\_\_\_ day of \_\_\_\_\_, 1931 and the County Commissioners by authority of Resolution \_\_\_\_\_, passed the \_\_\_\_\_ day of \_\_\_\_\_, 1931.

## No. 402

**A**N ORDINANCE—Accepting the dedication of certain property in the 19th Ward of the City of Pittsburgh, for public use for highway purposes, appropriating the same for the widening of Bigham street, from Virginia avenue to Omaha street, fixing the width and position of the sidewalks and roadway thereof, providing for slopes, parking, retaining walls and steps and establishing the grade thereof.

WHEREAS, Robert S. Frazer, W. S. Linderman, A. E. Braun and A. W. Robertson, The Board of Managers of the Buhl Foundation, all of the City of Pittsburgh, County of Allegheny and State of Pennsylvania, owners of the property hereinafter described have executed and delivered to the City of Pittsburgh their certain Deed of Dedication bearing date of June 19th, 1931 now on file in the Office of the Bureau of Engineering of the said City wherein they have conveyed said ground to said City for public street or public highway purposes and have released said City from any liabilities for damages for or by reason of the physical grading of the said public highway to the grade as herein established, Therefore:—

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same.* That the said Deed of Dedication shall be and the same is hereby accepted and the Bureau of Engineering is hereby authorized and directed to place the same of record in the Office of the Recorder of Deeds in and for the County of Allegheny.

Section 2. The ground as aforesaid conveyed to the said City for highway purposes shall be and the same is hereby appropriated for the widening of Bigham street, from Virginia avenue to Omaha street in accord-

ance with the terms of said Deed of Dedication, the same being bounded and described as follows: to-wit:—

Beginning on the southerly line of Virginia avenue at a point distant north  $78^{\circ} 31' 50''$  west 25.02 feet along the southerly line of Virginia avenue from the intersection of the southerly line of Virginia avenue and the easterly line of Bigham street; thence extending south  $9^{\circ} 15' 00''$  west 520.67 feet, parallel to and at a perpendicular distance of 25.0 feet west of the easterly line of Bigham street, to the southerly line of Omaha street; thence along the southerly line of Omaha street produced north  $80^{\circ} 45' 00''$  west 40.87 feet to a point; thence northwardly by the arc of a circle deflecting to the left with a radius of 185.0 feet, a central angle of  $23^{\circ} 54' 16''$ , and a chord bearing north  $21^{\circ} 12' 08''$  east for an arc distance of 77.18 feet to a point of tangent; thence by the tangent, north  $9^{\circ} 15' 00''$  east 446.68 feet, parallel to and at a perpendicular distance of 50.0 feet west of the easterly line of Bigham street, to the southerly line of Virginia avenue; thence along the southerly line of Virginia avenue south  $78^{\circ} 31' 50''$  east 25.02 feet to the place of beginning. Containing 13,419.0 square feet.

Section 3. The width and position of the sidewalks and roadway shall be and the same are hereby fixed as follows, to-wit:—

The curb lines shall each be parallel to and at a perpendicular distance of 13.0 feet from their respective street lines.

The westerly sidewalk shall have a uniform width of 13.0 feet and occupy the portion of the street lying between the westerly line of the street as widened and the westerly curb line.

The easterly sidewalk shall have a uniform width of 8.0 feet and lie along and contiguous to the easterly curb line.

The roadway shall have a uniform width of 24.0 feet and occupy the portion of the street between the above described curb lines.

The remaining portion of the street, being a strip 5.0 feet in width lying between the above described easterly sidewalk and the easterly street line shall be used for slopes, parking, retaining walls and steps.

Section 4. The grade of the easterly curb line shall be and the same is hereby established as follows: to-wit:—

Beginning at the southerly 19.0 foot curb line of Virginia avenue at an elevation of 397.15 feet (curb as set); thence rising at the rate of 3.50% for a distance of 90.59 feet to a point of curve to an elevation of 400.32 feet; thence by a convex parabolic curve for a distance of 200.0 feet to a point of tangent to an elevation of 394.82 feet; thence falling at the rate of 9.0% for a distance of 199.12 feet to a point of curve to an elevation of 376.90 feet; thence by a concave parabolic curve for a distance of 20.0 feet to the northerly 5.50 foot curb line of Omaha street to an elevation of 376.0 feet.

Section 5. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

**AN ORDINANCE**—Authorizing the Mayor and the Director of the Department of Public Works, for and on behalf of the City of Pittsburgh, to execute an Agreement with the Pittsburgh Railways Company for the construction of a footbridge over Carson street West at the Duquesne Incline, together with loading platforms.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Mayor and the Director of the Department of Public Works, for and on behalf of the City of Pittsburgh, are hereby authorized to execute and deliver an agreement with the Pittsburgh Railways Company for the construction of a footbridge over Carson street West at the Duquesne Incline, together with loading platforms, said agreement to be in the following language.

### THIS AGREEMENT

MADE and entered into this.....day of

....., 1931, by and between the City of Pittsburgh, a municipal corporation of the Commonwealth of Pennsylvania, situate in the County of Allegheny, hereinafter referred to as the "City", party of the first part, and the Pittsburgh Railways Company, a public service corporation organized and existing under the laws of the Commonwealth of Pennsylvania, hereinafter referred to as the "Railways Company", party of the second part.

### WITNESSETH

WHEREAS, The City is desirous of eliminating a traffic hazard on Carson Street West, by the construction of a foot bridge over the said street connecting the building or terminal of the Duquesne Inclined Plane Company, with loading platforms for the Railways Company and with the north sidewalk of said street; and,

WHEREAS, The Railways Company will receive material benefits and advantages from the construction of the said bridge and particularly from the construction of the loading platforms for the passengers on their cars.

NOW, THEREFORE, In consideration of the covenants and conditions hereinafter set forth and described, it is mutually covenanted and agreed as follows:

FIRST: The City covenants that it will construct a pedestrian or foot bridge over Carson Street West, from the building or lower terminal of the Duquesne Inclined Plane Company, located on the south side of Carson Street West to the north sidewalk of Carson Street West and will construct two (2) covered loading platforms on the roadway of the said street, connected to the bridge with covered stairways. Said work shall be performed in accordance with plans approved by the Superintendent of Way and Structures of the Railways Company and shall be prosecuted in such manner as not to interfere with the operation of the Railways Company's cars.

SECOND: Upon completion of the work provided for in Paragraph First hereof, the Railways Company will pay to the City Fifty (50%) per cent of the cost of the two loading platforms and the roofs or coverings thereof, provided, however, that said Fifty (50%) per cent shall not exceed the total sum of Two Thousand and Fifty (\$2,050.00) Dollars.

THIRD: The City covenants that it will, at its own cost and expense, maintain, police

and light the said bridge, loading platforms and stairways and that it will indemnify, protect and save harmless the Railways Company from and against all cost, damage, claims, suits and demands of any kind or character which may in any way arise out of or be attributable to the construction, maintenance, presence or use of said bridge and stairways.

FOURTH: It is expressly understood and agreed that the terms of this agreement will not be binding upon the parties hereto until and unless the same is approved by the Public Service Commission of the Commonwealth of Pennsylvania.

This agreement is executed on behalf of the City pursuant to Ordinance of Council No. ...., approved ....., of record in Ordinance Book, Volume ....., Page ....., and on the part of the Railways Company pursuant to a Resolution of its Board of Directors.

IN WITNESS WHEREOF, the parties have caused this agreement to be duly executed the day and year first above mentioned.

#### PORTION "C"

Beginning at the intersection of the present southerly line of South Main street and the westerly line of Independence street; thence extending along the westerly line of Independence street south  $1^{\circ} 32' 00''$  east 18.40 feet to an angle in the same; thence continuing along the northerly line of Independence street south  $61^{\circ} 41' 00''$  west 142.93 feet to an angle in the same; thence continuing along the same south  $58^{\circ} 41' 00''$  west 163.71 feet to the dividing line between property now or late of John Kertz and property now or late of William Kossler; thence along the dividing line between said properties north  $22^{\circ} 03' 00''$  west 29.20 feet to a point; thence, parallel to and at a perpendicular distance of 30.0 feet south of the present southerly line of South Main street south  $67^{\circ} 57' 00''$  west 120.38 feet to the dividing line between property now or late of William Kossler and property now or late of Bennett Levy; thence along the dividing line between the latter mentioned properties south  $53^{\circ} 58' 00''$  west 51.94 feet to a point; thence north  $35^{\circ} 42' 30''$  west 36.25 feet to the present northerly line of South Main street; thence along the present southerly line of south Main street north  $54^{\circ} 17' 30''$  east 31.0 feet to the first angle in the same west of Carson Street West; thence contin-

uing along the same north  $67^{\circ} 57' 00''$  east 459.32 feet to the place of beginning.

Section 2. The width and position of the sidewalks and roadway, from Carson Street West to a point 110.80 feet west of the first angle west of Carson Street West shall be and the same are hereby re-fixed as follows, to-wit:—

The following described survey line shall be used as a reference line for the purpose of this Ordinance.

Beginning at a point of curve on the southerly curb line of the ramp and viaduct of Carson Street West at Station 6+12.01 as shown thereon on Plan No. 1228 of the Department of Public Works of Allegheny County, said plan being on file in the Department of Public Works, Bureau of Engineering, Division of Surveys of the City of Pittsburgh as Survey Plan No. 2359, and said point of beginning shall be known as Station 0+00.0; thence extending westwardly by the arc of a circle deflecting to the left with a radius of 96.13 feet and a central angle of  $46^{\circ} 14' 00''$  for an arc distance of 77.57 feet to a point of tangent at Station 0+77.57; thence westwardly by the tangent, parallel to and at a perpendicular distance of 1.0 foot north of the southerly line of the street as widened in conformity with the provisions of Section 1 of this Ordinance, to Greenleaf street; thence by a perpendicular offset for a distance of 4.0 feet northwardly; thence westwardly parallel to and at a perpendicular distance of 2.0 feet north of the present southerly street line to an angle at Station 8+09.49; thence westwardly coinciding with the present southerly 8.0 foot curb line to Station 8+95.0, said point being perpendicularly opposite and 8.0 feet north of a point on the southerly line, which is distant 110.80 feet westwardly along the present southerly line from the first angle therein west of Carson Street West.

The southerly curb line shall coincide with the above described survey line.

The northerly curb line, from Carson Street West to the Allegheny County Bridge Approach, between South Main street and Steuben street, shall be parallel to and at a perpendicular distance of 6.0 feet south of the northerly line of the street as widened by the provisions of Section 1 of this Ordinance; thence to a point perpendicularly opposite Station 8+95.0 on the above described survey line shall coincide with the present northerly curb line.

The southerly sidewalk, from Greenleaf street to Station 8+95.0 on the above described survey line shall have a uniform width of 8.0 feet and shall lie along the southerly side of and contiguous to the above described southerly curb line, coinciding with the present southerly sidewalk, from Station 8+09.49 on the above described survey line to Station 8+95.0 on the same.

The northerly sidewalk, from Carson Street West to the Allegheny County Bridge Approach, between South Main street and Steuben street, shall have a uniform width of 6.0 feet and shall occupy the portion of the street lying between the above described northerly curb line and the northerly line of the street as widened by the provisions of Section 1 of this Ordinance; thence to a point perpendicularly opposite Station 8+95.0 on the above described survey line shall have a uniform width of 8.0 feet and coincide with the present northerly sidewalk.

The roadway, from Carson Street West to Greenleaf street shall have a general width of 49.0 feet; thence to the Allegheny County Bridge Approach, between South Main street and Steuben street, shall have a uniform width of 45.0 feet; thence to the first angle west of Carson Street West shall have a uniform width of 40.0 feet; thence to Station 8+95.0 on the above described survey line shall have a uniform width of 34.0 feet. The roadway shall occupy the portion of the street lying between the above described curb lines throughout.

The remaining portion of the street lying without the lines of the sidewalks and roadway as above described shall be used for slopes, parking, retaining walls and steps.

Section 3. The grade of the southerly curb line, from Carson Street West to a point 110.80 feet west of the first angle west of Carson Street West shall be and the same is hereby re-established as follows, to-wit:—

Beginning at Station 0+00.0 on the above described survey line at an elevation of 55.18 feet; thence rising at the rate of 1.224% to a point of curve at Station 0+87.46 to an elevation of 56.27 feet; thence by a convex parabolic curve to a point of tangent at Station 1+87.46 to an elevation of 55.89 feet; thence falling at the rate of 2.0% to a point of curve at Station 5+29.38 to an elevation of 49.05 feet; thence by a convex parabolic curve to a point of tangent at Station 5+69.38 to an elevation of 47.65 feet;

thence falling at the rate of 5.0% to a point of curve at Station 8+55.0 to an elevation of 33.37 feet; thence by a concave parabolic curve to a point of tangent at Station 8+95.0 to an elevation of 32.37 feet (curb as set).

Section 4. The Department of Public Works is hereby authorized and directed to cause said South Main street in the 19th and 20th Wards of the City of Pittsburgh, from Carson Street West to a point 31.0 feet west of the first angle west of Carson Street West to be widened in conformity with the provisions of Section 1 of this Ordinance.

Section 5. The costs, damages and expenses occasioned thereby and the benefits to pay the same shall be assessed against and collected from properties benefited thereby in accordance with the provisions of the Acts of Assembly of the Commonwealth of Pennsylvania relating thereto and regulating the same.

Section 6. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

## No. 494

**AN ORDINANCE**—Authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the sum of One Hundred Fifty Thousand (\$150,000.00) Dollars, and providing for the issue of bonds of said City in said amount to provide funds for the acquisition of property for widening of Carson Street West from Musk way to a point 899 feet west of South Main street and providing for the redemption of said bonds and the payment of interest thereon.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That*

the indebtedness of the City of Pittsburgh be increased by the amount of One Hundred Fifty Thousand (\$150,000.00) Dollars, to provide funds for the acquisition of property for widening of Carson Street West from Musk way to a point 899 feet west of South Main street and providing for the redemption of said bonds and the payment of interest thereon.

Section 2. That bonds of the City of Pittsburgh in the aggregate principal amount of  
**ONE HUNDRED FIFTY THOUSAND (\$150,000.00) DOLLARS**

be issued for the purposes aforesaid. Said bonds shall be in denominations of

**ONE HUNDRED (\$100.00) DOLLARS**

or multiples thereof; shall be dated as of the first day of August, 1931; and shall be payable in twenty (20) equal annual installments of

**SEVEN THOUSAND FIVE HUNDRED (\$7,500.00) DOLLARS EACH**

one of which shall mature on the first day of August in each of the years 1932 to 1951 inclusive. Said bonds shall bear interest at the rate of three and three-quarter (3¾%) per centum per annum, payable semi-annually on the first days of February and August in each year, without deduction for any taxes which may be levied thereon by the Commonwealth of Pennsylvania pursuant to any present or future law, the payment of which is hereby assumed by the City of Pittsburgh. The principal and interest of said bonds shall be payable in lawful money of the United States of America at the office of the City Treasurer of said City. Said bonds shall be coupon bonds, exchangeable at the option of the holder for a registered bond or bonds of the same maturity and of the denomination of

**ONE HUNDRED (\$100.00) DOLLARS**

or a multiple thereof, not exceeding the aggregate principal amount of the coupon bond or bonds surrendered in exchange therefor, by surrendering such coupon bond or bonds with all coupons not yet due, at the office of the City Controller, and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be engraved and to issue the same in the name of the City of Pittsburgh, the expense to be charged to Appropriation No. 42, Contingent Fund. Registered bonds shall be registered with the City Treasurer, and shall be transferable only on the books of the said City

Treasurer. Said bonds shall be signed by the Mayor, countersigned by the City Controller and sealed with the corporate seal of the City of Pittsburgh, and the coupons attached thereto shall be authenticated with facsimile signature of the City Controller. In case of the absence or disability of any of such officials, the bonds shall be signed by the City official authorized by law or by resolution of Council to act in his place. Each of said bonds shall be known and designated as

**WEST CARSON STREET IMPROVEMENT  
BOND, 1931.**

Section 3. That said bonds shall be sold by the Mayor and the City Controller, at not less than par and accrued interest, after giving such notice of sale as may be required by law.

Section 4. That until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed annually upon all subjects now by law liable, or hereafter to be made liable, to assessment for taxation for city purposes, an annual tax, commencing the first year after said debt shall have been increased or incurred, namely the year 1932, sufficient to pay the interest on said bonds as the same shall accrue and become payable, and any tax on said interest which by the terms of said bonds is assumed by the City and also an annual tax commencing in said year equal to 5% of the total amount of said bonds hereby authorized, to be set apart as a sinking fund for the payment of the principal and redemption of said bonds as they become due and payable according to their terms, and the same is hereby appropriated out of the revenue of said City for the payment and redemption aforesaid.

Section 5. That all bonds issued by the authority of this Ordinance and the Acts of Assembly authorizing the same shall be and become a part of the funded debt of the City of Pittsburgh, and shall be entitled to all the rights, privileges and immunities thereof, and shall be free from taxation, as aforesaid, and for the payment of the principal of said bonds and the interest thereon semi-annually as the same shall become payable, the faith, honor, credit and property of said City are hereby pledged.

Section 6. That the form of coupon bonds issued in pursuance of this Ordinance shall be substantially as follows:—

## No. 495

**AN ORDINANCE**—Regulating the business of exterminating vermin by the use of certain gases, fumes or vapors, and providing penalties for the violation hereof.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That no person, firm or corporation shall engage, in the City of Pittsburgh, in the business of exterminating vermin in any place used by*

human beings for habitation or business without first having received a license from the Department of Public Health.

Section 2. In the transaction of said business no person, firm or corporation shall use hydrocyanic acid, cyanogen or any other gases, fumes or vapors which are so dangerously toxic to human beings as to constitute a hazard to public health when the same are used in concentrates necessary for effective fumigation, unless licensed to do so under the provisions of this Ordinance, and no person, firm or corporation shall sell or give away to anyone except a licensee under this Ordinance, for the purpose of fumigating the premises as provided in the first section hereof, any material containing hydrocyanic acid, cyanogen or any other gases, fumes or vapors which are so dangerously toxic to human beings as to constitute a hazard to public health, as hereinbefore provided, unless a signed statement is first obtained from the buyer or recipient of said material that it will not be used for the purpose of fumigating any building or portion thereof, as provided in the first section hereof.

Section 3. Any person, firm or corporation desiring to engage in the business of exterminating vermin and household insects, rats or other pests shall first procure a license from the Department of Public Health by making a written application for the same, which application shall be in the form of an affidavit giving the experience and training tending to qualify the applicant for the business of fumigating with dangerous gases. In the case of corporations, said statement shall cover the training and experience of the executive officers or those delegated by the corporation to do the work.

Section 4. The Director of the Department of Public Health is hereby authorized to appoint a board of three examiners, who shall have training and experience in the particular subject matter, and who shall make a thorough investigation of the training, experience, qualifications, character and reputation of the applicants for said licenses, which examination shall be such as the Board deems necessary to determine the fitness and reliability of the applicant, and his knowledge of the requirements of this Ordinance, and rules and regulations of the Department of Public Health relating thereto. In the case of a corporation, the executive officers of said corporation shall designate what agents shall supervise and control its fumigating

work, which agents shall qualify and be examined, as provided herein, by the said Board. If the Board approves the issuance of a license to any person, firm or corporation, the Director of the Department of Public Health may issue said license if in his opinion he considers the licensee qualified to engage in said business.

Section 5. Each licensee shall pay to the City Treasurer for said license the sum of Fifty (\$50.00) Dollars per annum, and in addition thereto shall execute and deliver to the City of Pittsburgh, for the benefit of any person or persons who may receive injuries, acquire illness or suffer death by reason of the use of such gases, fumes or vapors, a bond in the sum of Ten Thousand (\$10,000.00) Dollars, said bond to be either a surety company bond or to be secured by adequate real estate in the name of the surety.

Section 6. Only those persons who are properly qualified by training or experience in the fumigants they are to use and who are in good health shall be employed by the licensee to do the actual work of fumigating. The licensee shall notify the Director of the Department of Public Health of each new fumigator employed, such notice to contain a statement of his qualifications. Such application shall be approved by the Director of the Department of Public Health before the person shall be permitted to do the work.

Section 7. Any person, firm or corporation desiring to fumigate with the gases, fumes or vapors referred to in Section 2, before doing so shall file with the Director of the Department of Public Health an application giving the location of the building, enclosed space or ship, and shall receive from the said Director a permit, which shall state the day and hour when the work shall be performed. Each application for such permit shall be accompanied by a fee of Two (\$2.00) Dollars. Such permit shall be kept on the premises to be fumigated. Should the applicant be unable to perform the work on the hour and day set forth in the permit and notifies the Director of the Department of Public Health twenty-four (24) hours prior to the time set forth in the permit, then, in the discretion of the said Director, the time of the permit may be extended. A ship or vessel may be fumigated without previously procuring from said Director a permit so to do if every person except the watchman shall leave the vessel for the period of fumi-

gation and the vessel shall be fended off from the shore so that no person may board the vessel without the knowledge of the watchman. In the case of special fumigation chambers or vaults, a permit for each fumigation is not required, but the location, construction and means of ventilation of such vaults or chambers must be approved by the Director of the Department of Public Health. An annual permit for the operation of the special fumigation chambers or vaults shall be procured from the Director of the Department of Public Health.

Section 8. Fumigation Procedure.—When gases, fumes or vapors referred to in Section 2 hereof are used for fumigation or extermination, the following method of procedure shall be used:—

(a) Notification of occupants and vacating of premises.—Before fumigation, the operator shall personally inspect the premises, and shall serve notice, over his signature, upon all responsible occupants of each room or apartment within the danger area, stating the danger of the process and the precautions to be observed, designating the rooms or apartments which must be vacated and indicating the time when the gas is to be generated or liberated. The form of this notice shall be approved by the Director of the Department of Public Health. Every room in the danger area shall be vacated. In the case of a building in which there is an inner court, vent, shaft or light well, or a lot line court with a party wall, or in the case of two buildings having adjacent lot line courts upon which any room being gased opens, every room with windows or other apertures opening to such inner or lot line courts, vent shafts or light wells shall be vacated and securely locked. Where the walls of any adjoining buildings are located within ten (10) feet of the rooms or apartments being gased, the operator shall notify, over his signature, all responsible occupants of rooms or apartments with window openings in such walls that such windows as are directly opposite or above the area of the adjoining building which is under gas or closed, or the rooms vacated during the time the building gased is being flushed or aired. All rooms or apartments ordered vacated but not under gas shall be well ventilated during the process by keeping the windows of rooms or apartments open.

Provided, however, that such vacation of premises and notification of occupants shall

not be necessary where the fumigation is done in special rooms or vaults when such special rooms or vaults are approved as to their location, construction and gas-tightness by the Director of Health, and a provision is made for the airing of such vaults so as to allow the escape of gases at such a location where it is not dangerous by a system of ducts and ventilation approved by the Director of Health.

(b) The danger area.—The danger area is those portions of any structure or dwelling which lie within the boundary of the outside walls of the building under gas, the roof and the basement or cellar floor, and such cut-off or fire walls as may exist in the structure in question. Such cut-off or fire walls shall be of solid masonry, gas tight, at least eight inches in thickness, extending from the basement through the attic, with all openings locked and guarded against entry, and effectively sealed against gas leakage.

(c) Crew to be removed from vessel.—No vessel shall be fumigated until the captain or other commanding officer shall have mustered the crew and caused the members thereof and all other persons therein or thereon to leave and remain away from such vessel during the process of fumigation. Provided, however, where a part of a vessel is to be fumigated and such part is not occupied or immediately adjoining an occupied portion of the vessel, and where, after an investigation conducted by the Director of the Department of Public Health, it appears to the satisfaction of the Director of the Department of Public Health that such portion may be fumigated without danger to life or health, he may, in his discretion, grant permission to the holder of a permit to perform fumigation without requiring all persons in other parts of such vessel to leave the same, subject to such conditions and restrictions as he may impose.

(d) Sealing rooms before releasing hydrocyanic acid gas.—Before fumigation with hydrocyanic acid gas and/or other dangerous gases, fumes or vapors, it is required that the operator shall securely seal all cracks, holes, crevices, openings and apertures in walls, ceilings and floors in such a way as to confine the gas to the premises intended to be fumigated.

(e) Locking rooms and adjoining rooms and apartments.—Before fumigation it is required that the operator shall personally inspect all rooms and apartments ordered vacated under Section 8, sub-division (a), and

be assured that they are unoccupied by persons or domestic animals, afterwards all doors to all rooms or apartments, excepting one exit door to the rooms or apartments to be gassed shall be securely locked; in addition, such windows or other wall openings as might possibly be used to gain entrance shall be locked or barred in such a way as to prevent entrance while still permitting thorough airing of the room. Immediately upon generating or liberating the gas the door through which the operator leaves shall be securely locked and sealed, and all keys obtainable to all rooms or apartments ordered vacated shall be retained by the operator until all danger is passed. As an additional precaution, all rooms and apartments vacated shall be placarded.

(f) Warning card.—Prior to releasing the gas suitable warning signs shall be posted on all entrances or doors to the premises to be fumigated, and upon all gangplanks, ladders and other approaches, etc., from the deck, pier or land to the vessel as follows:—

Skull	DANGER	Skull
and	Fumigating with	and
Crossbones	Cyanide Gas	Crossbones
	Deadly Poison.	

All persons are warned to keep away.

By order of the City Health Director.

(Name and address of licensee as well as telephone number.)

Such signs shall be printed in red ink on white cardboard. The letters in the word "DANGER" shall be at least two inches high, and all others except the signature at least three-fourths of an inch high. At night such signs shall be illuminated so as to make the reading matter thereon plainly legible.

(g) Guards.—Whenever hydrocyanic acid and/or other dangerous gases, fumes or vapors as provided in Section 2 are generated or liberated in any room or portion of a structure in the City of Pittsburgh, a sufficient number of capable, alert watchmen shall remain on duty at the entrance or entrances to the room, building or enclosed space vacated for gassing, to prevent people from entering while gas is present and for two hours after the room or area gassed is opened for airing. All guards or watchmen shall be reliable persons and must be acceptable as a proper guard by the Director of the Department of Public Health. The licensee shall be held strictly responsible and accountable for the conduct of the guards or watch-

men. In every case where the entire building is not vacated the licensee or his approved representative shall remain on the job during the progress of fumigation and airing and shall constantly supervise the occupancy of the structure to insure that no person will be endangered by gas leakage. The licensee shall give all guards definite and proper instructions and shall visit the premises being fumigated at regular and frequent intervals during the process to insure that they are properly guarded.

(h) Removal of food.—Before fumigation the operator shall see that all ice, food and drink are removed from the rooms ordered vacated, except such food or drink as is in sealed air-tight containers need not be removed. Provided, that completely dry foods, such as flour and cereals, when stored in elevators, warehouses or mills need not be removed when the fumigation is for the purpose of destroying vermin or insect pests infesting these foodstuffs.

(i) Fire.—All fires within the premises under gas shall be put out whenever an inflammable gas is used. For the purpose of this Ordinance the Director of the Department of Public Health shall designate upon request whether the gas to be used shall be regarded as flammable or non-flammable. The licensee shall notify the Fire Bureau of any rooms, building or structure other than approved vaults, placed under hydrocyanic acid or other dangerous gas fumigations.

(j) Spilling of cyanide.—No cyanic crystals shall be dropped on the floor or left exposed where people or domestic animals may come in contact with them.

(k) Container for ingredients.—An impermeable receptacle for containing the ingredients is required.

(l) Opening of rooms after gassing.—At the conclusion of the gassing process it shall be the duty of the operator to throw open doors and windows of the premises until all rooms have been opened for free access of air. No person other than the operator or operators shall be permitted to enter the premises until all traces of the gas have disappeared, and in no case shall the occupants of the rooms or areas gassed be permitted to enter until twelve hours after airing. The operator or watchman shall keep all persons away from the doors and windows of the premises for two hours after airing. Infants and children under six years of age shall not

be permitted to re-enter the premises until eighteen hours after the rooms or apartments are opened for airing. The licensee shall inform all occupants having children of this provision, in writing, over his signature. Warnings posted where the natural light between sunrise and sunset is dim shall be artificially illuminated. Warnings on vessels fumigated after sunset shall be artificially illuminated in a manner approved by the Director of the Department of Public Health.

(m) The operator shall pour the residue left in the jars or containers and the water used for cleaning such jars or containers down the toilet bowl, which shall be flushed thoroughly with water to remove all traces of the chemicals.

(n) Every container in which hydrocyanic acid, either alone, mixed with or absorbed in other material, is handled, shipped or sold shall be of a type of construction, material and thickness approved by the Director of the Department of the Public Health, in order that accidental poisoning during handling, storage and shipment of such containers may be prevented. This approval shall not be necessary where the containers are accepted by the United States officials for interstate shipment.

(o) The Director of the Department of Public Health is hereby authorized and directed to prescribe and enforce such rules and regulations not in conflict with the provisions of this Ordinance as he may deem necessary for the protection of life and public health.

(p) The Director of the Department of Public Health may prescribe that a warning gas shall be mixed with hydrocyanic acid gas or other dangerous gases, fumes or vapors to be used for fumigating, specifying in whatever detail he shall deem necessary the time and method for the generation or release of such gases. The Director of the Department of Public Health is further authorized to prescribe from time to time changes or additions in the rules and regulations promulgated by him under this Ordinance as such changes or additions may be deemed by him to become necessary.

Section 9. Any person, firm or corporation violating any of the provisions of this Ordinance shall, upon conviction thereof before any police magistrate or alderman of the City of Pittsburgh, be fined not more than One Hundred (\$100.00) Dollars, which

shall be recoverable with costs, and upon failure to pay the same shall be imprisoned in the Allegheny County Jail for a term not exceeding thirty (30) days.

Section 10. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

## No. 496

**AN ORDINANCE**—Granting unto the West End Traction Company, its successors, lessees and assigns, the right to enter upon, use and occupy Saw Mill Run boulevard as proposed to be constructed between intersection of the Saw Mill Run boulevard and Woodruff street and the intersection of Banksville Avenue and Woodville avenue, for street railway purposes, subject to the terms and conditions herein provided.

WHEREAS, The West End Traction Company owns and maintains a double track street railway on Woodruff street and Woodville avenue between the intersection of Woodruff street and Saw Mill Run boulevard and the intersection of Woodville avenue and Banksville avenue; and,

WHEREAS, The City of Pittsburgh proposes to construct a new street or highway to be known as the "Saw Mill Run Boulevard" between the intersection of Woodruff street and the existing Saw Mill Run boulevard and the intersection of Woodville avenue and Banksville avenue; and,

WHEREAS, The construction of said proposed Saw Mill Run boulevard will require the abandonment of the double track street railway on Woodruff street and Woodville avenue between the intersection of Woodruff street and the existing Saw Mill Run boulevard and the intersection of Woodville avenue and Banksville avenue; and,

WHEREAS, The West End Traction Company is willing to abandon its double track street railway on said portions of Woodruff street and Woodville avenue, upon condition, however, that the City of Pittsburgh shall

grant unto said West End Traction Company the right to construct, maintain and operate a double street railway track on and along the said proposed Saw Mill Run boulevard.

*Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the West End Traction Company, its successors, lessees and assigns, shall have the right and they are hereby authorized to enter upon, use and occupy, for street railway purposes, the streets and highways in, on and along the following route:—*

*"Beginning at a point of connection with the existing tracks on Woodruff street at or near its intersection with the Saw Mill Run boulevard; thence northwestwardly along the Saw Mill Run boulevard as proposed to be constructed by the City of Pittsburgh, to and around the Traffic Circle as proposed to be constructed by the City of Pittsburgh at the intersection of Banksville avenue and Woodville avenue to a point of connection with the existing tracks on Woodville avenue at or near its intersection with said new Saw Mill Run boulevard."*

Section 2. The West End Traction Company, its successors, lessees and assigns, shall have the right, and they are hereby authorized to construct, maintain, operate and use a double street railway track on the route hereinabove mentioned, together with the necessary connections, and to operate cars thereon, and to use electricity as a motive power, and to erect, maintain and use in the streets and highways hereinbefore mentioned such posts, poles and other supports as they may deem convenient for the support and maintenance of their overhead system, and for the operation of a street railway, subject to the provisions of an Ordinance approved February 25, 1890, entitled, "An Ordinance relating to the entry upon, over or under, or the use or occupation of any street, lane or alley, or any part thereof for any purpose, by passenger or street railway companies, or by companies operating passenger or street railways, and providing reasonable regulations pertaining thereto for the public convenience and safety"; provided, however, that the obligation of the West End Traction Company, its successors, lessees and assigns, relative to paving within the so-called street railway area shall be the same as provided in the agreement between the City of Pittsburgh, Philadelphia Company and Pittsburgh Railways

Company, dated December 20, 1921, during the effective period thereof or any extensions thereof.

Section 3. By its acceptance of this Ordinance, in accordance with the terms of Section 4 hereof, the West End Traction Company, its successors, lessees and assigns, shall surrender all their right, power and privilege to construct, maintain and operate a street railway on the portions of Woodruff street and Woodville avenue proposed to be vacated in connection with the construction of the proposed Saw Mill Run boulevard between the intersection of Woodruff street and the existing Saw Mill Run boulevard and the intersection of Woodville avenue and Banksville avenue.

Section 4. This Ordinance shall be accepted by the West End Traction Company within sixty (60) days after its passage or approval by a Certificate of Acceptance of all the conditions and provisions hereof. The said Certificate shall be executed under the corporate seal of the Traction Company, duly attested by the President, or Vice-President, and the Secretary, or an Assistant Secretary, thereof, and filed with the Controller of the City.

Section 5. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

### THIS AGREEMENT

MADE and entered into this ..... day of ....., 1931, by and between the Pittsburgh Railways Company, the West End

Traction Company and The Pittsburgh and West End Railway Company, all Pennsylvania corporations, hereinafter sometimes referred to collectively as "Railway Companies", parties of the first part, and the City of Pittsburgh, a municipal corporation of the Commonwealth of Pennsylvania, party of the second part.

WITNESSETH:

WHEREAS, An Act of Assembly of the Commonwealth of Pennsylvania, approved on the 3rd day of May, 1905, P. L. 379, authorizes, among other things, the making of contracts between cities, boroughs and townships of the one part and street passenger railway companies and motor power companies of the other part to secure the removal of any street railway tracks already laid or the postponement of the laying of tracks duly authorized, and this contract is entered into pursuant to the provisions of the said Act of Assembly; and,

WHEREAS, The City of Pittsburgh by ordinance approved June 8, 1898, recorded in Ordinance Book 12, Page 102, granted the Virginia Avenue Street Railway Company the right to use and occupy, for street railway purposes, the following streets in said City: "Beginning at the corner of Bailey avenue and Beltzhoover avenue in the Thirty-second ward of the City of Pittsburgh; thence extending along Bailey avenue to the corner of Boggs avenue and Wyoming street; thence along Wyoming street to Virginia avenue and along Virginia avenue to Woodville avenue, to a connection with the tracks of the West End Traction Company now laid on Woodville avenue"; and,

WHEREAS, The Virginia Avenue Street Railway Company, pursuant to said Ordinance, constructed a double track street railway beginning at or near the intersection of Woodruff street and Virginia avenue, at a point of connection with the tracks of The West End, Mt. Washington and Banksville Street Railway Company, thence eastwardly along Virginia avenue, Wyoming street and Bailey avenue to a point on Bailey avenue 776 feet, more or less, east of the east line of Wyoming street; and,

WHEREAS, The Virginia Avenue Street Railway Company by agreement dated August 30, 1926, between said Company, the West End Traction Company and the Pittsburgh Railways Company, as parties of the first part, and the City of Pittsburgh, as party

of the second part, temporarily abandoned, for a period of forty-nine (49) years from the date of said agreement, one of the aforesaid street railway tracks beginning at a point on Woodruff street opposite a point in the north property line thereof, forty-five (45') feet as measured westwardly from its intersection with the west property line of Kearsarge street, thence northeastwardly along Woodruff street, crossing Kearsarge street, to and onto Virginia avenue, thence eastwardly along Virginia avenue to a point at right angles opposite a point in the north line of Virginia avenue, fifty-one (51') feet east, as measured along said line from its intersection with the east line of Shiloh street; also beginning at a point in the center line of Virginia avenue three (3') feet west of its intersection with the north property line of Southern avenue, thence crossing Southern avenue to and onto Wyoming street and continuing along Wyoming street to a point at right angles opposite a point in the west line of Wyoming street, forty-two (42') feet north, as measured along said line from its intersection with the north line of Boggs avenue.

WHEREAS, The City of Pittsburgh by ordinance approved June 16, 1897, recorded in Ordinance Book 11, Page 435, authorized The West End, Mt. Washington and Banksville Street Railway Company to use and occupy, for street railway purposes, the following streets in said City: "Beginning on Woodville avenue, at the corner of Virginia avenue, thence extending along Woodville avenue in a westerly direction to where the tracks of The Pittsburgh and West End Railway Company now end on said Woodville avenue"; and,

WHEREAS, The West End, Mt. Washington and Banksville Railway Company, pursuant to said ordinance, constructed a single street railway track on Woodville avenue between the intersection of Shaler street and Woodville avenue, at a point of connection with the tracks of The Pittsburgh and West End Railway Company, and a point sixty-two (62') feet east of the east property line of Banksville road and double street railway tracks from the point last-mentioned along Woodville avenue to Woodruff street (formerly Woodville avenue), thence along Woodruff street to a point of connection with the tracks of the Virginia Avenue Street Railway Company, at or near the intersection of Woodruff street and Virginia avenue; and,

WHEREAS, The West End, Mt. Washing-

ton and Banksville Street Railway Company by agreement dated August 30, 1926 between the Virginia Avenue Street Railway Company, West End Traction Company and Pittsburgh Railways Company, as parties of the first part, and the City of Pittsburgh, as party of the second part, temporarily abandoned, for a period of forty-nine (49) years from the date of said agreement, one of its aforesaid street railway tracks on Woodruff street, commencing at a point at right angles opposite a point in the north property line of Woodruff street, forty-five (45') feet, as measured westwardly from its intersection with the west property line of Kearsarge street, thence along Woodruff street to a point of connection with the tracks of the Virginia Avenue Street Railway Company at or near the intersection of Woodruff street and Kearsarge street; and,

WHEREAS, The City of Pittsburgh by ordinance approved December 5, 1891, recorded in Ordinance Book 8, Page 162, authorized The Pittsburgh and West End Railway Company to use and occupy, for street railway purposes, the following streets in said City: " \* \* \* along Independence street to Woodville avenue, thence along Woodville avenue to Hahn street"; and,

WHEREAS, The Pittsburgh and West End Railway Company, pursuant to said ordinance, constructed double street railway tracks beginning at a point of connection with other tracks of said Company on Wabash avenue, at or near the north line of McCartney way, thence along Wabash avenue 198 feet, more or less, to a point on Independence street and also a single street railway track beginning at the point last-mentioned, thence along Independence street to Woodville avenue, thence along Woodville avenue to the intersection of Woodville avenue and Shaler street, at a point of connection with the tracks of The West End, Mt. Washington and Banksville Street Railway Company; and,

WHEREAS, The Virginia Avenue Street Railway Company sold all its property and franchises to the Pittsburgh Railways Company by agreement dated September 13, 1927; and,

WHEREAS, The West End, Mt. Washington and Banksville Street Railway Company sold all its property and franchises to the West End Traction Company by agreement dated May 7th, 1925; and,

WHEREAS, The West End Traction Company is lessee of all the property and franchises of The Pittsburgh and West End Railway Company and all the property and franchises of the West End Traction Company are in possession of and being operated by the Pittsburgh Railways Company; and,

WHEREAS, The City of Pittsburgh proposes to construct a new street or highway to be known as the "Saw Mill Run Boulevard" between the intersection of Woodruff street and the existing Saw Mill Run boulevard and the intersection of Woodville avenue and Banksville avenue; and,

WHEREAS, The City of Pittsburgh by Ordinance No. \_\_\_\_\_, approved the \_\_\_\_\_ day of \_\_\_\_\_, 1931, granted unto the West End Traction Company the right to use and occupy said proposed Saw Mill Run boulevard for street railway purposes; and,

WHEREAS, By its acceptance of said Ordinance No. \_\_\_\_\_, approved the \_\_\_\_\_ day of \_\_\_\_\_, 1931, the West End Traction Company did surrender all its right, power and privilege to construct, maintain and operate a street railway on that portion of Woodruff street and Woodville avenue between the intersection of Woodruff street and the existing Saw Mill Run boulevard and the intersection of Woodville avenue and Banksville avenue; and,

WHEREAS, The Railway Companies desire to postpone the laying of the street railway tracks authorized by said Ordinance No. \_\_\_\_\_, approved the \_\_\_\_\_ day of \_\_\_\_\_, 1931, to be constructed on said proposed Saw Mill Run boulevard, and to temporarily abandon their street railway tracks beginning at right angles opposite a point in the west property line of Wabash avenue nineteen (19') feet as measured northwardly along said property line from its intersection with the north property line of McCartney way, thence along Wabash avenue to Independence street, thence along Independence street to Woodville avenue, thence along Woodville avenue to a point of connection with the tracks authorized by said Ordinance No. \_\_\_\_\_, approved the \_\_\_\_\_ day of \_\_\_\_\_, 1931, to be constructed on the said proposed Saw Mill Run boulevard, and also beginning at a point on Bailey avenue at right angles opposite a point in the north line of Bailey avenue 776.2 feet east as measured along said north line from its intersection with the east line of Wyoming street, thence westwardly along Bailey avenue to Wyoming

street, thence along Wyoming street to Virginia avenue, thence along Virginia avenue to Woodruff street, thence along Woodruff street to a point of connection with the tracks authorized to be constructed by said Ordinance No. ...., approved the ..... day of ....., 1931, on said proposed Saw Mill Run boulevard, and to remove said tracks, if, as and when the City of Pittsburgh resurfaces or repaves said streets, as the case may be, and cease to use the same, it being the purpose of the Railway Companies to cause the Pittsburgh Motor Coach Company, a subsidiary of the Pittsburgh Railways Company, to make an application to the Public Service Commission of the Commonwealth of Pennsylvania, simultaneous with their application to the Commission for approval of this agreement, for a certificate of public convenience authorizing said Motor Coach Company to operate motor coaches for the transportation of persons on schedule over and along said proposed Saw Mill Run boulevard and the streets and highways occupied by the street railway tracks to be temporarily abandoned under the terms hereof.

NOW, THEREFORE, THIS AGREEMENT WITNESSETH: That the parties hereto in consideration of the mutual covenants and conditions herein provided, do mutually agree as follows, each binding itself, its successors and assigns, to the other, its successors and assigns.

FIRST: The Railway Companies agree that they will postpone the laying of the following street railway tracks in the City of Pittsburgh, Allegheny County, Pennsylvania, authorized to be constructed by Ordinance No. ...., approved the ..... day of ....., 1931:

"Beginning at a point of connection with the existing tracks on Woodruff street at or near its intersection with the Saw Mill Run boulevard; thence northwestwardly along the Saw Mill Run boulevard as proposed to be constructed by the City of Pittsburgh, to and around the Traffic Circle as proposed to be constructed by the City of Pittsburgh at the intersection of Banksville avenue and Woodville avenue to a point of connection with the existing tracks on Woodville avenue at or near its intersection with said new Saw Mill Run boulevard," for the term hereinafter mentioned.

The Railway Companies also agree that they will temporarily abandon the following

street railway tracks in the City of Pittsburgh, Allegheny County, Pennsylvania:

"Beginning on Wabash avenue at a point of connection with other tracks of the Railway Companies, which point of connection is situated at right angles opposite a point in the west property line of Wabash avenue, nineteen (19') feet as measured northwardly along said property line from its intersection with the north property line of McCartney way, thence along Wabash avenue by double track 198.1 feet to and onto Independence street, thence southwardly along Independence street by single track to Woodville avenue, thence eastwardly by single track along Woodville avenue to a point of connection with the tracks authorized by Ordinance No. ...., approved the ..... day of ....., 1931, to be constructed on the proposed Saw Mill Run boulevard between the intersection of Woodville avenue and Banksville avenue and the intersection of Woodruff street and the existing Saw Mill Run boulevard.

"Also beginning on Bailey avenue at a point opposite a point in the north line of Bailey avenue 776.2 feet east as measured along said north line from its intersection with the east line of Wyoming street, thence westwardly along Bailey avenue, by double track, 883.4 feet to and onto Wyoming street, thence along Wyoming street by single track 731.9 feet to and onto Virginia avenue, thence along Virginia avenue by double track a distance of 257.3 feet, thence continuing along Virginia avenue by single track 1,013.9 feet to and onto Woodruff street, thence along Woodruff street by single track a distance of 111.4 feet, thence continuing along Woodruff street by double track to a point of connection with the tracks authorized by Ordinance No. ...., approved the ..... day of ....., 1931, to be constructed on the proposed Saw Mill Run boulevard between the intersection of Woodruff street and the existing Saw Mill Run boulevard and the intersection of Banksville avenue," and will cease to operate street cars over and along said street railway tracks for the term hereinafter mentioned.

SECOND: This agreement shall be in effect for 49 years from the date hereof, provided, however, that the Railway Companies, their successors, lessees and assigns, or any of them, shall have the right at the end of said period or at any time previous thereto, when and if they deem it necessary for the improvement of the service, to construct the

street railway tracks, the laying of which is postponed under the terms hereof, and the appurtenances, and to connect said street railway tracks and appurtenances with the street railway tracks and appurtenances temporarily abandoned under the terms hereof, in event the same be reconstructed, together with all the rights and privileges granted by said Ordinance No. ...., approved the ..... day of ....., 1931, and thereupon as to the street railway tracks and appurtenances thus constructed, this agreement shall terminate and be of no further effect; and provided further that the Railway Companies, their successors, lessees and assigns, or any of them, shall have the right at the end of said period or any time previous thereto, when and if they deem it necessary for the improvement of the service, to reconstruct the street railway tracks temporarily abandoned under the terms hereof, or any portion thereof, and the appurtenances and to connect said street railway tracks and appurtenances, or so much thereof as may be reconstructed, with other street railway tracks and appurtenances on the streets and avenues of said City in the same manner as they were connected previous to the temporary removal herein provided for, together with the same rights and privileges as the Railway Companies, their successors, lessees and assigns, had before said street railway tracks and appurtenances were temporarily removed, and thereupon, as to the portion of said street railway tracks thus reconstructed, this agreement shall terminate and be of no further effect.

In event, however, the entire railways system of Pittsburgh is unified and consolidated into one single ownership and the various mortgages on said system satisfied and a general mortgage covering the entire system executed in lieu thereof, the right and permission which the Railway Companies shall have to construct the street railway tracks, the laying of which is postponed under the terms hereof, or to reconstruct the street railway tracks temporarily abandoned under the terms hereof, shall be terminated, provided, however, that the Public Service Commission may direct that said street railway tracks be constructed or reconstructed, as the case may be, and service rendered thereover.

THIRD: In case of the foreclosure of the following mortgages, as their respective interests, if any, may appear:

(a) Mortgage of The Pittsburgh and West End Railway Company to Fidelity Trust Company (formerly Fidelity Title and Trust Company), Trustee, dated July 1st, 1892, recorded in the Recorder's Office of Allegheny County, Pennsylvania, in Mortgage Book Volume 637, Page 133; or

(b) Mortgage of West End Traction Company to The Union Trust Company of Pittsburgh, Trustee, dated January 1st, 1898, recorded in the Recorder's Office aforesaid in Mortgage Book Volume 829, Page 400; or

(c) Mortgage of Pittsburgh Railways Company (formerly Southern Traction Company) to The Union Trust Company of Pittsburgh, Trustee, dated October 1st, 1900, recorded in the Recorder's Office aforesaid in Mortgage Book Volume 949, Page 28; or

(d) Mortgage of Pittsburgh Railways Company to Guaranty Trust Company of New York, Trustee, dated March 31, 1913, recorded in the Recorder's Office aforesaid in Mortgage Book Volume 1519, Page 1; or

(e) Any mortgage given in renewal or substitution of the mortgages hereinbefore referred to, or any mortgages whereby a lien has been secured against any of the railway tracks and appurtenances temporarily abandoned under and subject to the provisions hereof;

the purchaser or purchasers at judicial sale, or the company or companies organized by such purchaser or purchasers, shall have the right, at any time thereafter, to construct or cause to be constructed the street railway tracks, the laying of which is postponed under the terms hereof, and the appurtenances, and to connect the same with the street railway tracks and appurtenances temporarily abandoned under the terms hereof, in event the same be reconstructed, and to reconstruct or cause to be reconstructed the street railway tracks temporarily abandoned under the terms hereof and the appurtenances and to connect the same with other street railway tracks on the streets and avenues of said City in the same manner as they are connected at the date hereof, at such time as such purchaser or purchasers, or such company or companies, may desire, and to operate street railway cars thereon.

FOURTH: The Pittsburgh and West End Railway Company, in the event of the termination for any reason of its lease agreement with the West End Traction Company

dated January 1st, 1898, shall thereupon have the right at any time thereafter to relay and reconstruct any and all of that portion of the street railway tracks and appurtenances to be abandoned under the terms hereof, constructed pursuant to the aforementioned ordinance of the City of Pittsburgh approved December 5, 1891, recorded in Ordinance Book 8, page 162, and to connect said track with other tracks on the streets and avenues of the City of Pittsburgh in the same manner as they are connected at the date hereof, and to operate street cars thereon and thereover.

The West End Traction Company, in event of the termination for any reason of its lease agreement with the Pittsburgh Railways Company (formerly Southern Traction Company), dated October 1st, 1900, shall thereupon have the right at any time thereafter to relay and reconstruct any and all of the portion of the street railway tracks and appurtenances to be abandoned under the terms hereof, constructed pursuant to the aforementioned ordinance of the City of Pittsburgh approved June 16, 1897, recorded in Ordinance Book 11, Page 435, except that portion of said street railway tracks abandoned by its acceptance of the aforesaid Ordinance No. ...., approved the ..... day of ..... 1931, and to connect said tracks with other tracks on the streets and avenues of the City of Pittsburgh in the same manner as they are connected at the date hereof, and to operate street cars thereon and thereover; also to construct the street railway tracks, the laying of which is postponed under the terms hereof, and the appurtenances, and to connect the said street railway tracks and appurtenances with the street railway tracks and appurtenances temporarily abandoned under the terms hereof, in event the same be reconstructed, and to operate street railways cars thereon.

FIFTH: The City of Pittsburgh covenants that it will permit such postponement of the laying of street railway tracks on the streets aforesaid, and during the continuance of this agreement municipal consent shall not be granted to any other company or individual to use or occupy the streets authorized to be occupied by said tracks for street railway purposes, in accordance with the provisions of the aforesaid Act of Assembly.

The City of Pittsburgh also covenants that it will permit such temporary abandonment of street railway tracks on the streets afore-

said and during the continuance of this agreement municipal consent shall not be granted to any other company or individual to use or occupy the streets occupied by said tracks for street railway purposes, in accordance with the provisions of the aforesaid Act of Assembly.

SIXTH: The Railway Companies shall also, at their own cost and expense, remove the street railway tracks and appurtenances to be temporarily abandoned under the terms hereof, simultaneous with the repaving or resurfacing, as the case may be, by the City of Pittsburgh of the streets on which said tracks are situate, and thereafter the Railway Companies shall be relieved of all liability to pave, repave, maintain, keep clean and repair the aforesaid streets and highways from which said tracks are temporarily removed, until such time as said tracks may be reconstructed and used; provided, however, that in event the City of Pittsburgh resurfaces said streets, or any portion thereof, and desires to utilize any part of the street railway track structure, excepting the rails, as a foundation for such resurfaced streets, the Railway Companies shall remove only the rails and such other part of said track structure as they are directed to remove by the Director of the Department of Public Works and the Railway Companies shall thereupon pay into the City Treasury the amount of money necessary for the ultimate removal of the remaining portion of such tracks, which said amount shall be estimated by the Director of the Department of Public Works and agreed upon between him and the Railway Companies; and provided further that where only part of such track structure shall be removed as aforesaid, the Railway Companies shall restore the area of paving from which said part of their track or track structure has been removed, so as to leave the same in adequate form and condition for the City of Pittsburgh to resurface.

SEVENTH: This agreement shall not go into effect until approved by the Public Service Commission of the Commonwealth of Pennsylvania, and all of the parties hereto agree that the Public Service Commission may at any time order the tracks, the laying of which is postponed under the terms hereof, and the appurtenances, to be constructed and service rendered thereover, and the tracks temporarily abandoned under the terms hereof relaid, and service resumed thereover.

The Railway Companies covenant that they will cause the Pittsburgh Motor Coach Company to make an application to the Public Service Commission of the Commonwealth of Pennsylvania, simultaneous with their application to the Commission for approval of this agreement, for a certificate of public convenience authorizing said Motor Coach Company to operate motor coaches for the transportation of persons on schedule over and along the streets and highways authorized to be occupied by the street railway tracks, the laying of which is postponed under the terms hereof, and the streets and highways occupied by the street railway tracks to be temporarily abandoned under the terms hereof.

EIGHTH: All of the provisions of this agreement, which has been authorized by Ordinance No. ...., Series 1931, approved ....., 1931, in accordance with Ordinance No. 347, Series 1929, approved May 16, 1929, recorded in Ordinance Book Volume 41, Page 352, shall be subject to the provisions of the general ordinance of the City of Pittsburgh, approved February 25, 1890, except as otherwise provided herein.

IN WITNESS WHEREOF, the said Railway Companies have caused their corporate seals to be hereunto affixed, attested by their respective Secretaries or Assistant Secretaries, and this contract to be signed by their respective Presidents or Vice Presidents, and this contract is signed and executed in the name of the City of Pittsburgh and for the City of Pittsburgh by its Mayor, and the seal of said City is by the Mayor hereunto affixed, he having been duly authorized so to do by ordinance of Council of said City, all done the day and year aforesaid.

## No. 525

**AN ORDINANCE**—Authorizing the Mayor and the Director of the Department of Public Works of the City of Pittsburgh, for and in behalf of said City of Pittsburgh, to enter into an agreement with Henry A. Phillips, of the City of Pittsburgh, Allegheny County, Pa., for the purpose of acquiring land for the widening of Seventh avenue.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Mayor and the Director of the Department of Public Works of the City of Pittsburgh, for and in behalf of the said City of Pittsburgh, be and they are hereby authorized to enter into an agreement with Henry A. Phillips, of the City of Pittsburgh, Allegheny County, Pa., for the purpose of acquiring land for the widening of Seventh avenue, which agreement shall be in the following form:—

**THIS AGREEMENT**

MADE AND ENTERED INTO this .....

day of ....., by and between the City of Pittsburgh, a municipal corporation of Allegheny County, Pennsylvania, party of the first part, and Henry A. Phillips, of the City of Pittsburgh, Allegheny County, Pennsylvania, party of the second part,

WITNESSETH:

THAT WHEREAS, The City of Pittsburgh is desirous of widening Seventh avenue from a sixty (60) to an eighty (80) foot street or avenue, between William Penn Place and Grant street in the City of Pittsburgh; and,

WHEREAS, Henry A. Phillips is the owner of the land on the northerly side of Seventh avenue, twenty (20) feet of which is to be utilized for the purpose of widening the said Seventh avenue from a sixty (60) to an eighty (80) foot street or avenue between the points mentioned;

NOW, THEREFORE, The party of the first part, its successors and assigns, hereby agrees to and with the party of the second part, his heirs, executors, administrators and assigns, as follows:—

1. The City of Pittsburgh covenants and agrees that it will, by the passage of proper ordinances, widen Seventh avenue, between William Penn Place and Grant street, from a sixty (60) to an eighty (80) foot street or avenue, and grade, pave and curb the same as so widened; and the said City of Pittsburgh further agrees to pay to the said Henry A. Phillips the sum of Seventy Thousand (\$70,000.00) for a strip of land running along the northeasterly side of Seventh avenue of a width of twenty (20) feet, between William Penn Place and Grant street, and agrees to embrace the said strip of land within Seventh avenue as so widened.

2. In consideration whereof, Henry A. Phillips covenants and agrees to deliver to the City of Pittsburgh a deed dedicating for street purposes a strip of land twenty (20) feet in width, extending from William Penn Place to Grant street, along the southwesterly portion of the property owned by said Phillips, and the said Phillips covenants and agrees further to release the City of Pittsburgh from all claims for damages which he may have arising or growing out of the same.

3. It is understood and agreed by the parties hereto that the City of Pittsburgh shall pay all damages, costs and expenses occasioned by and arising out of the said

widening of Seventh avenue, and the grading, paving and curbing of the same, and that no benefits shall be assessed against any of the abutting property along the line of said improvement.

IN WITNESS WHEREOF, the City of Pittsburgh has caused this Agreement to be duly executed by its Mayor and Director of the Department of Public Works, and the seal of the City affixed thereto, and the party of the second part has hereunto set his hand and seal the day and year aforesaid.

No. 526

AN ORDINANCE—Granting unto the Peoples Pittsburgh Trust Company the right to construct, maintain and use, at its own proper cost and expense, a Telechron Clock in the sidewalk at the curb line of Forbes

street, 45 feet west of Meyran avenue and in front of the premises of said Trust Company, Oakland Branch; and fixing the responsibility therefor, and the removal thereof.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Peoples Pittsburgh Trust Company be and it is hereby given the right to construct, maintain and use, at its own proper cost and expense a Telechron Clock in the sidewalk at the curb line of Forbes street, 45 feet west of Meyran avenue in front of the premises of the Oakland Branch of the said Peoples Pittsburgh Trust Company.

Section 2. The erection, maintenance and use of said Telechron Clock shall be in accordance with the specifications as follows:—

The installation will consist of an ornamental 16 gauge galvanized iron standard supported by a 4-inch heavy duty galvanized iron pole set into a concrete base. The clock will be double faced with a circular illuminated time dial with a circular sign one (1) foot in height around the clock, consisting of six-inch raised opal glass letters reading "Peoples Pittsburgh Trust Co." The mechanism will consist of two twin motored Telechron motors to actuate the movement of the clock hands operated on a potential of 110 volts—60-cycle—alternating current, direct from the central station service in the Company's building. The Glass Clock Dials will be approximately 36 inches in diameter and constructed of vitrolite mounted on a 39-inch galvanized sheet iron (24) gauge drum with provision for attachment to the four-inch heavy duty pole. The drum will be approximately 12 inches in depth. The circular sign will be illuminated with one 25-watt lamp per each 6-inch letter and the dial will have ten 50-watt lamps. The concrete anchorage for post and base will be approximately 5 feet 6 inches below the curb line and 2 feet 6 inches above the same will be two feet square. The 4-inch pole will be imbedded in the concrete to a depth of 5 feet below the curb level with anchor rods to avoid turning. Current for clock operation will be supplied by one pair of No. 14 wires from base of building to clock motors and two pairs of No. 14 wires to provide illumination, all wires installed in two conduits. Extreme diameter of clock and sign to be approximately 5 feet, diameter of clock 3 feet, height of pole from sidewalk to bottom of

sign, 15 feet, weight of clock and sign 250 pounds. The whole construction will be in accordance with the design prepared by the General Outdoor Advertising Company on file in the office of the Director of the Department of Public Works of the City of Pittsburgh.

Section 3. The rights and privileges herein granted are made subject to the following conditions, to-wit:—

(a) The Peoples Pittsburgh Trust Company assumes as a condition precedent, any and all liability for any damage or injury to person or property by reason of the construction, maintenance and use of said clock and equipment, and will have and keep harmless the City of Pittsburgh from all claim or claims, suit or suits arising out of the same.

(b) This Ordinance shall become null and void unless within thirty (30) days from its approval the Peoples-Pittsburgh Trust Company shall file with the City Controller its certificate of acceptance of all the terms and conditions of the ordinance, under and pursuant to a resolution of its Board of Directors authorizing the same.

Section 4. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets and the Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the use of such streets and compensation for the same.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh without liability reserves the right to cause the removal of said clock upon giving ninety (90) days' notice to its proper officers pursuant to Resolution or Ordinance of the City of Pittsburgh, to the Peoples Pittsburgh Trust Company, its successors and assigns, to that effect, and that the said grantee when so notified shall at the expiration of ninety (90) days forthwith remove said clock and replace the street to its original condition at its own cost and expense.

Section 6. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

AND

Gulf Building Company, a Pennsylvania corporation, domiciled in the City of Pittsburgh, County and State aforesaid, party of the second part:

WITNESSETH:

THAT WHEREAS, The City of Pittsburgh is desirous of widening Seventh avenue from a sixty (60) to an eighty (80) foot street or avenue, between William Penn Place and Grant street, in the City of Pittsburgh; and,

WHEREAS, Gulf Building Company is the owner of the land on the northerly side of Seventh avenue, twenty (20) feet of which is to be utilized for the purpose of widening the said Seventh avenue from a Sixty (60) to an eighty (80) foot street or avenue between the points mentioned;

NOW, THEREFORE, The party of the first part, its successors and assigns, hereby agrees to and with the party of the second part, his heirs, executors, administrators and assigns, as follows:

1. The City of Pittsburgh covenants and agrees that it will, by the passage of proper ordinances, widen Seventh avenue, between William Penn Place and Grant street, from a sixty (60) to an eighty (80) foot street or avenue, and grade, pave and curb the same as so widened; and the said City of Pittsburgh further agrees to pay to the said Gulf Building Company the sum of Seventy Thousand (\$70,000.00) Dollars for a strip of land running along the northeasterly side of Seventh avenue of a width of twenty (20) feet, between William Penn Place and Grant street, and agrees to embrace the said strip of land within Seventh avenue as so widened.

2. In consideration whereof, Gulf Building Company covenants and agrees to deliver to the City of Pittsburgh a deed dedicating for street purposes a strip of land twenty (20) feet in width, extending from William Penn Place to Grant street, along the southwesterly portion of the property owned by said Gulf Building Company, and the said Gulf Building Company covenants and agrees further to release the City of Pittsburgh from all claims for damages which it may have arising or growing out of the same.

3. It is understood and agreed by the parties hereto that the City of Pittsburgh shall pay all damages, costs and expenses occasioned by and arising out of the said widening of Seventh avenue, and the grading, paving and curbing of the same, and that no

benefits shall be assessed against any of the abutting property along the line of said improvement.

IN WITNESS WHEREOF, The City of Pittsburgh has caused this Agreement to be duly executed by its Mayor and Director of the Department of Public Works, and the seal of the City affixed thereto, and the party of the second part has hereunto affixed its common and corporate seal duly attested by its proper officers, the day and year aforesaid.

## No. 544

**AN ORDINANCE**—Authorizing an agreement between the City of Pittsburgh and the Borough of Ingram, providing for the construction, maintenance and repairs to a sanitary sewer extending along Jenkins street and Stewart street in the City of Pittsburgh, and across and along Berry street and Mainsgate street in the Borough of Ingram, from a point about 30 feet northeast of Berry street in the City of Pittsburgh, to the existing sewer on Mainsgate street in the Borough of Ingram.

WHEREAS, Owing to the topography of a section of the City, located between Jenkins street and Berry street, the drainage from the land therein flows to and across the City of Pittsburgh, and into Borough of Ingram boundary; and,

WHEREAS, The flow of said drainage is causing an unsanitary condition and a nuisance to the general public of both municipalities, which, owing to the topography, can only be relieved by the construction of a sanitary sewer and connecting the same to an existing sewer in the Borough of Ingram; and,

WHEREAS, The total cost of said sewer construction will probably be assessed against the property benefited; Now, Therefore,

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works, be and they are hereby authorized and directed to enter into an agreement on behalf of the City of Pittsburgh with the Borough of Ingram, said Agreement to be in the following form, to-wit:—*

### ARTICLES OF AGREEMENT

MADE and entered into this ..... day of ....., 1931, between the City of Pittsburgh and the Borough of Ingram to provide for the construction, maintenance and repairs to a sanitary sewer extending along Jenkins street and Stewart street in the City of Pittsburgh, and across and along Berry street and Mainsgate street in the Borough of Ingram, from a point about 30 feet northwest of Berry street in the City of Pittsburgh, to the extending sewer on Mainsgate street in the Borough of Ingram:—

THEREFORE, This Agreement Witnesseth:—

1. That the City of Pittsburgh shall prepare the contract plans and award a contract for the construction of said sewer under authorization of an Assessment Ordinance, which shall provide that "The costs, damages and expense of the same shall be assessed against and collected from properties specially benefited thereby, in accordance with the provisions of the Acts of Assembly of the Commonwealth of Pennsylvania relating thereto and regulating the same".

2. The Borough of Ingram hereby grants to the City of Pittsburgh permission without cost to the Borough of Ingram to construct said sewer from the City-Borough line on, over, across and along Berry street and Mainsgate street to connect to the existing Borough sewer on Mainsgate street, southwest of Berry street.

3. Each municipality shall have the right to approve the contract plans and to inspect the construction of the sewer, and to make any lateral connections that may be necessary within the limits of the respective municipalities. The cost of maintenance and repairs of this proposed sewer shall be borne by each municipality in which the portion of the sewer affected is constructed.

IN WITNESS WHEREOF, The parties to this Agreement each, pursuant to proper ordinances and resolutions authorizing the same, hereto affixed their respective seals, duly attested by the proper officers the day and year first above written.

**AN ORDINANCE**—Granting to the Bell Telephone Company of Pennsylvania, its successors and assigns, the right to construct, occupy, use and maintain a vault or tunnel

underneath the surface of Strawberry way, between William Penn way and Montour way, in the First ward of the City of Pittsburgh, and for this purpose to change the location of and reconstruct a storm sewer now therein located.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That upon the terms and conditions hereinafter set out, the right and privilege be and is hereby granted to The Bell Telephone Company of Pennsylvania, its successors and assigns, at its own cost and expense, to construct, occupy, use and maintain underneath the surface of Strawberry way, between William Penn way and Montour way, in the First ward of the City of Pittsburgh, in the manner, to the extent and in accordance with the plans now on file in and approved by the Department of Public Works, designated 4-H-1834, Sections A to E, inclusive, and referred to as if attached hereto and made a part hereof, a vault or tunnel for telephone cables, tubes, wires, ducts and other like facilities and appliances, and to change the location of the storm sewer now located in said part of said Strawberry way, the center line of which is approximately nine (9) feet from the northerly property line, to a location approximately one and one-half (1½) feet further from said property line, and to reconstruct same in said new location in the manner and in accordance with the said plans.

Section 2. All the work of construction and reconstruction herein authorized to be done by The Bell Telephone Company of Pennsylvania shall be done entirely at its own cost and expense.

Section 3. All the work done under the authority of this Ordinance shall be done under the supervision and inspection of the Director of the Department of Public Works, the expense of such supervision and inspection to be borne by the said The Bell Telephone Company of Pennsylvania.

Section 4. The City of Pittsburgh shall at all times have the right and power to place within said underground vault or tunnel and use and operate therein all the wires, cables, devices and apparatus necessary to or used by the Bureau of Electricity of said City, for fire alarm, police or call system purposes, and at any and all times to place, replace, alter or repair the same.

Section 5. In consideration of the rights and privileges herein granted The Bell Telephone Company of Pennsylvania, for itself, its successors and assigns, shall covenant and agree in its acceptance of this Ordinance to indemnify, save and keep harmless the City of Pittsburgh against any and all injury, damage, costs and expenses, by reason of the construction, use, occupation and maintenance of the equipment herein specified, including all damage to the surface of said Strawberry way and/or to water lines, gas lines, sewers, wires and property of every kind and character by whomsoever owned and maintained and will defend at its own costs and expenses, all and every suit or suits for damages and/or injuries to property or person resulting from the construction, use, operation, maintenance and repair of said equipment and/or the restoration and occupation of the said way.

Section 6. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of structures within City streets and compensation for the same.

Section 7. Whenever the City of Pittsburgh shall, by Ordinance determine to use the space occupied by the said vault or tunnel, or any part thereof, for any municipal improvement, The Bell Telephone Company of Pennsylvania shall, upon notice thereof from the Director of the Department of Public Works of said City, at its own cost and expense, accommodate its facilities to the use of said space by the City of Pittsburgh, or, if necessary, remove said vault or tunnel, to the end that no occupancy by The Bell Telephone Company of Pennsylvania of said space, provided for under this Ordinance, shall conflict or interfere with the use of the same by the City of Pittsburgh.

Section 8. This Ordinance shall be void and of no effect unless said The Bell Telephone Company of Pennsylvania shall, within thirty (30) days after the passage and approval of this Ordinance, file with the Controller of the City a certificate of acceptance thereof and of all the conditions and provisions thereof, the said certificate to be executed by the President or Vice-President thereof and the corporate seal to be thereto at-

tached, duly attested by the Secretary or Assistant Secretary.

Section 9. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

## No. 553

**AN ORDINANCE**—Granting unto Allis-Chalmers Manufacturing Company, its successors and assigns, the right to construct, maintain and use five 2" pipe lines under and across Preble avenue north of Juniata street, for the purpose of transporting steam between the Manchester and Juniata plants, both properties of said Allis-Chalmers Manufacturing Company, Twenty-first ward, Pittsburgh, Pennsylvania.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* Allis-Chalmers Manufacturing Company, its successors and assigns, be and they are hereby given the right and authority, at its own cost and expense, to construct, maintain and use five 2" pipe lines under and across Preble avenue, beginning at a point located one hundred eighteen (118) feet ten (10") inches north from the northerly line of Juniata street and thence crossing Preble avenue at right angles for a distance of fifty (50') feet, and at an approximate depth of three (3') feet six (6") inches, for the purpose of transporting steam between the Manchester plant and the Juniata plant, both properties of Allis-Chalmers Manufacturing Company, Twenty-first ward, Pittsburgh, Pennsylvania.

The said five 2" pipe lines shall be con-

structed in accordance with the provisions of this Ordinance and in accordance with the plan hereto attached and identified as Accession No. B-394, Folder "B", in the files of the Division of Public Utilities, Bureau of Highways and Sewers, Department of Public Works, entitled, "Proposed five 2" pipe lines under and across Preble avenue, for Allis-Chalmers Manufacturing Company, Twenty-first ward, Pittsburgh, Pennsylvania."

Section 2. The said party, prior to beginning the construction of the said pipe lines, shall submit to the Director of the Department of Public Works of the said City a complete set of plans showing the location and all details for the construction of the said pipe lines, and said plans and the construction of the said pipe lines shall be subject to the approval and supervision of the said Director.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets, and to the Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of pipe lines in City streets and compensation for the same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said pipe lines. All of the said work, including the paving of the street damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability on its part, reserves the right, without assigning specific reasons therefor, to cause the change of location or removal of the said pipe lines upon giving six (6) months' written notice through the Director of the Department of Public Works to Allis-Chalmers Manufacturing Company, its successors and assigns, to that effect; and that the said grantee when so notified, shall at the expiration of the said six (6) months' written notice, forthwith change the location of or remove the said pipe lines and replace

the street to its original condition, at its own cost and expense. Lapse of time shall not be construed to operate to the benefit of the grantee in such manner as to confer any other right to the maintenance and use of said pipe lines, save as herein provided.

Section 6. The said grantee shall assume any liability of the City of Pittsburgh, for damages to persons or property, including the street and sub-surface structures therein, by reason of the construction, maintenance and use of the said pipe lines, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant, and the grantee hereby covenants and agrees to defend at its own proper costs any suit or suits for damages arising out of the construction, maintenance or use of said pipe lines.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to-wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval Allis-Chalmers Manufacturing Company shall file with the City Controller its certificate of acceptance of the provisions thereof, said certificate to be executed by the President and Secretary of the Company, with its corporate seal attached.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

**AN ORDINANCE**—Granting unto P. McGraw Wool Company, its successors and assigns, the right to construct, maintain and use one 8" pipe line under and across River avenue, for the purpose of transporting water from the Allegheny river to the property of the P. McGraw Wool Company, Upper Plant, 24th Ward, Pittsburgh, Pa.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That P. McGraw Wool Company, its successors and assigns, be and they are hereby given the right and authority, at its own cost and expense, to construct, maintain and use one 8" pipe line under and across River avenue, beginning at a point located five hundred sixty (560) feet Northeast from the North-easterly corner of River avenue and Lumberman way, and thence crossing River avenue at right angles for a distance of forty (40) feet, and at an approximate depth of twenty (20) feet, for the purpose of transporting water from the Allegheny river to the property of the P. McGraw Wool Company, upper plant, 24th Ward, Pittsburgh, Pa. The said 8" pipe line shall be constructed in accordance with a plan hereto attached and on file in the office of the Department of Public Works, Bureau of Highways & Sewers, Division of Public Utilities and Marked Folder B 395.

Section 2. The said P. McGraw Wool Company, prior to beginning the construction of the said pipe line, shall submit to the Director of the Department of Public

Works of the said City a complete set of plans showing the location and all details for the construction of the said pipe line, and said plans and the construction of the said pipe line shall be subject to the approval and supervision of the said Director.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets, and to the Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of pipe lines in City streets and compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and subsurface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said pipe line. All of the said work, including the paving of the street damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability on its part, reserves the right, without assigning specific reasons therefor, to cause the change of location or removal of the said pipe line upon giving six (6) months' written notice through the Director of the Department of Public Works to P. McGraw Wool Company, its successors and assigns, to that effect; and that the said grantee when so notified, shall at the expiration of the said six (6) months' written notice, forthwith change the location of or remove the said pipe line and replace the street to its original condition, at its own cost and expense. Lapse of time shall not be construed to operate to the benefit of the grantee in such manner as to confer any other right to the maintenance and use of said pipe line, save as herein provided.

Section 6. The said grantee shall assume any liability of the City of Pittsburgh, for damages to persons or property, including the street and subsurface structures therein, by reason of the construction, maintenance and use of the said pipe line, and it is a condition of this grant that the City of

Pittsburgh assumes no liability to either persons or property on account of this grant, and the grantee hereby covenants and agrees to defend at its own proper costs any suit or suits for damages arising out of the construction, maintenance, or use of said pipe line.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to-wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval the P. McGraw Wool Company shall file with the City Controller its certificate of acceptance of the provisions thereof, said certificate to be executed by the President and Secretary of the Company, with its corporate seal attached.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

**A**N ORDINANCE—Amending Section 2 of an Ordinance, entitled "An Ordinance designating depositories for the moneys of the City of Pittsburgh; to regulate deposits therein, and to provide for the payment of interest thereon," approved December 5, 1930, as amended by Ordinance approved January 13, 1931, by authorizing, in addition to other forms of securities provided to be given as security, the acceptance of gold notes issued by the National Credit Corporation at ninety (90%) per centum of their face value, and by striking out the provision that corporate bonds which yield at the market price more than six per centum (6%) shall not be considered as satisfactory security.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That Section 2 of an Ordinance, entitled "An Ordinance designating depositories for the moneys of the City of Pittsburgh; to regulate deposits therein, and to provide for the*

payment of interest thereon," approved December 5, 1930, as amended by Ordinance approved January 13, 1931, be further amended to read as follows:

Section 2. All of said banks and/or trust companies shall furnish to the City of Pittsburgh bonds of the United States Government, State of Pennsylvania, County of Allegheny, City of Pittsburgh, and/or a political sub-division of the State of Pennsylvania, and/or a surety company approved by the Courts of the County of Allegheny, the City Treasurer and the City Controller, and/or corporate bonds at 75% of their market value, and/or gold notes issued by the National Credit Corporation at ninety per centum (90%) of their face value, in an amount equal to the sum of deposits to insure the safety of deposits in said banks and/or trust companies, which bonds and/or notes shall be delivered to the Treasurer of the City of Pittsburgh and his receipt given therefor.

The City Treasurer shall deposit all bonds and notes, except surety bonds, as given for the purpose of securing the funds of the City of Pittsburgh, in safe deposit box or boxes to be provided by the said depositories, at their own cost and expense, and satisfactory to the City Treasurer, and provided further that at all times the key or keys for access to safe deposit box or boxes shall be deposited with the City Treasurer, and that no access to said box or boxes shall be had by the City Treasurer or by the respective banks or trust companies, which have qualified as city depositories, having same, except in the presence of the City Treasurer and a representative of the respective banks or trust companies.

The City Treasurer shall have the right to call for additional security or other security to replace those deposited at any time.

The City Treasurer shall have the authority to refuse to accept any corporate bonds as security when in his judgment the same are not in a class to be accepted and held as security for city funds, but in no event shall the City Treasurer accept any corporate bonds which have not been approved by the Clearing House Committee of the Clearing House Association of Pittsburgh. Said appraisal of bonds approved by the Clearing House Committee shall be in writing to the City Treasurer and the City Controller. The Clearing House Committee

shall on or before January 1, 1931, certify a list of corporate bonds which may be accepted by the City Treasurer as security for City deposits and every three months thereafter shall certify the value of the corporate bonds so held by the City or list additional bonds which may be accepted by the City as security for its funds, and shall notify the City Treasurer and the City Controller at said period if any bonds previously certified shall fail to meet the value required for approval by said Committee.

No bonds or security held by the said custodian shall be delivered to any bank or trust company except upon the written order of the City Treasurer, and any cost in reference to the securities deposited with the custodian shall be borne and paid by the banks or trust companies whose corporate bonds are so held by the City.

#### EXONERATIONS

FOR VACANCIES—Where the premises are vacant and the entire supply of water shall, at the owner's written notice served on the Board of Water Assessors, be turned off by their direction by the Bureau of Water, and such water shall be turned on only by the Bureau of Water, at the owner's written notice to the Board of Water Assessors, exonerations of ninety (90%) per cent for the flat assessment for the period during which the water is shut off shall be issued; provided that the period during which the water is shut off is greater than sixty (60) days consecutively.

All requests for exonerations for excessive assessments must be made during the current year in which the assessments are made, or during twelve (12) months after the termination of said year, and no exonerations shall be granted after said period has expired.

#### FOR CHANGES IN WATER USES—

Where fixtures are removed and water uses discontinued, exoneration will be issued covering the discontinued use from the date of approval of contract covering the revised water uses. In case any owner of any premises shall cause or allow water to be used for any purpose or in any fixtures for which there is no approved water contract on file in the office of the Bureau of Water, the rate for such usage or fixtures shall date from the preceding January 1st, and the water for the entire premises shall be at the rate specified in the foregoing schedule and shall be shut off until an approved contract for such additional water uses or fixtures has been signed and placed on file in the office of the Bureau of Water.

All fixtures on any premises, whether used or not, will be assessed as long as they remain in position.

#### WATER FOR FIRE PURPOSES

No charge shall be made for water used during fires. All water used through fire systems, except during fires, shall be charged for at metered rates. All fire systems shall be metered, excepting sprinkler head sys-

tems, and the minimum charge for each quarter year shall be as follows:

2" and 3" meters .....	\$2.00 per quarter
4" meters .....	3.00 per quarter
6" meters and over .....	4.50 per quarter

#### EXPLANATION OF THE FOREGOING SCHEDULE

In the foregoing schedule of rates, in cases where both flat and metered rates are specified, such flat rates shall govern until a meter or meters, controlling the entire supply of water, shall have been installed, when the metered rates, rules and regulations shall govern. In the foregoing schedule of rates, in cases where metered rates only are specified, and the meter or meters are not in service or approved service during any portion of the water rent period, the registration for the portion of the water rent period during which the meter or meters are in approved service, or the registration during the preceding water rent period, shall be applied pro rata to the period during which the meter or meters are not in approved service. All water supplied at metered rates shall be at the following rates per quarter year:

#### METERED WATER RATES

First 250,000 gallons or less, 20c per 1000 gallons;
Second 250,000 gallons or less, 18c per 1000 gallons;
Third 250,000 gallons or less, 16c per 1000 gallons;
Fourth 250,000 gallons or more, 14c per 1000 gallons.

Hospitals, dispensaries and such other charities as are supported by public and private contributions, shall be charged at the rate of seven (7) cents per thousand gallons; provided, however, that hospitals supported by public charity shall receive free of all charge two hundred fifty (250) gallons of water per person per day, and, schools supported by private charity shall receive free of all charge twenty-five hundred (2500) gallons of water per pupil per annum.

All hospitals and charitable institutions operating and maintaining laundries for commercial purposes, or maintaining and operating hydraulic power producing machinery, shall pay the usual and fixed rate for all water used for such purposes.

All hospitals and charitable institutions within the City of Pittsburgh which operate

and maintain laundries for commercial purposes, or operate hydraulic power producing machinery, shall maintain separate water lines for such laundries or hydraulic power producing machinery. All water used for such purposes shall be separately and specially metered.

For all water taken, the rate for which is not specifically provided and which is not measured by meter, the quantities shall be estimated and charged for at the above metered rates; and provided, further, that in no case where metered water rates are in force shall the charge for such premise for each quarter be less than the amount specified in the following schedule:

25 cents per quarter for 1 and 2-roomed dwelling house premises.
50 cents per quarter for 3 and 4-roomed dwelling house premises.
\$1.00 per quarter for 5 and 6-roomed dwelling house premises.
\$1.25 per quarter for 7 and 8-roomed dwelling house premises.
\$2.00 per quarter for 9 and 10-roomed dwelling house premises.
\$2.50 per quarter for 11 and 12-roomed dwelling house premises.
\$3.00 per quarter for 13 and 14-roomed dwelling house premises.
\$4.00 per quarter for 15 and 16-roomed dwelling house premises.
\$5.00 per quarter for dwelling house premises of more than 16 rooms.

For all premises not included in the above schedule the minimum charge shall be 2½ per cent of the yearly flat assessment per quarter, excepting in each case where a premise is equipped with an auxiliary water supply consisting of a pumping engine of not less than 50,000 gallons per day capacity and a reserve tank of not less than 3,000 gallons capacity, the minimum charge for each quarter shall be as follows:

For each ¾-inch meter.....	\$ 2.00
For each ¾-inch meter.....	3.00
For each 1-inch meter.....	5.00
For each 1¼-inch meter.....	7.50
For each 1½-inch meter.....	10.00
For each 2-inch meter.....	12.50
For each 3-inch meter.....	20.00
For each 4-inch meter.....	30.00
For each meter larger than 4 inch	50.00

The meter or meters to be used must be approved by the Bureau of Water; must be installed under the direction of and in a manner satisfactory to the Bureau of Water

and shall at all times be accessible to the Board of Water Assessors and the Managing Engineer of the Bureau of Water, their agents or assistants. Metered rates charged to any premises cannot be changed to flat rates. All meters must be furnished by and at the expense of the property owner. Meters will be tested, repaired and replaced by the Department of Public Works. For this service there will be levied on each metered service the following quarterly charge:

$\frac{1}{8}$ x $\frac{1}{8}$ x $\frac{1}{8}$ -inch meter .....	\$ .50 per quarter
$\frac{3}{4}$ -inch meter .....	.75 per quarter
1-inch meter .....	1.00 per quarter
1 $\frac{1}{4}$ -inch meter .....	1.25 per quarter
1 $\frac{1}{2}$ -inch meter .....	2.00 per quarter
2-inch meter .....	3.00 per quarter
3-inch meter .....	6.00 per quarter
4-inch meter .....	11.00 per quarter
6-inch meter .....	20.00 per quarter
8-inch meter .....	40.00 per quarter
10-inch meter .....	60.00 per quarter

That all meters shall be read quarterly and as promptly thereafter as possible, a statement of water used by consumer in the preceding quarter, together with the amount then due the City of Pittsburgh, shall be promptly mailed to said consumer. All charges to metered water consumers shall be subject to a discount of two (2%) per centum on the face thereof if paid within ten days; shall be payable at face if paid within the next succeeding ten days, and if not paid within twenty days after date of said notice shall be subject to penalty for non-payment of two (2%) per centum additional plus one-half of one per centum for each month or any part thereof that the same shall not be paid.

In case the said accounts are not paid within twenty days as provided in above paragraph hereof, they shall become delinquent and the said accounts shall thereafter be collected by the Collector of Delinquent Taxes, who shall, in default of payments, proceed with the collection thereof and the filing of liens in the same manner and at the same time as is provided under the Acts of Assembly for the year.

## No. 627

**AN ORDINANCE** — Making appropriations to pay the expenses of conducting the public business of the City of Pittsburgh and for meeting the debt charges thereof for the fiscal year beginning January 1, 1932.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the revenues of said City derived from taxes and other sources for the fiscal year beginning January 1, 1932, and ending December 31, 1932, are hereby appropriated in the sum of \$25,064,088.00 to pay the expenses of conducting the public business of the City of Pittsburgh and meeting the debt charges thereof during the said period beginning January 1, 1932, and ending December 31, 1932, and all unencumbered balances of appropriations remaining open upon the books of the City Controller at the close of the fiscal year shall be and the same are hereby ordered to be cancelled, except such amounts as shall be specially requested by letter from the Director or Chairman of the special activity having the matter in charge, certifying that the amounts requested are required for the purpose for which specifically appropriated, or such amounts as shall be directed to be carried over to the fiscal year 1932 by resolution or ordinance of Council.*

Section 2. No liability shall be incurred against any appropriation item in excess of the unencumbered balance thereof, and said appropriation items shall be administered subject to and in conformity with the following terms and conditions:

(a) The heads of the several departments shall prepare their several payrolls for audit by the Controller in accordance

with the items of the ordinance establishing the respective positions and rates of compensation, and no payroll shall be approved for payment by the Controller unless the incumbents and the rates of compensation agree with the items of said ordinance, and unless the payroll shows the appropriation account or accounts chargeable with the compensation of each employe included thereon.

(b) There shall be affixed to all payrolls a certificate made by the person preparing such payrolls to the effect that there is a time record on file in said department certified to by a person or persons having knowledge of the facts, showing the character of service and exact time of employment of each person named in the payroll, and that the distribution of time as shown on the payroll is in accordance with such time records.

(c) No transfer shall be made from one appropriation item to another except by resolution or ordinance of council, and such resolution or ordinance shall in each case set forth the reasons for such request, and be accompanied by a certification from the Controller stating that there is a sufficient balance unencumbered and available in the appropriation item from which the transfer is to be made.

Section 3. No obligation shall be incurred by any department of the City government other than for salaries or wages, or for necessary expenses of employees when engaged upon City business, except through the issue of an order, stating the service to be rendered, work performed, or supplies, materials or equipment to be furnished together with the estimated cost of the same. The Director of the Department of Supplies is hereby authorized and directed to provide upon requisition by the head of any department all necessary supplies, materials, equipment and machinery for such department; provided, however, that no requisition

of any department shall be filled by the Director of the Department of Supplies in excess of the unencumbered balance of the appropriation properly chargeable, and that no order shall be issued by the Director of the Department of Supplies, or by the head of any other department of the City Government, until it has been approved by the City Controller. Payments on account of direct purchase shall be made from the amounts hereinafter appropriated therefor respectively. Purchases made by the Director of the Department of Supplies to go into stores shall be paid for from the fund provided for such purpose, and when and as directed by the City Controller said fund shall be reimbursed from other appropriations to the extent of deliveries made from stores.

Section 4. Council may, by resolution of the Finance Committee, from time to time restrict expenditures from the appropriations made hereby, both as to amounts of expenditure and the periods within which such expenditures may be made, and may also, by resolution of the Finance Committee at any time cancel in whole or in part any unencumbered balance of any of said appropriations.

Section 5. For purposes of administration and accounting control, the code symbols indicated herein shall be considered as part of the appropriation titles.

## No. 628

**AN ORDINANCE**—To supplement Ordinance No. 74, approved February 13, 1925, of record in Ordinance Book Vol. 36, page 186, entitled, "An Ordinance, authorizing the taking, using, appropriating and condemning by the City of Pittsburgh of certain property of Sadie I. Davis, Philomena De Gruttolo, Charles Delp, Autha Ewell, William W. Ford, W. W. Ford, Walburga Fuchs, A. Garrigan, J. E. Garrigan, M. P. Garrigan, James F. Gilson, William Joseph Graney, Robert E. Heber, Eva I. Jamieson, Mary M. Loughran, J. L. Lewis, George H. Lepper, Guy A. Murphy, Stephan Machaj and Stefania, his wife, John R. Miller and Edna, his wife, James L. McKee, et al., J. M. McClaren, et al., Pennsylvania Savings Fund & Loan Association, Pittsburgh & West Virginia Railways Co., J. Schafer, Leo J. Sweeney and Irene J., his wife, A. G. Smith, Mrs. A. Steel, Coijan

Valemirovich and Draga, his wife, J. Williams Heirs, J. B. Zimmerman and J. Albert Zimmerman and Mona, his wife, situate in the 18th Ward of the City of Pittsburgh, for public park purposes and authorizing the Director of the Department of Public Works of the City of Pittsburgh, to take the necessary proceedings therefor;" declaring said Mary M. Loughran land taken by said ordinance unnecessary and useless for said purposes; providing for the abandonment thereof and the settlement of pending litigation arising out of said taking.

Whereas, the City of Pittsburgh, by its Ordinance No. 74, recited in the title hereof, took, appropriated and condemned for public park purposes divers properties including, inter alia, property of Mary M. Loughran located in the 18th Ward of said City, abutting on Warrington avenue, containing an area of 14,575 square feet, more or less, and

Whereas, the land taken was part of a larger tract containing five acres, more or

less, bounded on the North by the Kaiser Place Plan of Lots of record in the Recorder's Office of Allegheny County in Plan Book Vol. 22, pages 8 and 9; on the East by Warrington avenue; on the South by property now or late of Michael P. Garrigan, et al., Timberland avenue and an unnamed ten-foot alley; and on the West by the Right of Way of the West Side Belt Railway Company; being part of property which Elizabeth G. Gibboney by deed dated November 15, 1895, recorded in said Recorder's Office in Deed Book Vol. 928, page 39, conveyed in fee to Michael John Loughran, who, being so seized thereof, died on December 25, 1912, leaving his last will and testament duly probated and of record in the Register's Office of said County in Will Book Vol. 117, page 361, wherein he devised the same to his widow, Mary M. Loughran and children, and

Whereas, the taking of part of said tract cut off from the land left all access to Warrington avenue, and

Whereas, said City enacted its Ordinance No. 165, approved March 21, 1929, of record in Ordinance Book Vol. 41, page 156, entitled

"An Ordinance relocating, laying out and opening Library road, in the 18th Ward of the City of Pittsburgh, of a width of 70.0 feet on land occupied for park purposes from the Southerly line of the Kaiser Place Plan of Lots to Edgebrook avenue," and

Whereas, said City thereafter opened and dedicated said Library road, commonly known as Saw Mill Run boulevard, to a width of 70 feet for public highway purposes as provided in said Ordinance No. 165, and caused the same to be permanently improved for purposes of general public travel, and

Whereas, said Library road as thus opened includes within its lines all of that part of Warrington avenue on which said tract of land originally abutted, and part only of the land taken from said tract by said Ordinance No. 74, thus leaving an intervening strip of park land lying between the West line of Library road and the West line of said park taking, so that the part of the property left in said tract has no access whatsoever to said Library road, and

Whereas, Viewers were appointed by the

Court of Common Pleas of said County at No. 1437 July Term, 1925, to assess the damages caused by the taking authorized by said Ordinance No. 74, which matter was so proceeded with that the Viewers filed their report in Court awarding damages, inter alia, to said Mary M. Loughran for the taking of part of said tract, the tract as a whole being designated as V-4 on the plan attached to the Viewers' report, and

Whereas, an appeal was taken from said Viewers' report, which is now pending in the Court of Common Pleas of said County at No. 3335 April Term, 1926, wherein said Mary M. Loughran claims damages from said City for the taking of said land and for consequential injuries occasioned by the destruction of access from the property left to Warrington avenue, and

Whereas, said Mary M. Loughran has not received any compensation whatsoever for the taking of said land by said Ordinance No. 74, and

Whereas, said City intended at the time said Ordinance No. 74 was enacted to relocate and widen Warrington avenue so that the West line of the new Warrington avenue would be the same as the West line of the property taken from said tract of land by said Ordinance No. 74, and thereby restore access from the property left in said tract to the new public highway laid out and opened in place of Warrington avenue as it theretofore existed, and

Whereas, the remaining strip of land now lying between the West line of said Library road and the West line of the land taken for public park purposes by said Ordinance No. 74, is useless and unnecessary for development for public park purposes and has never been dedicated to, or used for, such purposes, and the City desires to abandon the land so taken for public park purposes, subject to the right to hold and use that part thereof included within the lines of said Library road for public highway purposes only, in order to minimize damages and to promote the development of adjacent land and to make it more productive for tax purposes, and

Whereas, said Mary M. Loughran has agreed to waive the right to recover damages in the pending appeal and to discontinue said suit of record in the event of the City abandoning the taking authorized by said Ordinance No. 74, and to dedicate

the part thereof included within said Library road for public highway purposes.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That it is to the welfare and interest of said City to vacate and abandon the land of Mary M. Loughran taken by said Ordinance No. 74, approved February 13, 1925, for public park purposes, bounded and described as follows, to-wit:*

Beginning at a point in the Westerly line of Warrington avenue, as it was at the time of the passage of said Ordinance No. 74, at its intersection with the South-erly line of the Kaiser Place Plan of Lots of record in the Recorder's Office of Allegheny County in Plan Book Vol. 22, pages 8 and 9; thence extending along line last mentioned South 70° 43' 40" West 10 feet to a point in the Westerly line of property taken by said City by said Ordinance No. 74; thence extending along the Westerly line of said park taking South 31° 27' 00" East 424.18 feet to a point in the line of land now or late of M. P. Garrigan and others; thence extending along line last mentioned North 11° 12' 40" East 79.88 feet, more or less, to a point in the Westerly line of said Warrington avenue; thence extending Northwardly along the Westerly line of Warrington avenue 336 feet, more or less, to a point at the place of beginning.

Section 2. The land described in Section 1 hereof is hereby vacated and abandoned by said City for use for public park purposes with the same force and effect as if it had never been taken by said City by its said Ordinance No. 74, and the owners of the fee are authorized and directed to enter upon and take possession thereof free and discharged of any right, title and interest therein of said City by reason of said taking by said Ordinance No. 74; subject, however, to the right of the City to hold and use as though dedicated by the owners for public highway purposes only, that portion thereof which has been included within the lines of said Library road as opened by Ordinance No. 165, approved March 21, 1929.

Section 3. The City Solicitor is authorized and directed for and in behalf of said City to file of record in said Viewers' proceedings at No. 1437 July Term, 1925, and in the pending appeal from said Viewers' re-

port at No. 8335 April Term, 1926, the following stipulation, viz:

"The City of Pittsburgh covenants and agrees that by this Ordinance (referring to this Ordinance), a certified copy of which is attached hereto and by reference made part hereof, it has abandoned the taking for public park purposes authorized by its Ordinance No. 74, approved February 13, 1925, of all of the land of Mary M. Loughran lying West of Warrington avenue and forming part of the tract of land designated V-4 on the plan attached to the Viewers' report at No. 1437 July Term, 1925, and that this abandonment is the consideration for the discontinuance by said Mary M. Loughran of an appeal from said Viewers' report in the Court of Common Pleas at No. 3335 April Term, 1926, wherein said Mary M. Loughran is plaintiff and the City of Pittsburgh is defendant."

Section 4. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

Passed December 31, 1931.

Approved January 9, 1932.

Whereas, The late E. E. Lanpher, Managing Engineer of the Bureau of Water, prepared papers on Pittsburgh's Water Works, as follows:

"A Description of the Pittsburgh Water Works, Prepared to Meet the Requirements of the Students of the Schools of Pittsburgh."

"A Century of the Pittsburgh Water Works"; and

Whereas, There is also an article prepared by C. F. Drake, Superintendent of the Filtration Division, on the subject of typhoid fever, which might be termed a sister article to those of Mr. Lanpher, in that Mr. Drake's subject dwells upon the disappearance of typhoid fever in Pittsburgh since filtration of our water supply began; and

Whereas, In order to supply the public demand for these treatises they were published in pamphlet form in May, 1930, and were placed in Universities, Colleges, Public and Parochial Schools, Municipal Reference Libraries and Water Works, etc., and the supply is now practically exhausted; and

Whereas, The Board of Public Education has used the above treatises to such excellent advantage in their schools of higher grades, that they request a reprint of the pamphlet, that they may be furnished with five hundred (500) additional copies.

Therefore, Be It Resolved, That the City Clerk be, and he is hereby authorized to have 3,000 copies of the above described papers reprinted in pamphlet form, not only for distribution to public and parochial schools, colleges, universities, etc., and to take proper care of the inquiries that are being received from outside the City, but also for distribution at the Annual Convention of the American Water Works As-

## No. 64

Whereas, The unemployment situation in the City of Pittsburgh has been one of great importance and one which demanded efficient and financial relief by the City; and

Whereas, The Mayor and the Members of Council realized that financial relief in itself was a dole and did not solve the problem of unemployment; and

Whereas, The Mayor invited a Committee of outstanding citizens of the City of Pittsburgh to cooperate with the officials with a view of devising ways and means to overcome the emergency situation; and

Whereas, A Committee was organized, known as the Allegheny County Emergency Association under the direction of Pittsburgh's foremost employers of labor; and

Whereas, This Committee has adopted a plan which was originated and sponsored by Mr. Edgar J. Kaufmann; and

Whereas, This Association is actually at work and putting into force the plan of Mr. Edgar J. Kaufmann, now known as the "Pittsburgh Plan" for the stabilization of employment; and

Whereas, Employment of thousands of resident Pittsburghers on projects of much civic value, in cooperation with the Department of Public Works, will result with funds provided by private subscription of employer and employees; Now, therefore, be it

Resolved, That the Mayor and Council of the City of Pittsburgh, on behalf of the City of Pittsburgh, commend Mr. Edgar J. Kaufmann and the members of the Allegheny County Emergency Association for their praiseworthy work in making for the stabilization of employment which in itself will relieve the stress and strain of the present unemployment situation, and that the City of Pittsburgh pledge its continued

cooperation to such Committee in their future activities; and be it further

Resolved, That a copy of these resolutions be engrossed and sent to Mr. Edgar J. Kaufmann.

## No. 129

Whereas, Our esteemed colleague, George J. Kambach, after a short illness, passed away at his home on Thursday, March 26, 1931. George J. Kambach was a life-long Pittsburgher and from early manhood had taken a deep interest in civic and fraternal affairs. He was elected to Common Council in November, 1907 and served until elected a member of Select Council in 1910, being a member of that body when it passed out of existence and the new Council of Nine was organized. He was appointed to a seat in this Council succeeding Daniel Winters, who had been appointed Controller in 1929. George J. Kambach was a leading member of the Allegheny County Bar; was graduated from the Law School of the Western University of Pennsylvania in 1899, and was admitted to the Bar the same year. He en-

joyed an extensive law practice as a member of the law firm of Kambach, Forsythe and Chess, and was a director and solicitor for several banks and building and loan associations.

George J. Kambach was active in Masonic circles, being a Past Commander of Pittsburgh Commandery No. 1, Knights Templar; he was also Past Exalted Ruler of the B. P. O. E. No. 11 and Past Deputy Exalted Ruler of the State B. P. O. E. He was a Trustee of the South Side Presbyterian Church. He gave his time unsparingly when he thought he could benefit his fellow man. He was by nature unselfish and considerate of the rights of others; he was loyal to his friends and faithful to all his responsibilities; and

Whereas, We, the members of Council and the Mayor, are deeply grieved over the passing of our colleague and take this means of trying to convey our heartfelt sympathy to his family; therefore, be it

Resolved, That in the death of George J. Kambach, the City of Pittsburgh has lost a loyal and capable official, and we and many of the citizens of this great municipality have lost a kind and considerate friend; and, be it further

Resolved, That a copy of these Resolutions be spread in full upon the records of Council and an engrossed copy be transmitted to the family.

## No. 173

Whereas, After the completion of the contract between the City of Pittsburgh and Dominick Pavia for the grading, paving and curbing of Fifteenth street, from Penn avenue to Pike street, core drills were taken which showed an apparent lack of thickness of concrete in several locations on the westerly half of the street; and,

Whereas, The contractor, Dominick Pavia, at the written instructions of the Director dug up the pavement, including the concrete base in several of the locations where the core drilling showed an apparent lack of depth in the concrete; and,

Whereas, after the pavement and concrete base were removed it was found that the required depth of concrete really existed and that the apparent lack of depth was due to small areas where straw, which was used to cover the completed concrete base, and slag forming the sub-base, had blown into the concrete being placed, forming small pockets; and,

Whereas, It is now the opinion of the Department of Public Works that the concrete base, as constructed, will provide adequate support for all traffic that is expected to use this thoroughfare, but for the purpose of relieving the City from any expense account the possibility of any failure in the concrete base in the westerly half of the street, it is deemed advisable that the contractor furnish the City an additional surety bond covering the maintenance of the affected area for a period of five (5) years instead of one (1) year, as required by the contract, which the contractor has agreed to do by letter on file in the office of the Director of the Department of Public Works; Now, Therefore, be it

Resolved, That the approval and accept-

ance by the Director of the grading, paving and curbing of Fifteenth street, from Penn avenue to Pike street, as completed by the contractor, Dominick Pavia, subject to the furnishing of an additional surety bond in the sum of Four Thousand (\$4,000.00) Dollars, guaranteeing maintenance of the pavement on the westerly half of the street for a period of five (5) years, is hereby ratified and approved.

## No. 323

Whereas, The Pitometer Tests authorized by the action of the Mayor and Council reported the excessive use of water from the City's mains in the Herr's Island District of the North Side, Pittsburgh, and the accounts of the Board of Water Assessors show no revenue covering this wastage, either from leakage or unauthorized use thereof, and

Whereas, The Pitometer Company of New York, N. Y., engaged at that time on a similar survey of such conditions in another portion of the city possessed the scientific equipment necessary to develop the nature of said loss of water from the City's mains, and

Whereas, It was deemed feasible and proper to definitely determine such losses by special tests conducted in the Herr's Island Area, and

Whereas, The Pitometer Company of New York, N. Y., was authorized to conduct such special tests on verbal authorization of the Managing Engineer, the Director of the Department of Public Works and the City Controller; Therefore, be it

Resolved, That the Mayor be and he is hereby authorized and directed to issue and the City Controller to countersign a warrant in favor of the Pitometer Company of New York, N. Y., in the amount of One Thousand, Thirty-three and 58/100 (\$1,033.58) Dollars for the services and expenses of its engineers in conducting Special Pitometer Tests in the Herr's Island Area, and that this amount be charged to and payable from Code, Account No. 1766, Miscellaneous Services, Distribution Division, Bureau of Water.

Whereas, The many changes in positions and salaries by reason of the action of Council in passing the Tax Levy for 1932, with the accompanying salary and appropriation bills, will require considerable thought on the part of the administrative officers under the executive to carry into effect; and

Whereas, It will be impossible to put all of these changes into effect on January 1st; and

Whereas, The Council of the City of Pittsburgh wishes to effect these changes without impairing the service of the city employees or working undue hardship on any employee or group of employees; Therefore, be it

Resolved, That the Mayor and the executive officers under him are hereby empowered to use their best judgment in furloughing such employees as they deem necessary to furlough and for such reasonable time as they deem necessary in order to promptly and properly carry out the requirements of the salary and appropriation bills.
